- a. The probable costs estimated herein do not include anticipated carrying cost, interest reserves or other anticipated CDD expenditures that may be incurred.
- b. The Developer intends to fund and construct the Master Infrastructure. CDD bond proceeds shall not be used to fund the master infrastructure improvements.
- c. The developer reserves the right to finance any of the Phase 1A and 1B improvements outlined above, and have such improvements owned and maintained by a property owner's or homeowner's association, in which case such items would not be part of the 2023 Project.
- d. The District may enter into an agreement with a third-party, or an applicable property owner's or homeowner's association, to maintain any District-owned improvements, subject to the approval of the District's bond counsel.
- e. In connection with the District's capital improvement plan, the District may finance certain infrastructure that may generate impact fee credits. As set forth in the District's assessment proceedings, and in recognition of the uncertain market for such credits, and limited value, and as consideration for the District and the Developer undertaking the transactions involved with the District's Project and financing arrangements, the District and the Developer agree that the Developer may retain any such impact fee credits, provided that (i) the Developer contributes a corresponding amount of Improvements, Work Product and/or Real Property as part of the District's capital improvement plan and/or reduces the cost of such Improvements, Work Product or Real Property to be acquired by the District by a corresponding amount of such impact fee credits, or (ii) the Developer agrees contractually to prepay debt assessments by a corresponding amount of such impact fee credits. Alternatively, the Developer may provide the proceeds of the impact fee credits to the District for deposit into the applicable acquisition and construction account for the Bonds, and for use in acquiring and/or constructing the Project.

3. CONCLUSION

The 2023 Project will be designed in accordance with current governmental regulations and requirements. The 2023 Project will serve its intended function so long as the construction is in substantial compliance with the design. It is further our opinion that:

- the estimated cost to the 2023 Project as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- all of the improvements comprising the 2023 Project are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes;

- the 2023 Project is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the 2023 Project, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course; and
- the assessable property within the District will receive a special benefit from the 2023 Project that is at least equal to the costs of the 2023 Project.

As described above, this report identifies the benefits from the 2023 Project to the lands within Assessment Area One. The general public, property owners, and property outside of Assessment Area One will benefit from the provision of the 2023 Project; however, and with the exception of certain master costs that are part of the 2023 Project but allocable to future phases, these are incidental to the District's 2023 Project, which is designed solely to provide special benefits peculiar to Assessment Area One. Special and peculiar benefits accrue to property within Assessment Area One and enable properties within its boundaries to be developed.

The 2023 Project will be owned by the District or other governmental units and such 2023 Project is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the 2023 Project is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The 2023 Project, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property. The District will pay the lesser of the cost of the components of the 2023 Project or the fair market value.

Please note that the 2023 Project as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the 2023 Project, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

1.0 Introduction

1.1 Purpose

This Preliminary First Supplemental Special Assessment Methodology Report (the “Preliminary First Supplemental Report”) was developed to supplement the Master Special Assessment Methodology Report (the “Master Report”) dated July 6, 2022 and to provide a supplemental financing plan and a supplemental special assessment methodology for Assessment Area One (to be defined further herein) of the Kelly Park Community Development District (the “District”), located in the City of Apopka, Florida, as related to funding a portion of the costs of the acquisition and construction of public infrastructure improvements contemplated to be provided by the District to support the development of 315 residential dwelling units projected to be developed within Assessment Area One of the District (“Assessment Area One”).

1.2 Scope of the Preliminary First Supplemental Report

This Preliminary First Supplemental Report presents the projections for financing a portion of what is known as the “2023 Project,” which refers to the portion of the District’s overall “Capital Improvement Plan” related to the development and supporting the development of Assessment Area One. The 2023 Project is described in the First Supplemental Engineer’s Report developed by Poulos & Bennett, LLC (the “District Engineer”) and dated July 2023 (the “Supplemental Engineer’s Report”). This Preliminary First Supplemental Report also describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and funding a portion of the 2023 Project with proceeds of indebtedness projected to be issued by the District.

1.3 Special Benefits and General Benefits

The public infrastructure improvements undertaken and funded by the District as part of the 2023 Project create special and peculiar benefits, different in kind and degree than general benefits, for properties within Assessment Area One as well as general benefits to properties outside of Assessment Area One and to the public at large. However, as discussed within this Preliminary First Supplemental Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within Assessment Area One. The District’s 2023 Project enables properties within the boundaries of Assessment Area One to be developed.

There is no doubt that the general public and property owners of property outside Assessment Area One will benefit from the provision of the 2023 Project. However, these benefits are only incidental since the 2023 Project is designed solely to provide special benefits peculiar to property within Assessment Area One. Properties outside Assessment Area One are not directly served by the 2023 Project and do not depend upon the 2023 Project to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which Assessment Area One properties receive compared to those lying outside of Assessment Area One's boundaries.

The 2023 Project will provide public infrastructure improvements which are all necessary in order to make the lands within Assessment Area One developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within Assessment Area One to increase by more than the sum of the financed cost of the individual components of the 2023 Project. Even though the exact value of the benefits provided by the 2023 Project is hard to estimate at this point, it is nevertheless greater than the costs associated with providing the same.

1.4 Organization of the Preliminary First Supplemental Report

Section Two describes the development program for Assessment Area One as proposed by the Developer, as defined below.

Section Three provides a summary of the 2023 Project as determined by the District Engineer.

Section Four discusses the financing program for Assessment Area One.

Section Five introduces the special assessment methodology for Assessment Area One.

2.0 Development Program

2.1 Overview

The District serves the Kelly Park development, a master planned residential development located in the City of Apopka, Florida. The land within the District consists of approximately 213.4 +/- acres and is generally located south of Ondich Road, east of Round Lake Road, north of West Kelly Park Road, and west of Effie Drive.

2.2 The Assessment Area One Development Program

The development of Assessment Area One is anticipated to be conducted by Galvin Land Services, LLC or an affiliated entity (the "Developer"). Based upon the information provided by the Developer and the District Engineer, the current development plan for Assessment Area One envisions a total of 315 residential dwelling units, although unit numbers, land use types and phasing may change throughout the development period. The portion of Assessment Area One that is projected to have the residential units constructed by the Developer and comprises Phase 1B is referred to as the "Gavin-Harris Project Area" while the portion of Assessment Area One that is projected to have the residential units constructed by DFC Kelly Park, LLC or an affiliate ("Dream Finders") and comprises Phase 1A is referred to as the "Dream Finders Project Area". Table 1 in the *Appendix* illustrates the development plan for Assessment Area One.

3.0 The 2023 Project

3.1 Overview

The public infrastructure costs to be funded by the District are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

3.2 2023 Project

The 2023 Project comprises a portion of the Capital Improvement Plan for the District and is designed to serve and will benefit the 315 residential dwelling units that are projected to be developed within the Assessment Area One. According to the Supplemental Engineer's Report, the 2023 Project is comprised of certain offsite roadway and utility improvements which are designed to serve and benefit all parcels and units within Assessment Area One (the "Master Improvements"), certain neighborhood improvements ("Gavin-Harris Neighborhood Improvements") for the Gavin-Harris Project Area, and certain neighborhood improvements ("Dream Finders Neighborhood Improvements") for the Dream Finders Project Area.

The 2023 Project is projected to include Ph. 1-2, 1-3 & Ph. 2 Master Infrastructure (water, reclaim & sewer

utility improvements only). All of the public infrastructure improvements included in the Master Improvements portion of the 2023 Project will comprise an interrelated systems of improvements for Assessment Area One, which means that all public infrastructure improvements that comprise the Master Improvements portion of the 2023 Project will serve all lands and all land use types within Assessment Area One and all will be interrelated such that all public infrastructure improvements that comprise the Master Improvements portion of the 2023 Project will reinforce one another.

Similarly, all of the public infrastructure improvements included in the Gavin-Harris Neighborhood Improvements and Dream Finders Neighborhood Improvements portions of the 2023 Project will comprise separate interrelated systems of improvements for the Gavin-Harris Project Area and the Dream Finders Project Area respectively, which means that all public infrastructure improvements that comprise the Gavin-Harris Neighborhood Improvements portion of the 2023 Project and the Dream Finders Neighborhood Improvements portion of the 2023 Project will serve all lands and all land use types within the Gavin-Harris Project Area and the Dream Finders Project Area respectively and all will be interrelated such that all public infrastructure improvements that comprise the Gavin-Harris Neighborhood Improvements and the Dream Finders Neighborhood Improvements portions of the 2023 Project will reinforce one another within the Gavin-Harris Project Area and the Dream Finders Project Area respectively.

Tables 2A and 2B in the *Appendix* illustrate the specific components of the 2023 Project and their costs, which total \$1,235,950.54 for the master infrastructure costs and \$10,265,720.41 for the neighborhood costs.

4.0 Financing Program

4.1 Overview

As noted above, the District is embarking on a program of public infrastructure improvements which will facilitate the development of lands within Assessment Area One. Generally, construction of public infrastructure improvements is either funded by the Developer and then acquired by the District or funded directly by the District. The choice of the exact mechanism for providing public infrastructure improvements has not yet been made at the time of this writing, and the District may either acquire the public infrastructure from the

Developer or construct it, or even partly acquire it and partly construct it.

The District intends to issue Special Assessment Bonds, Series 2023 (Assessment Area One Project) in the estimated principal amount of \$6,120,000* (the "Series 2023 Bonds") to fund a portion of the 2023 Project costs in the estimated total amount of \$5,188,764.40*. It is anticipated that any costs of the 2023 Project which are not funded by the Series 2023 Bonds will be completed or funded by the Developer pursuant to a Completion Agreement and an Acquisition Agreement that will be entered into by the Developer and the District.

4.2 Types of Bonds Proposed

The financing plan for the District provides for the issuance of the Series 2023 Bonds in the estimated principal amount of \$6,120,000* to finance a portion of the 2023 Project costs in the estimated total amount of \$5,188,764.40*. The Series 2023 Bonds are structured to be amortized in 30 annual installments. Interest payments on the Series 2023 Bonds would be made every May 1 and November 1, and principal payments on the Series 2023 Bonds would be made on either May 1 or November 1.

In order to finance a portion of the costs of the 2023 Project in the estimated total amount of \$5,188,764.40*, the District will need to borrow more funds and incur indebtedness in the estimated principal amount of \$6,120,000*. The difference is comprised of debt service reserve, capitalized interest, and costs of issuance, which include the underwriter's discount. Preliminary sources and uses of funding for the Series 2023 Bonds are presented in Table 3 in the *Appendix*.

5.0 Assessment Methodology

5.1 Overview

The issuance of the Series 2023 Bonds provides the District with funds necessary to construct/acquire the infrastructure improvements which are part of the 2023 Project outlined in *Section 3.2* and described in more detail by the District Engineer in the Supplemental Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to the assessable properties within the boundaries of Assessment Area One and general benefits accruing to areas outside of Assessment Area One but being only incidental in nature. The debt incurred in

* Preliminary, subject to change.

financing the public infrastructure will be secured by assessing properties that derive special and peculiar benefits from the 2023 Project. All properties that receive special benefits from the 2023 Project will be assessed for their fair share of the debt issued in order to finance all or a portion of the 2023 Project.

5.2 Benefit Allocation

The most current development plan envisions the development of 315 residential dwelling units consisting of single-family units, although unit numbers and land use types may change throughout the development period.

All of the public infrastructure improvements included in the Master Improvements will comprise an interrelated systems of improvements for Assessment Area One, which means that all public infrastructure improvements that comprise the Master Improvements will serve all lands and all land use types within Assessment Area One and all will be interrelated such that all public infrastructure improvements that comprise the Master Improvements will reinforce one another.

Similarly, all of the public infrastructure improvements included in the Gavin-Harris Neighborhood Improvements and Dream Finders Neighborhood Improvements will comprise separate interrelated systems of improvements for the Gavin-Harris Project Area and the Dream Finders Project Area respectively, which means that all public infrastructure improvements that comprise the Gavin-Harris Neighborhood Improvements and the Dream Finders Neighborhood Improvements will serve all lands and all land use types within the Gavin-Harris Project Area and the Dream Finders Project Area respectively and all will be interrelated such that all public infrastructure improvements that comprise the Gavin-Harris Neighborhood Improvements and the Dream Finders Neighborhood Improvements will reinforce one another within the Gavin-Harris Project Area and the Dream Finders Project Area respectively.

By allowing for the land in Assessment Area One to be developable, both the public infrastructure improvements that comprise the 2023 Project and their combined benefit will be greater than the sum of their individual benefits. All of the land uses within Assessment Area One will benefit from each infrastructure improvement category that is part of the Master Improvements, all of the land uses within the Gavin-Harris Project Area and the Dream Finders Project Area will benefit from each infrastructure improvement category that is part of the Gavin-Harris Neighborhood Improvements and the Dream

Finders Neighborhood Improvements respectively, as the improvements provide basic infrastructure to all land within Assessment Area One (for the Master Improvements) and within the Gavin-Harris Project Area and the Dream Finders Project Area (for the Gavin-Harris Neighborhood Improvements and the Dream Finders Neighborhood Improvements respectively) and benefit all land within Assessment Area One (for the Master Improvements), the Gavin-Harris Project Area (for the Gavin-Harris Neighborhood Improvements) and Dream Finders Project Area (for the Dream Finders Neighborhood Improvements) as integrated systems of improvements.

As stated previously, the public infrastructure improvements included in the 2023 Project have a logical connection to the special and peculiar benefits received by the land within Assessment Area One, as without such improvements, the development of the properties within 2023 Project would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within 2023 Project, the District can assign or allocate a portion of the District's debt through the imposition of non-ad valorem assessments, to the land receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the cost of, or the actual non-ad valorem assessment amount levied on that parcel.

The benefit associated with the 2023 Project of the District is proposed to be allocated to the different unit types within 2023 Project in proportion to the density of development and intensity of use of the infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Tables 4A, 4B, and 4C in the *Appendix* illustrate the ERU weights that are proposed to be assigned to the unit types contemplated to be developed within 2023 Project based on the relative density of development and the intensity of use of master infrastructure, the total ERU counts for each unit type, and the share of the benefit received by each unit type.

The rationale behind different ERU weights is supported by the fact that generally and on average smaller units, such as townhomes, will use and benefit from the District's improvements less than larger units, such as single-family units, as for instance, generally and on average smaller units or units produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than larger units. Additionally, the value of the larger units

is likely to appreciate by more in terms of dollars than that of the smaller units as a result of the implementation of the 2023 Project. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received by the different unit types from the District's improvements.

In order to facilitate the marketing of the residential units developed within Assessment Area One, the Developer requested that the District limit the amounts of annual assessments for debt service on the Series 2023 Bonds (the "Series 2023 Bond Assessments") to certain predetermined levels. In order to accomplish that goal, the Developer will be required as part of the Acquisition Agreement to provide at no cost to the District a certain amount of public infrastructure improvements in the estimated amount of \$3,639,918.36* for Phase 1A and \$2,672,988.19* for Phase 1B, which represent a required "buy down" of assessment levels, in excess of the total amount available from the proceeds of the Series 2023 Bonds, or in the estimated amount of approximately \$902.14* ("Minimum Required Contribution") for Phase 1A and \$1,043.11* for Phase 1B, which represent the minimum required "buy down" of assessment levels, in excess of the total amount available from the proceeds of the Series 2023 Bonds. See Tables 5A and 5B in the *Appendix* which illustrate the calculation of the costs of the Master Improvements, Gavin-Harris Neighborhood Improvements and Dream Finders Neighborhood Improvements that are attributable to the various product types proposed to be developed within Assessment Area One as well as the "buy down" of assessment levels in excess of the total amount available from the proceeds of the Series 2023 Bonds and Tables 6A and 6B in the *Appendix* which illustrate the calculation of the Minimum Required Contribution for each Phase. Note that the Developers will also separately agree to complete their respective portions of the overall 2023 Project pursuant to separate Completion Agreements, but the Minimum Contribution Requirement is the minimum amount required to be provided at no cost, and for the Series 2023 Bond Assessments to be fairly and reasonably allocated.

Tables 7A and 7B in the *Appendix* present the apportionment of the Series 2023 Bond Assessments in accordance with the ERU benefit allocation method presented in Tables 4A, 4B, and 4C as modified by the effects of the contributions illustrated in Tables 5A and 5B in the *Appendix*. Tables 7A and 7B also present the annual levels of the annual debt service assessments per unit.

* Preliminary, subject to change.

Amenities. No Series 2023 Bond Assessments are allocated herein to any private amenities or other common areas planned for the development. If owned by a homeowner's association, the amenities and common areas would be considered a common element for the exclusive benefit of property owners. Accordingly, any benefit to the amenities and common areas would directly benefit all platted lots in the District. If the common elements are owned by the District, then they would be governmental property not subject to the Series 2023 Bond Assessments and would be open to the general public, subject to District rules and policies. As such, no Series 2023 Bond Assessments will be assigned to the amenities and common areas.

Government Property. Real property owned by units of local, state, and federal governments, or similarly exempt entities, shall not be subject to the Series 2023 Bond Assessments without specific consent thereto. If at any time, any real property on which Series 2023 Bond Assessments are imposed is sold or otherwise transferred to a unit of local, state, or federal government, or similarly exempt entity, all future unpaid Series 2023 Bond Assessments for such tax parcel shall become due and payable immediately prior to such transfer by way of a mandatory true-up payment without any further action of the District.

5.3 Assigning Series 2023 Bond Assessments

As the land within the Dream Finders Project Area is not yet platted for its intended final use and the precise location of the various land use types by lot or parcel is unknown, the Series 2023 Bond Assessments related to the Dream Finders Project Area will initially be levied on all land within the Dream Finders Project Area on a pro-rata gross acre basis. Thus, the Series 2023 Bond Assessments in the estimated amount of \$3,463,178.48* will be preliminarily levied on approximately 36.971 +/- gross acres at the estimated rate of \$93,672.84* per gross acre.

As the land within the Gavin-Harris Project Area is not yet platted for its intended final use and the precise location of the various land use types by lot or parcel is unknown, the Series 2023 Bond Assessments will initially be levied on all of the land within the District on a pro-rata gross acre basis. Thus, the Series 2023 Bond Assessments in the estimated amount of \$2,656,821.52* will be preliminarily levied on all remaining lands within the District, less and except the aforementioned 36.971 +/- gross acres that make up the Dream Finders Project Area, totaling approximately 176.429 +/- gross acres at the estimated rate of \$15,058.87* per gross acre.

* Preliminary, subject to change.

When the land is platted, the Series 2023 Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned land use for that platted parcel as reflected in Tables 7A and 7B in the *Appendix*. Such allocation of Series 2023 Bond Assessments from unplatted gross acres to platted parcels will reduce the amounts of Series 2023 Bond Assessments levied on unplatted gross acres within the District.

Transferred Property. In the event unplatted land is sold to a third party (the “Transferred Property”), the Series 2023 Bond Assessments will be assigned to such Transferred Property at the time of the sale based on the maximum total number of ERUs (as herein defined) assigned by the Developer to that Transferred Property, subject to review by the District’s methodology consultant, to ensure that any such assignment is reasonable, supported by current development rights and plans, and otherwise consistent with this Preliminary First Supplemental Report. The owner of the Transferred Property will be responsible for the total Series 2023 Bond Assessments applicable to the Transferred Property, regardless of the total number of ERUs ultimately actually platted. This total amount of Series 2023 Bond Assessments is allocated to the Transferred Property at the time of the sale. If the Transferred Property is subsequently sub-divided into smaller parcels, the total Series 2023 Bond Assessments initially allocated to the Transferred Property will be re-allocated to the smaller parcels pursuant to the methodology as described herein (i.e., equal assessment per gross acre until platting).

5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in *Section 1.3*, Special Benefits and General Benefits, public infrastructure improvements undertaken by the District create special and peculiar benefits to certain properties within Assessment Area One. The District’s public infrastructure improvements benefit assessable properties within Assessment Area One and accrue to all such assessable properties on an ERU basis.

Public infrastructure improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within Assessment Area One. The special and peculiar benefits resulting from each improvement are:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums; and

- d. increased marketability and value of the property.

The public infrastructure improvements which are part of the 2023 Project make the land in Assessment Area One developable and saleable and when implemented jointly as parts of the 2023 Project, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received by the various land use types from the improvements is delineated in Tables 4A and 4B (expressed as the ERU factors).

The apportionment of the assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within Assessment Area One according to reasonable estimates of the special and peculiar benefits derived from the 2023 Project.

Accordingly, no acre or parcel of property within Assessment Area One will be liened for the payment of the Series 2023 Bond Assessments more than the determined special benefit peculiar to that property.

5.6 True-Up Mechanism

The District's assessment program is predicated on the development of lots in a manner sufficient to include all of the planned Equivalent Residential Units ("ERUs") as set forth in Tables 4A and 4B in the *Appendix* ("Development Plan"). At such time as lands are to be platted (or re-platted) or site plans are to be approved (or re-approved), the plat or site plan (either, herein, "Proposed Plat") shall be presented to the District for a "true-up" review as follows:

- a. If a Proposed Plat results in the same amount of ERUs (and thus Series 2023 Bond Assessments) able to be imposed on the "Remaining Developable Unplatted Lands" (i.e., those remaining

developable unplatted lands after the Proposed Plat is recorded) as compared to what was originally contemplated under the Development Plan, then the District shall allocate the Series 2023 Bond Assessments to the product types being platted and the remaining property in accordance with this Second Supplemental Report, and cause the Series 2023 Bond Assessments to be recorded in the District's improvement lien book.

b. If a Proposed Plat results in a greater amount of ERUs (and thus Series 2023 Bond Assessments) able to be imposed on the Remaining Developable Unplatted Lands as compared to what was originally contemplated under the Development Plan, then the District may undertake a pro rata reduction of Series 2023 Bond Assessments for all assessed properties within the Property, or may otherwise address such net decrease as permitted by law.

c. If a Proposed Plat results in a lower amount of ERUs (and thus Series 2023 Bond Assessments) able to be imposed on the Remaining Developable Unplatted Lands as compared to what was originally contemplated under the Development Plan, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay a "True-Up Payment" equal to the difference between: (i) the Series 2023 Bond Assessments originally contemplated to be imposed on the lands subject to the Proposed Plat, and (ii) the Series 2023 Bond Assessments able to be imposed on the lands subject to the Proposed Plat, after the Proposed Plat (plus applicable interest, collection costs, penalties, etc.).

With respect to the foregoing true-up analysis, the District's Assessment Consultant, in consultation with the District Engineer and District Counsel, shall determine in his or her sole discretion what amount of ERUs (and thus Series 2023 Bond Assessments) are able to be imposed on the Remaining Developable Unplatted Lands, taking into account a Proposed Plat, by reviewing: a) the original, overall development plan showing the number and type of units reasonably planned for the development, b) the revised, overall development plan showing the number and type of units reasonably planned for the development, c) proof of the amount of entitlements for the Remaining Developable Unplatted Lands, d) evidence of allowable zoning conditions that would enable those entitlements to be placed in accordance with the revised development plan, and e) documentation that shows the feasibility of implementing the proposed development plan. Prior to any decision by the District not to impose a true-up payment, a supplemental methodology shall be produced demonstrating that there will be sufficient assessments to pay debt service on the applicable series of bonds and the District

will conduct new proceedings under Chapters 170, 190 and 197, Florida Statutes upon the advice of District Counsel.

Any True-Up Payment shall become due and payable prior to the recordation of the plat by the landowner of the lands subject to the Proposed Plat, shall be in addition to the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the applicable bond series to the interest payment date that occurs at least 45 days after the True-Up Payment (or the second succeeding interest payment date if such True-Up Payment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indentures for the applicable bond series)).

All Series 2023 Bond Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres, any unallocated Series 2023 Bond Assessments shall become due and payable and must be paid prior to the District's approval of that plat. This true-up process applies for both plats and/or re-plats.

Such review shall be limited solely to the function and the enforcement of the District's assessment liens and/or true-up agreements. Nothing herein shall in any way operate to or be construed as providing any other plat approval or disapproval powers to the District. For further detail on the true-up process, please refer to the True-Up Agreement and applicable assessment resolution(s).

5.7 Preliminary Assessment Roll

The Series 2023 Bond Assessments attributable to the Dream Finders Project Area in the estimated amount of \$3,463,178.48* are proposed to be levied over the area described in Exhibit "A".

The Series 2023 Bond Assessments attributable to the Gavin-Harris Project Area in the estimated amount of \$2,656,821.52* are proposed to be levied over the area described in Exhibit "B".

Excluding any capitalized interest period, debt service assessments shall be paid in no more than thirty (30) annual principal installments.

* Preliminary, subject to change.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Kelly Park Community Development District, as follows:

Section 1. Authorization of Issuance of Series 2023 Bonds. There are hereby authorized and directed to be issued Kelly Park Community Development District Special Assessment Bonds, Series 2023 (Assessment Area One Project) (the "Series 2023 Bonds") in an aggregate principal amount not to exceed \$7,000,000, for the purposes of (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Assessment Area One Project, (ii) making a deposit to the Series 2023 Reserve Account in an amount equal to the Series 2023 Reserve Requirement and (iii) paying certain costs of issuance in respect of the Series 2023 Bonds. The Series 2023 Bonds shall be issued under and secured by the Indenture the form of which by reference is hereby incorporated by reference into this resolution as if set forth in full herein.

Section 2. Details of the Series 2023 Bonds. The District hereby determines that the Series 2023 Bonds shall mature in the amounts and at the times, shall bear interest at the rates, be redeemable at the redemption prices and in the manner as determined by the Chairperson of the Board of Supervisors of the District (the "Chairperson") or any member of the Board of Supervisors designated by the Chairperson (a "Designated Member"), prior to the sale of said Series 2023 Bonds, all in a manner consistent with the requirements of the Bond Resolution and within the parameters set forth in Section 5 hereof.

Section 3. First Supplemental Indenture. The District hereby approves and authorizes the execution of the First Supplemental Indenture by the Chairperson or any Designated Member and the Secretary or any Assistant Secretary of the Board of Supervisors (the "Secretary") and the delivery of the First Supplemental Indenture in substantially the form thereof attached

hereto as Exhibit A, with such changes therein as shall be approved by the Chairperson or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of First Supplemental Indenture attached hereto.

Section 4. Negotiated Sale. The Series 2023 Bonds shall be sold by a negotiated sale to the Underwriter. It is hereby determined by the District that a negotiated sale of the Series 2023 Bonds to the Underwriter will best effectuate the purposes of the Act, is in the best interests of the District and is necessitated by, in general, the characteristics of the issues and prevailing market conditions and specifically, the following additional reasons:

(i) because of the complexity of the financing structure of the Series 2023 Bonds, including the pledge of Special Assessments as security for the Series 2023 Bonds, it is desirable to sell the Series 2023 Bonds pursuant to a negotiated sale so as to have an underwriter involved from the outset of the financing to assist in these matters;

(ii) because of changing market conditions for tax-exempt bonds and the necessity of being able to adjust the terms of the Series 2023 Bonds, it is in the best interests of the District to sell the Series 2023 Bonds by a negotiated sale;

(iii) the Underwriter has participated in structuring the issuance of the Series 2023 Bonds and can assist the District in attempting to obtain the most attractive financing for the District;

(iv) the Series 2023 Bonds do not bear a credit rating and will be offered initially only to accredited investors within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder; and

(v) the District will not be adversely affected if the Series 2023 Bonds are not sold pursuant to a competitive sale.

Section 5. Bond Purchase Contract. The District hereby approves the form of the Bond Purchase Contract submitted by the Underwriter and attached hereto as Exhibit B, and the sale of the Series 2023 Bonds by the District upon the terms and conditions set forth in the Bond Purchase Contract is hereby approved. The Chairperson or a Designated Member are each hereby authorized, acting individually, to execute the Bond Purchase Contract and to deliver the Bond Purchase Contract to the Underwriter. The Bond Purchase Contract shall be in substantially the form of the Bond Purchase Contract attached hereto as Exhibit B with such changes, amendments, modifications, omissions and additions as may be approved by the Chairperson or the Designated Member; provided, however,

(i) If the Series 2023 Bonds are subject to optional redemption, which determination will be made on or before the sale date of the Series 2023 Bonds, the first optional call date and the redemption price shall be determined on or before the Bond Purchase Contract is executed;

(ii) The interest rate on the Series 2023 Bonds shall not exceed an average net interest cost rate, which shall be computed by adding 300 basis points to The Bond Buyer "20 Bond Index"

published immediately preceding the first day of the calendar month in which the bonds are sold, as provided in Section 215.84(3), Florida Statutes, as amended;

(iii) The aggregate principal amount of the Series 2023 Bonds shall not exceed \$7,000,000;

(iv) The Series 2023 Bonds shall have a final maturity not later than the maximum term allowed by Florida law, which is currently thirty (30) years of principal amortization; and

(v) The price at which the Series 2023 Bonds shall be sold to the Underwriter shall not be less than 98.0% of the aggregate face amount of the Series 2023 Bonds, exclusive of original issue discount.

Execution by the Chairperson or a Designated Member of the Bond Purchase Contract shall be deemed to be conclusive evidence of approval of such changes.

Section 6. Preliminary Limited Offering Memorandum; Final Limited Offering Memorandum. The District hereby approves the form of the Preliminary Limited Offering Memorandum submitted to this meeting and attached hereto as Exhibit C and authorizes its distribution and use in connection with the limited offering for sale of the Series 2023 Bonds. The preparation of a final Limited Offering Memorandum relating to the Series 2023 Bonds (the "Limited Offering Memorandum") is hereby approved and the Chairperson or any Designated Member is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the award of the Series 2023 Bonds and, upon such award, to deliver the same to the Underwriter for use by it in connection with the sale and distribution of the Series 2023 Bonds. The Limited Offering Memorandum shall be substantially in the form of the Preliminary Limited Offering Memorandum attached hereto as Exhibit C, with such changes as shall be approved by the Chairperson or Designated Member as necessary to conform the details of the Series 2023 Bonds and such other insertions, modifications and changes as may be approved by the Chairperson or Designated Member. The execution and delivery of the Limited Offering Memorandum by the Chairperson or Designated Member shall constitute evidence of the approval thereof. The District hereby authorizes the use of the Limited Offering Memorandum and the information contained therein in connection with the offering and sale of the Series 2023 Bonds. The Chairperson is further authorized to deem the Preliminary Limited Offering Memorandum "final" within the meaning of Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, in the form as mailed, and in furtherance thereof to execute the Rule 15c2-12 Certificate evidencing the same substantially in the forms attached hereto as Exhibit D.

Section 7. Continuing Disclosure. The District hereby authorizes and approves the execution and delivery of the Continuing Disclosure Agreement by and among the District, the Dissemination Agent and any landowner constituting an "Obligated Person" under the Continuing Disclosure Agreement, by the Chairperson or a Designated Member substantially in the form presented to this meeting and attached hereto as Exhibit E, with such changes therein as shall be approved by the Chairperson or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes

therein from the form of Continuing Disclosure Agreement attached hereto. The Continuing Disclosure Agreement is being executed by the District in order to assist the Underwriter in complying with Rule 15c2-12(b)(5) promulgated by the U.S. Securities and Exchange Commission.

Section 8. Application of Bond Proceeds. The proceeds of the Series 2023 Bonds shall be applied in the manner required in the First Supplemental Indenture.

Section 9. Further Official Action; Ratification of Prior and Subsequent Acts. The Chairperson, the Secretary and each member of the Board of Supervisors of the District and any other proper official of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments (including, without limitation, any documents required by the Trustee to evidence its rights and obligations with respect to the Series 2023 Bonds, any documents required in connection with implementation of a book-entry system of registration, and investment agreements relating to the investment of the proceeds of the Series 2023 Bonds and any agreements in connection with maintaining the exclusion of interest on the Series 2023 Bonds from gross income of the holders thereof) and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution. In the event that the Chairperson or the Secretary is unable to execute and deliver the documents herein contemplated, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the District. The Secretary or any Assistant Secretary is hereby authorized and directed to apply and attest the official seal of the District to any agreement or instrument authorized or approved herein that requires such a seal and attestation. The Chairperson or any Designated Member may, among other things, change the date of any document accompanying this Resolution as an exhibit. Execution by the Chairperson or a Designated Member of such document shall be deemed to be conclusive evidence of approval of such change of date. All of the acts and doings of such members of the Board, the officers of the District, and the agents and employees of the District, which are in conformity with the intent and purposes of this Resolution, whether heretofore or hereafter taken or done, shall be and are hereby ratified, confirmed and approved.

Section 10. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

Section 11. Inconsistent Proceedings. All resolutions or proceedings, or parts thereof, in conflict with the provisions hereof are to the extent of such conflict hereby repealed or amended to the extent of such inconsistency.

Section 12. Ratification of Prior Acts. All actions previously taken by or on behalf of the District in connection with the issuance of the Series 2023 Bonds are hereby authorized, ratified and confirmed.

After no funds remain therein the Series 2023 Costs of Issuance Account, such Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the "Series 2023 Revenue Account." Series 2023 Special Assessments (except for Prepayments of Series 2023 Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2023 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2023 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture. The Trustee may conclusively rely that unless expressly indicated in writing by the District as a Prepayment upon deposit thereof with the Trustee, payments of Series 2023 Special Assessments otherwise received by the Trustee are to be deposited into the Series 2023 Revenue Account.

(c) [RESERVED].

(d) Pursuant to Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Series 2023 Interest Account." Moneys deposited into the Series 2023 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this First Supplemental Trust Indenture, shall be applied for the purposes provided therein and used to pay interest on the Series 2023 Bonds.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate account within the Debt Service Fund designated as the "Series 2023 Sinking Fund Account." Moneys shall be deposited into the Series 2023 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture, and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Trust Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the "Series 2023 Reserve Account." Net proceeds of the Series 2023 Bonds shall be deposited into the Series 2023 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture, and such moneys, together with any other moneys deposited into the Series 2023 Reserve Account shall be applied for the purposes provided in the Master Indenture Section 4.01(a) and in this Section 4.01(f) and Section 4.05 of this First Supplemental Trust Indenture. Notwithstanding any provisions in the Master Indenture to the contrary, the Issuer covenants not to substitute the cash and Investment Securities on deposit in the Series 2023 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2023 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2023 Reserve Account resulting from investment earnings and transfer any excess therein above the Series 2023 Reserve Requirement to the Series 2023 Revenue Account in accordance with Section 4.02 hereof.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer receives notice from the District Manager that a landowner wishes to prepay its Series 2023 Special Assessments relating to the benefited property of such landowner, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer, to calculate the principal amount of such Prepayment taking into account a credit against the amount of Series 2023 Prepayment Principal due by the amount of money in the Series 2023 Reserve Account that will exceed the Series 2023 Reserve Requirement for the Series 2023 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective Series 2023 Landowner from the Series 2023 Reserve Account to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2023 Bonds in accordance with Section

3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Series 2023 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holder of the Series 2023 Bonds to the Series 2023 General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2023 Special Assessments and applied to redeem a portion of the Series 2023 Bonds is less than the principal amount of Series 2023 Bonds indebtedness attributable to such lands.

Notwithstanding the foregoing, upon satisfaction of the Reserve Release Conditions #1 and #2, the Trustee shall deposit such excess as directed by the District Manager in writing on deposit in the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Account and pay such amount as designated in a requisition in the form attached hereto as Exhibit C to the Issuer submitted by the respective Series 2023 Landowner within thirty (30) days of such transfer which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the respective Series 2023 Landowner can establish, to the satisfaction of the Consulting Engineer, Costs of the Assessment Area One Project that were not paid from moneys initially deposited in the Series 2023 Acquisition and Construction Account. In the event that there are no unreimbursed costs to pay to the respective Series 2023 Landowner, such excess moneys transferred from the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Account shall be deposited into the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account upon direction to the Trustee by the District. If no completed requisition as provided in this section is submitted to the Trustee within thirty (30) days of moneys having been transferred from the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Account as a result of the satisfaction of the Reserve Release Conditions #1 and #2, such excess moneys in the Series 2023 Acquisition and Construction Account shall then be transferred by the Trustee to the Series 2023 General Redemption Subaccount and applied to the redemption of Series 2023 Bonds as provided in Section 4.01(a) hereinabove.

In addition, and together with the moneys transferred from the Series 2023 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2023 General Redemption Subaccount, is not sufficient to redeem a principal amount of the Series 2023 Bonds in an Authorized Denomination, the Trustee is authorized upon the prior written direction of the Issuer to withdraw amounts from the Series 2023 Revenue Account to round up the amount in the Series 2023 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2023 Revenue Account shall be made to pay interest on and/or principal of the Series 2023 Bonds for the redemption pursuant to Section 3.01(b)(iii) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the "Series 2023 Bond Redemption Account" and within such Account, a "Series 2023 General Redemption Subaccount," a "Series 2023 Optional Redemption Subaccount," and a "Series 2023 Prepayment Subaccount." Except as otherwise provided in this First Supplemental Trust Indenture regarding Prepayments or in connection with the optional redemption of the Series 2023 Bonds,

moneys to be deposited into the Series 2023 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2023 General Redemption Subaccount.

(h) Moneys that are deposited into the Series 2023 General Redemption Subaccount (including all earnings on investments held therein) shall be used to call for the extraordinary mandatory redemption (i) in whole, pursuant to Section 3.01(b)(ii) hereof, the Outstanding amount of Series 2023 Bonds or (ii) in whole or in part pursuant to Section 3.01(b)(iii) and Section 4.01(a) hereof.

(i) Moneys in the Series 2023 Prepayment Subaccount (including all earnings on investments held in such Series 2023 Prepayment Subaccount) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2023 Bonds equal to the amount of money transferred to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof. In addition, and together with the moneys transferred from the Series 2023 Reserve Account pursuant to paragraph (f) above, if the amount on deposit in the Series 2023 Prepayment Subaccount is not sufficient to redeem a principal amount of the Series 2023 Bonds in an Authorized Denomination, the Trustee upon the prior written direction from the Issuer, shall be authorized to withdraw amounts from the Series 2023 Revenue Account to deposit to the Series 2023 Prepayment Subaccount to round-up the amount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2023 Revenue Account shall be directed by the Issuer to pay interest on and/or principal of the Series 2023 Bonds for the redemption pursuant to Section 3.01(b)(i) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(j) The Issuer hereby directs the Trustee to establish a separate account in the Rebate Fund designated as the "Series 2023 Rebate Account." Moneys shall be deposited into the Series 2023 Rebate Account, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Moneys on deposit in the Series 2023 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2023 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2023 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2023 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing [_____] 1, 20__], to the Series 2023 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2023 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2023 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing _____ 1, 20__, to the Series 2023 Sinking Fund Account, an amount equal to the principal amount of

Series 2023 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2023 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2023 Bonds remain Outstanding, to the Series 2023 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2023 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2023 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2023 Interest Account, the amount necessary to pay interest on the Series 2023 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2023 Costs of Issuance Account upon the written request of the Issuer to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2023 Bonds and next, any balance in the Series 2023 Revenue Account shall remain on deposit in such Series 2023 Revenue Account, unless needed for the purposes of rounding the principal amount of a Series 2023 Bond subject to extraordinary mandatory redemption pursuant to Section 4.01(i) hereof to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2023 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

Notwithstanding the foregoing, in the event of a redemption of Series 2023 Bonds from Prepayments on deposit in the Series 2023 Prepayment Subaccount, the Trustee is further authorized, upon written direction from the Issuer, to transfer from the Series 2023 Revenue Account to the Series 2023 General Redemption Subaccount sufficient funds to cause the redemption of the next closest Authorized Denomination of Series 2023 Bonds, as provided in Section 4.01(i) hereof.

SECTION 4.03. Power to Issue Series 2023 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2023 Bonds, to execute and deliver the Series 2023 Indenture and to pledge the Series 2023 Pledged Revenues for the benefit of the Series 2023 Bonds to the extent set forth herein. The Series 2023 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2023 Bonds, except as otherwise permitted under the Master Indenture and in Section 5.04 hereof. The Series 2023 Bonds and the provisions of the Series 2023 Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Series 2023 Indenture and all the rights of the Holders of the Series 2023 Bonds under the Series 2023 Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. Assessment Area One Project to Conform to Engineer's Report. Simultaneously with the issuance of the Series 2023 Bonds, the Issuer will promptly proceed to construct and/or acquire the Assessment Area One Project, as described in Exhibit A hereto and

in the Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreements.

SECTION 4.05. Prepayments; Removal of Series 2023 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2023 Special Assessments may, at its option, or as a result of acceleration of the Series 2023 Special Assessments because of non-payment thereof, shall, or by operation of law, require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2023 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2023 Special Assessment, which shall constitute Series 2023 Prepayment Principal, plus, except as provided below, accrued interest to the next succeeding Quarterly Redemption Date (or the first succeeding Quarterly Redemption Date that is at least forty-five (45) days after such Prepayment, if such Prepayment is made within forty-five (45) calendar days before the next succeeding Quarterly Redemption Date, as the case may be), attributable to the property subject to Series 2023 Special Assessments owned by such owner. To the extent that such Prepayments are to be used to redeem Series 2023 Bonds pursuant to Section 3.01(b)(i) hereof, in the event the amount on deposit in the Series 2023 Reserve Account will exceed the Series 2023 Reserve Requirement for the Series 2023 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting extraordinary mandatory redemption in accordance with Section 3.01(b)(i) of this First Supplemental Trust Indenture of Series 2023 Bonds, the excess amount shall be transferred from the Series 2023 Reserve Account to the Series 2023 Prepayment Subaccount, as a credit against the Series 2023 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the Issuer to the Trustee together with a certificate of a Responsible Officer of the Issuer, upon which the Trustee may conclusively rely, stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2023 Reserve Account to equal or exceed the Series 2023 Reserve Requirement.

(b) Upon receipt of Series 2023 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official improvement lien book of the District that the Series 2023 Special Assessment has been paid in whole or in part and that such Series 2023 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2023 Bonds pursuant to Section 3.01(b)(i) forty-five (45) days prior to each Quarterly Redemption Date.

ARTICLE V
COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2023 Special Assessments. The Series 2023 Special Assessments levied for each full year on platted lots shall be collected pursuant to the uniform method provided for in Sections 197.3632 and 197.3635 Florida Statutes, (the "Uniform Method") unless, after making reasonable efforts, and for a particular fiscal year, the District is unable to use the Uniform Method, the District will bill and collect directly. The Series 2023 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District for which the timing for using the Uniform Method will not yet allow for using such method pursuant to the Act and Chapters 170 and 197, Florida Statutes. Prior to an Event of Default, the election to collect and enforce Series 2023 Special Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the District from electing to collect and enforce Series 2023 Special Assessments pursuant to any other method permitted by law in any subsequent year. Following an Event of Default, Series 2023 Special Assessments levied on platted lots shall be collected pursuant to the Uniform Method and Series 2023 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless the Trustee, acting at the direction of the Majority Holder of the Series 2023 Bonds Outstanding, provides written consent/direction to a different method of collection. All Series 2023 Special Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Series 2023 Special Assessments shall not be deemed to be delinquent unless and until they are not paid by the applicable Interest Payment Date with respect to which they have been billed. The assessment methodology shall not be materially amended without the written consent of the Majority Holder.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer and the [Series 2023 Landowners have] executed and delivered a Continuing Disclosure Agreement in order to assist the Underwriter in complying with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Funds, Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Bonds. The District covenants not to issue any other Bonds or other debt obligations secured by the Series 2023 Special Assessments. In addition, the Issuer covenants not to issue any other Bonds or debt obligations for capital projects secured by Special Assessments on the assessable lands within the District that are subject to the Series 2023 Special Assessments, until the Series 2023 Special Assessments are Substantially Absorbed. The District shall present the Trustee with a certification that the Series 2023 Special Assessments are Substantially Absorbed and the Trustee may rely conclusively upon such certification and shall

have no duty to verify if the Series 2023 Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Series 2023 Special Assessments have not been Substantially Absorbed.

Notwithstanding any of the foregoing, the District shall not be precluded from imposing Special Assessments or non-ad valorem assessments on lands within the District for the health, safety, and welfare of the District's residents or for purposes of remediating any natural disaster, catastrophic damage, or failure that has occurred with respect to any capital project or any component thereof.

SECTION 5.05. Acknowledgement Regarding the Moneys in the Series 2023 Acquisition and Construction Account Following an Event of Default. In accordance with the provisions of the Series 2023 Indenture, the Series 2023 Bonds are payable solely from the Series 2023 Pledged Revenues and any other moneys held by the Trustee under the Series 2023 Indenture for such purpose. Anything in the Series 2023 Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that the Series 2023 Pledged Revenues include, without limitation, all amounts on deposit in the respective Series 2023 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and that upon the occurrence of an Event of Default with respect to the Series 2023 Bonds, (i) the Series 2023 Pledged Revenues may not be used by the Issuer (whether to pay costs of the Assessment Area One Project or otherwise) without the consent of the Majority Holder and (ii) the Series 2023 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holder, to pay costs and expenses incurred in connection with the pursuit of remedies under the Series 2023 Indenture, provided, however notwithstanding anything herein to the contrary the Trustee is also authorized to utilize the Series 2023 Pledged Revenues to pay fees and expenses as provided in Section 10.12 of the Master Indenture.

It is expressly agreed by the Registered Owner of this Bond that such Registered Owner shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer, the City, the County, the State or any other political subdivision thereof, or taxation in any form of any real or personal property of the Issuer, the City, the County, the State or any other political subdivision thereof, for the payment of the principal of, premium, if any, and interest on this Bond or the making of any other sinking fund and other payments provided for in the Series 2023 Indenture, except for Series 2023 Special Assessments to be assessed and levied by the Issuer as set forth in the Series 2023 Indenture.

By the acceptance of this Bond, the Registered Owner hereof assents to all the provisions of the Series 2023 Indenture.

This Bond is payable from and secured by Series 2023 Pledged Revenues, as such term is defined in the Series 2023 Indenture, all in the manner provided in the Series 2023 Indenture. The Series 2023 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the Redemption Price of the Series 2023 Bonds shall be made on the dates specified below. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2023 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

The Series 2023 Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of August 1, 2023 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of August 1, 2023 (the "First Supplemental Indenture" and, together

with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), and by Resolution Nos. 2022-26 and 2023-[] adopted by the Board of Supervisors of the District (the "Board") on July 6, 2022 and [July 25], 2023, respectively (collectively, the "Bond Resolution").

Prior to the time of Closing, the Series 2023 Special Assessments, comprising the Series 2023 Pledged Revenues for the Series 2023 Bonds, will have been levied by the District on those lands within the District specially benefited by the Assessment Area One Project pursuant to the Assessment Resolutions (as such terms are defined in the First Supplemental Indenture).

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District's obligation to sell and to deliver the Series 2023 Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Series 2023 Bonds, that the entire principal amount of the Series 2023 Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2023 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in a form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or the initial offering price to the public of the Series 2023 Bonds.

(b) Except as otherwise indicated in Exhibit B, the District will treat the first price at which 10% of the Series 2023 Bonds (the "10% test") is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price at which the Underwriter has sold to the public the Series 2023 Bonds. If at that time the 10% test has not been satisfied as to such maturity, the Underwriter agrees to promptly report to the District the price at which the Series 2023 Bonds of that maturity have been sold by the Underwriter to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Series 2023 Bonds of that maturity or until all Series 2023 Bonds of that maturity have been sold to the public provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the District or bond counsel.

(c) The Underwriter confirms that it has offered the Series 2023 Bonds to accredited investors constituting the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturity of the Series 2023 Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to the Series 2023 Bonds, the Underwriter will neither offer nor sell unsold Series 2023 Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2023 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the District promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Series 2023 Bonds to the public at a price that is no higher than the initial offering price to the public.

(d) The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Series 2023 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (i) to report the prices at which it sells to the public the unsold Series 2023 Bonds allocated to it, whether or not the Closing Date has occurred, until either all Series 2023 Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Series 2023 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Series 2023 Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Series 2023 Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Series 2023 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Series 2023 Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Series 2023 Bonds allocated to it, whether or not the Closing Date has occurred, until either all Series 2023 Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Series 2023 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The District acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Series 2023 Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Series 2023 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2023 Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Series 2023 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Series 2023 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2023 Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Series 2023 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2023 Bonds.

(f) The Underwriter acknowledges that sales of any Series 2023 Bond to any person that is a related party to an Underwriter participating in the initial sale of the Series 2023 Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the Underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2023 Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2023 Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Series 2023 Bonds to the public),

(iii) a purchaser of any of the Series 2023 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Purchase Contract by all parties.

4. Use of Documents. Prior to the date hereof, the District has caused to be prepared and has provided to the Underwriter a Preliminary Limited Offering Memorandum dated [____], 2023 (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the

Series 2023 Bonds, being herein collectively called the "Preliminary Limited Offering Memorandum") of the District related to the Series 2023 Bonds that the District has deemed final as of its date, except for certain permitted omissions (the "Permitted Omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12" or the "Rule") in connection with the limited offering of the Series 2023 Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Preliminary Limited Offering Memorandum to be circulated and used by the Underwriter in connection with the limited offering of the Series 2023 Bonds. The District shall deliver or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than three (3) days prior to the Closing Date (as defined below) and in sufficient time to allow the Underwriter to comply with all requirements of the Rule and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the "MSRB"), a final Limited Offering Memorandum dated [____], 2023 (such Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Series 2023 Bonds being herein collectively called the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, the "Limited Offering Memoranda"). The District hereby authorizes the use of the Limited Offering Memorandum by the Underwriter.

regulation or instrument, except as provided by the Assessment Resolutions, the Series 2023 Bonds and the Indenture. The end of the Underwriting Period shall be the next business day after the Closing Date;

(m) Since its inception, there has been no material adverse change in the properties, businesses, results of operations, prospects, management or financial or other condition of the District, except as disclosed in the Preliminary Limited Offering Memorandum, and the District has not incurred liabilities that would materially adversely affect its ability to discharge its obligations under the Bond Resolution, the Assessment Resolutions (assuming all have been adopted prior to the Closing Date), the Series 2023 Bonds, the Financing Documents or the Ancillary Agreements to which it is a party, direct or contingent, other than as set forth in or contemplated by the Limited Offering Memoranda;

(n) The District is not now in default and has not been in default at any time after December 31, 1975 in the payment of the principal of or the interest on any governmental security issued or guaranteed by it which would require the disclosure pursuant to Section 517.051, Florida Statutes or Rule 69W-400.003 of the Florida Department of Financial Services;

(o) Except as disclosed in the Preliminary Limited Offering Memorandum, the District has never failed to comply in any material respect with any continuing disclosure obligations previously undertaken by the District in accordance with the continuing disclosure requirements of the Rule;

(p) Any certificate signed by any official of the District and delivered to the Underwriter will be deemed to be a representation by the District to the Underwriter as to the statements made therein; and

(q) From the date of this Purchase Contract through the Closing Date, the District will not issue any bonds (other than the Series 2023 Bonds), notes or other obligations payable from the Series 2023 Pledged Revenues for the Series 2023 Bonds.

Notwithstanding the foregoing, no attorney-client relationship has existed or exists between the undersigned and the Underwriter or Trustee in connection with the Bonds by virtue of this opinion. This opinion may not be relied on by any other party or for any other purpose without our prior written consent. That said, this opinion may be relied upon by Greenberg Traurig, P.A., serving as bond counsel to the District, for the limited purposes of the following opinions: (1) that under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government, and (2) that each member of the Board has taken and subscribed to the oath of affirmation required by the laws of the State of Florida.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, *Florida Statutes* ("**Act**"), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Bonds and the Bond Agreements; (b) to issue the Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Pledged Revenues to secure the Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to levy and impose the Debt Assessments, as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Documents** – The Bond Resolution and Assessment Resolution have been duly and validly adopted and executed by the District, are in full force and effect, and constitute legal, valid and binding actions of the District. The Bonds, Indenture, and Bond Agreements (assuming due authorization, execution and delivery of the foregoing documents by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, are in full force and effect, and constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Bonds have been fulfilled.

4. **Validation** – The Bonds have been validated by a final judgment of the Circuit Court in and for Orange County, Florida, of which no timely appeal was filed.

5. **Governmental Approvals** –As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Bonds upon the terms set forth in the BPA and the LOM; (c) the execution and delivery

of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. ***PLOM and LOM*** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and the date of the BPA, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Prepayment of Series 2023 Special Assessments," "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaption "District Manager and Other Consultants"), "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" (excluding the last paragraph of that section addressing, among other things, administrative and operation costs), "THE DEVELOPMENT – Developers Agreements" (solely as to the description of the agreements), "AGREEMENT BY THE STATE," "LEGALITY FOR INVESTMENT," "LITIGATION – The District," "CONTINUING DISCLOSURE" (as it relates to the District only), "VALIDATION," and "AUTHORIZATION AND APPROVAL," and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. ***Litigation*** –Based on this firm serving as the District's Registered Agent for service of process and the fact that we have not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Series 2023 Pledged Revenues pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the authority for the Debt Assessments, the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake the Project*** - The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the Project, subject to obtaining such

licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

In rendering the foregoing opinions, we have assumed the following: (1) that all public records, certifications, agreements and other documents examined by us that have been executed or certified by public officials acting within the scope of their official capacities are authentic, truthful and accurate; (2) that copies of such public records, certifications, agreements, and other documents furnished to us are authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; (4) that all public records, certifications, agreements and other documents have been properly authorized and are binding on each of the other parties thereto; and (5) the continued application of the legislative determinations of the District's Board of Supervisors. Such assumptions do not apply to District documents.

E. CERTAIN QUALIFICATIONS

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the Bonds. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.
2. Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws, relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.
3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.
4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code.
5. We express no opinion and make no representations with regard to financial, statistical or other similar information. We express no opinion as to compliance with any state or federal tax laws.
6. Except as set forth in Section C.9., we express no opinion and make no representations as to the Project, including but not limited to the costs, estimates, projections, status, technical provisions or anything else related to the Project.
7. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to the Developers' ownership interests in any property within the District, and whether the Developers and/or any other landowner owns any of the real property subject to the recordable Bond Documents and Declaration of Consent.

8. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase "to our knowledge," the words "to our knowledge" signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of District.
9. The opinions set forth herein are based on factual representations made to us as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of a particular result, and are not binding on the courts or any other entity; rather, our opinions represent our professional judgment based on our review of existing law, and in reliance on the representations and covenants that we deem relevant to such opinions.

Very truly yours,

We have relied upon, and assumed the accuracy of, the representations and warranties contained in the Documents, Resolution, and the Certificate with respect to the factual matters set forth therein. However, no opinion is rendered hereunder as to the accuracy of the representations and warranties contained in the Documents or in the Certificate. Further, the factual matters set forth in the Certificate have been provided to us solely for our benefit in issuing this opinion, and no party, other than this firm, is entitled to rely upon them.

We have assumed that certificates of public officials dated earlier than the date of this opinion letter remain accurate from such earlier dates through and including the date of this opinion letter.

In rendering the opinions set forth herein, we have relied, without investigation, on each of the following assumptions: (a) the legal capacity of each natural person to take all actions required of each such person in connection with the Bonds; (b) the legal existence of each party to the Bonds, other than the Developers; (c) the power of each party to the Bonds, other than the Developers, to execute, deliver and perform all Documents executed and delivered by such party and to do each other act done or to be done by such party; (d) the authorization, execution and delivery by each party to the Bonds, other than the Developers, of each Document executed and delivered or to be executed and delivered by such party; (e) the validity, binding effect and enforceability as to each party, other than the Developers, of each of the Documents executed and delivered by such party or to be executed and delivered and of each other act done or to be done by such party; (f) there have been no undisclosed modifications of any provision of any document reviewed by us in connection with the rendering of this opinion letter and no undisclosed prior waiver of any right or remedy contained in any of the Documents; (g) the genuineness of each signature, the completeness of each document submitted to us, the authenticity of each document reviewed by us as an original, the conformity

to the original of each document reviewed by us as a copy and the authenticity of the original of each document received by us as a copy; (h) the truthfulness of each statement as to all factual matters otherwise not known to us to be untruthful or unreliable contained in any document encompassed within the diligence review undertaken by us; (i) each certificate or other document issued by a public authority is accurate, complete and authentic as of the date of the opinion letter, and all official public records (including their proper indexing and filing) are accurate and complete; (j) each recipient of the opinion letter has acted in good faith, without notice of any defense against enforcement of rights created by, or adverse claim to any property or security interest transferred or created as part of, the Bonds, and has complied with all laws applicable to it that affect the Bonds; (k) the Bonds and the conduct of the parties to the Bonds comply with any requirement of good faith, fair dealing and conscionability; (l) routine procedural matters such as service of process or qualification to do business in the relevant jurisdiction(s) will be satisfied by the parties seeking to enforce the Documents; (m) agreements (other than the Documents as to which opinions are being given) and judgments, decrees and orders reviewed in connection with rendering the opinions will be enforced as written; (n) no discretionary action (including a decision not to act) that is permitted in the Documents will be taken by or on behalf of the Developers in the future that might result in a violation of law or constitute a breach of or default under any of the Developers's other agreements or under any applicable court order; (o) there are no agreements or understandings among the parties, written or oral, and there is no usage of trade or course of prior dealing among the parties that would, in either case, define, supplement, modify or qualify the terms of the Documents or the rights of the parties thereunder; (p) the payment of all required documentary stamp taxes, intangible taxes and other taxes and fees imposed upon the execution, filing or recording of documents; and (q) with respect to the Bonds and the Documents, including the inducement of the parties to enter into and perform their respective obligations thereunder, there has been no mutual mistake of fact or undue influence and there exists no fraud or duress.

When used in this opinion letter, the phrases "to our knowledge," "known to us" or the like means the conscious awareness of the lawyers in the "primary lawyer group" of factual matters such lawyers recognize as being relevant to the opinion or confirmation so qualified. Such phrases do not imply that we have undertaken any independent investigation within our firm, with the Developers or with any third party to determine the existence or absence of any facts or circumstances, and no inference should be drawn merely from our past or current representation of the Developers. Where any opinion or confirmation is qualified by the phrase "to our knowledge," "known to us" or the like, it means that the lawyers in the "primary lawyer group" are without any actual knowledge or conscious awareness that the opinion or confirmation is untrue in any respect material to the opinion or confirmation. For purposes of this opinion letter, "primary lawyer group" means: (i) the lawyers currently in the firm who are actively involved in preparing or negotiating this opinion letter; (ii) the lawyers currently in the firm who are actively involved in negotiating or documenting the Bonds or the Documents; and (iii) the lawyers currently in the firm who are actively involved in handling litigation or administrative actions for the Developers.

Based upon and subject to the foregoing, and subject to the assumptions, limitations and qualifications contained herein, we are of the opinion that:

[break out following for each entity]

(a) [Each of the Developers are corporations organized under _____ law], and in good standing in the State of Florida.

(b) Each of the Developers have the corporate power to conduct its business and to undertake the development of the lands in the Development as described in the Limited Offering Memoranda, to execute and deliver the Documents to which they are a party, and to perform their respective obligations thereunder.

- (c) Each of the Developers have authorized the execution, delivery and performance of the Documents to which they are a party by all necessary corporate action.
- (d) Each of the Documents to which each of the Developers are a party have been duly executed and delivered by the Developers and are in full force and effect.
- (e) The Documents to which the Developers are a party are valid and binding obligations of the Developers, enforceable against the Developers in accordance with their terms.
- (f) Nothing known to us would lead us to believe the information contained in the Limited Offering Memoranda under the captions "THE DEVELOPMENT" and "THE DEVELOPERS" does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the respective dates of the Limited Offering Memoranda or as of the date hereof.
- (g) The execution, delivery and performance of the Documents by the Developers do not violate: (i) the articles of any of the Developers; (ii) any Applicable Laws (as defined herein); (iii) any agreement or instrument known to us to which any of the Developers are a party or by which any of their assets are or may be bound; or (iv) any judgment, decree or order of any administrative tribunal known to us, which judgment, decree, or order is binding on any of the Developers or their assets.
- (h) Nothing known to us would lead us to believe that any of the Developers are not in compliance in all material respects with all provisions of applicable law in all material matters relating to such entity as described in the Limited Offering Memoranda. Except as otherwise described in the Limited Offering Memoranda: (i) we have no knowledge that any of the Developers have not received all government permits, consents and licenses required in connection with the construction and completion of the development of the Development, as described in the Limited Offering Memoranda; (ii) we have no knowledge of any default of any zoning condition, land use permit or development agreement which would adversely affect any of the Developers' ability to complete development of the Development, as described in the Limited Offering Memoranda and all appendices thereto; and (iii) we have no knowledge and are not otherwise aware of any reason to believe that any permits, consents or licenses required to complete the development of the Development, as described in the Limited Offering Memoranda, will not be obtained in due course as required by any of the Developers.
- (i) The levy of the Series 2023 Special Assessments on the applicable lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument known to us to which any of the Developers is a party or to which any of the Developers or any of their property or assets is subject.
- (j) To our knowledge, there is no litigation pending or threatened which would prevent or prohibit the development of the Development, in accordance with the description thereof in the Limited Offering Memoranda and the Engineer's Report annexed thereto or which may result in any material adverse change in the business, properties, assets or financial condition of any of the Developers.
- (k) To our knowledge, none of the Developers have made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To our knowledge, none of the Developers have indicated their consent to, or approval of, or failed to object timely to, any petition

in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

(l) None of the Developers are in default under any mortgage, trust indenture, lease or other instrument known to us to which it or any of their assets are subject, which default would have a material adverse effect on the Bonds or the development of the Development.

We do not express any opinion as to the laws of any jurisdiction other than the State of Florida and the United States. When used in this opinion letter, the term "Applicable Laws" means the Florida laws, rules and regulations that a Florida counsel exercising customary professional diligence would reasonably be expected to recognize as being applicable to the Developers, the Documents or the Bonds, but excluding the laws, rules and regulations set forth in the following paragraph. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws, as to which no opinion is expressed.

The following federal and Florida laws, rules and regulations are expressly excluded from the scope of this opinion letter: (a) securities laws, rules and regulations (other than as set forth in opinion (f) above); (b) laws, rules and regulations regulating banks and other financial institutions, insurance companies and investment companies; (c) pension and employee benefit laws, rules and regulations; (d) labor laws, rules and regulations, including laws on occupational safety and health; (e) antitrust and unfair competition laws, rules and regulations; (f) laws, rules and regulations concerning compliance with fiduciary requirements; (g) laws, rules and regulations concerning the creation, attachment, perfection or priority of any lien or security interest, except to the extent expressly set forth in this opinion letter; (h) laws, rules and regulations relating to taxation, except to the extent expressly set forth in this opinion letter; (i) bankruptcy, fraudulent conveyance, fraudulent transfer and other insolvency laws; (j) environmental laws, rules and regulations; (k) laws, rules and regulations relating to patents, copyrights, trademarks, trade secrets and other intellectual property; (l) local laws, administrative decisions, ordinances, rules or regulations, including any zoning, planning, building, occupancy or other similar approval or permit or any other ordinance or regulation of any county, municipality, township or other political subdivision of the State of Florida; (m) criminal and state forfeiture laws and any racketeering laws, rules and regulations; (n) other statutes of general application to the extent that they provide for criminal prosecution; (o) laws relating to terrorism or money laundering; (p) laws, regulations and policies concerning national and local emergency and possible judicial deference to acts of sovereign states; (q) filing or consent requirements under any of the foregoing excluded laws; and (r) judicial and administrative decisions to the extent they deal with any of the foregoing excluded laws.

We did not physically witness the execution and delivery of the Documents, and our opinions herein regarding the execution and delivery of the Documents by the Developers are based, in part, on our review of copies of executed signature pages for such Documents provided to us (electronically or otherwise).

The opinions set forth herein are limited by: (i) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and transfer, and similar law affecting the rights and remedies of creditors generally (the "Bankruptcy Exception"); and (ii) general principles of equity, regardless of whether such enforceability is considered in a proceeding at law or in equity (the "Equitable Principles Limitation"). In addition, certain remedies, waivers and other provisions of the Documents might not be enforceable; nevertheless, subject to the Bankruptcy Exception and the Equitable Principles Limitation, such unenforceability will not render the Documents invalid as a whole.

No opinion is expressed herein with respect to any provision of the Documents that: (a) purports to excuse a party from liability for the party's own acts; (b) purports to make void any act done in contravention thereof; (c) purports to authorize a party to act in the party's sole discretion or purports to provide that

determination by a party is conclusive; (d) requires waivers or amendments to be made only in writing; (e) purports to effect waivers of: (i) constitutional, statutory or equitable rights; (ii) the effect of any applicable statutes, rules, regulations, or judicial or administrative decisions; (iii) any statute of limitations; (iv) broadly or vaguely stated rights; (v) unknown future defenses; or (vi) rights to damages; (f) imposes or permits: (i) liquidated damages; (ii) the appointment of a receiver; (iii) penalties; (iv) indemnification for gross negligence, willful misconduct or other wrongdoing; (v) confessions of judgment; or (vi) rights of self-help or forfeiture; (g) purports to limit or alter laws requiring mitigation of damages; (h) concerns choice of forum, consent or submission to the personal or subject matter jurisdiction of courts, venue of actions, means of service of process, waivers of rights to jury trials, and agreements regarding arbitration; (i) purports to reconstitute the terms thereof as necessary to avoid a claim or defense of usury; (j) purports to require a party thereto to pay or reimburse attorneys' fees incurred by another party, or to indemnify another party therefor, which provisions may be limited by applicable statutes and decisions relating to the collection and award of attorneys' fees; (k) relates to the evidentiary standards or other standards by which the Documents are to be construed, including, but not limited to, provisions that attempt to change or waive rules of evidence or fix the method or quantum of proof to be applied in litigation or similar proceedings; (l) prohibits or unreasonably restricts: (i) competition; (ii) the solicitation or acceptance of customers, business relationships or employees; (iii) the use or disclosure of information; or (iv) activities in restraint of trade; (m) enumerates that remedies are not exclusive or that a party has the right to pursue multiple remedies without regard to other remedies elected or that all remedies are cumulative; (n) constitutes severability provisions; (o) permits the exercise, under certain circumstances, of rights without notice or without providing opportunity to cure failures to perform; (p) purports to create rights to setoff otherwise than in accordance with applicable law; (q) contains a blanket prohibition on assignments or a specific prohibition on assignment of payments due or to come due; or (r) purports to entitle any party to specific performance of any provision thereof.

This opinion letter is furnished to you solely for your benefit in connection with the Bonds and may not be relied upon by any other party without our prior written consent in each instance. Further, copies of this opinion letter may not be furnished to any other party, nor may any portion of this opinion letter be quoted, circulated or referred to in any other document without our prior written consent in each instance (except with respect to the Issuer's Counsel opinion).

This opinion letter speaks only as of the date hereof. We assume no obligation to update or supplement this opinion letter if any applicable laws change after the date of this opinion letter or if we become aware after the date of this opinion letter of any facts or other developments, whether existing before or first arising after the date hereof, that might change the opinions expressed above.

THE SERIES 2023 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERINGS OF THE SERIES 2023 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2023 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2023 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and Ordinance No. 2924 enacted by the City Council of the City of Apopka, Florida (the "City") on April 6, 2022, effective May 18, 2022. The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately [213.409][189.339] gross acres of land (the "District Lands") within the City. The District is located south of Ondich Road, east of Round Lake Road, north of West Kelly Park Road, and west of Effie Drive. The District Lands are planned for a 765-unit single-family residential community (as described more herein, the "Development"). See "THE DEVELOPMENT" herein.

See "THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA ONE PROJECT" herein for more information. The Series 2023 Bonds will be secured by the Series 2023 Special Assessments, which will initially be levied on the approximately [_____] gross acres of land within Assessment Area One of the

District. As platting of the District Lands in Assessment Area One occurs, the Series 2023 Special Assessments will be assigned to the platted lots within Assessment Area One of the District on a first-platted, first-assigned basis. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS" and "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

[DFC Kelly Park, LLC, a Florida limited liability company (the "Phase 1A Developer") and Galvin-Harris Land Services, LLC, a Florida limited liability company (the "Phase 1B Developer" and together with the Phase 1A Developer, the "Developers")] own [all] of the assessable land within Assessment Area One and will serve as land developers and homebuilders for the Development. See "THE DEVELOPERS" herein for more information.

The Series 2023 Bonds are being issued by the District pursuant to the Act, Resolution Nos. 2022-26 and 2023-[] adopted by the Board of Supervisors of the District (the "Board") on July 6, 2022 and [], 2023, respectively (collectively, the "Bond Resolution"), and a Master Trust Indenture dated as of [August] 1, 2023 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of [August] 1, 2023 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX A: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" herein.

The Series 2023 Bonds are being issued for the purposes of: (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Assessment Area One Project, (ii) funding a deposit to the Series 2023 Reserve Account in the amount of the Series 2023 Reserve Requirement (each as defined herein), (iii) paying a portion of the interest coming due on the Series 2023 Bonds, and (iv) paying the costs of issuance of the Series 2023 Bonds. See "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2023 Bonds will be secured by a pledge of the Series 2023 Pledged Revenues (as defined herein), which consist primarily of the revenues received by the District from the Series 2023 Special Assessments (as defined herein) levied and collected on the assessable lands within the District. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS" herein.

There follows in this Limited Offering Memorandum a brief description of the District, Assessment Area One, the Developers, the Development and the Assessment Area One Project and summaries of the terms of the Series 2023 Bonds, the Indenture and certain provisions of the Act. Interest on the Series 2023 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. Interest on the Series 2023 Bonds shall be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a May 1 or November 1 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to November 1, 2023, in which case from the date of initial delivery or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. U.S. Bank Trust Company, National Association is the initial Trustee, Paying Agent and Registrar for the Series 2023 Bonds.

The Series 2023 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof provided, except as otherwise provided in the Indenture. The Series 2023 Bonds will initially be offered only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder; provided, however, the limitation of the initial offering to accredited investors does not denote restrictions on transfer in any secondary market for the Series 2023 Bonds. See "SUITABILITY FOR INVESTMENT" herein.

Upon initial issuance, the Series 2023 Bonds shall be issued as one fully registered bond for each maturity of Series 2023 Bonds and deposited with The Depository Trust Company ("DTC"), New York, New York, which is responsible for establishing and maintaining records of ownership for its participants. As long as the Series 2023 Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes of the Indenture. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("DTC Participants") and other institutions that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly ("Indirect Participants"). The DTC Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2023 Bonds ("Beneficial Owners"). Principal and interest on the Series 2023 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC, the Trustee or the District. During the period for which Cede & Co. is registered owner of the Series 2023 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to DTC Participants and DTC Participants shall be responsible for notices to Indirect Participants, and DTC Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. In the event DTC, any successor of DTC or the District, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system for the Series 2023 Bonds, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor, and after such time the Series 2023 Bonds may be exchanged for an equal aggregate principal amount of such Series 2023 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee. See "– Book-Entry Only System" herein.

Redemption Provisions

Optional Redemption

The Series 2023 Bonds maturing after May 1, 20__ may, at the option of the District be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20__ (less than all Series 2023 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2023 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Series 2023 Optional Redemption Subaccount of the Series 2023 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2023 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2023 Bonds is substantially level.

Mandatory Sinking Fund Redemption

The Series 2023 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2023 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a Redemption Price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption of Series 2023 Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2023 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2023 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2023 Bonds in any year. In the event of a redemption or purchase occurring less than 45 days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption

The Series 2023 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2023 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2023 Prepayment Principal deposited into the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account following the payment in whole or in part of Series 2023 Special Assessments on any assessable property within Assessment Area One of the District in accordance with the provisions of the First Supplemental Indenture, together with any excess moneys transferred by the Trustee from the Series 2023 Reserve Account to the Series 2023 Prepayment Subaccount as a result of such Prepayment and pursuant to the First Supplemental Indenture. If such redemption shall be in part, the District shall select such principal amount of Series 2023 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2023 Bonds is substantially level;

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts held by the Trustee within the First Supplemental Indenture (other than the Series 2023 Rebate Fund and the Series 2023 Acquisition and Construction Accounts) sufficient to pay and redeem all Outstanding Series 2023 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture; and

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2023 Acquisition and Construction Accounts in accordance with the provisions of the First Supplemental Indenture, not otherwise reserved to complete the Assessment Area One Project and transferred to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account, together with moneys deposited therein in accordance with the provisions of the First Supplemental Indenture, as a result of the reduction of the Series 2023 Reserve Requirement. If such redemption shall be in part, the District shall

select such principal amount of Series 2023 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2023 Bonds is substantially level.

Notice of Redemption

When required to redeem or purchase Series 2023 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be provided by Electric Means or mailed at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2023 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2023 Bonds for which notice was duly mailed in accordance with the Indenture. If, at the time of mailing of notice of an optional redemption, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all of the Series 2023 Bonds called for redemption, such notice shall expressly state that the redemption is conditional and is subject to the deposit of the redemption moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption date or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

Book-Entry Only System

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Series 2023 Bonds. The Series 2023 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2023 Bond certificate will be issued for each maturity of the Series 2023 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules

applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2023 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2023 Bonds on DTC's records. The ownership interest of each actual purchaser of the Series 2023 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2023 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2023 Bonds, except in the event that use of the book-entry system for the Series 2023 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2023 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2023 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2023 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2023 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2023 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2023 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2023 Bond documents. For example, Beneficial Owners of Series 2023 Bonds may wish to ascertain that the nominee holding the Series 2023 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2023 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2023 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2023 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2023 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions*, and interest payments on the Series 2023 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail

* Not applicable to the Series 2023 Bonds.

information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2023 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2023 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2023 Bond certificates will be printed and delivered to DTC.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS

General

THE SERIES 2023 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2023 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE, AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, ORANGE COUNTY, FLORIDA (THE "COUNTY"), THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2023 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION SERIES 2023 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2023 BONDS. THE SERIES 2023 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2023 Bonds are payable from and secured solely by the Series 2023 Pledged Revenues. The Series 2023 Pledged Revenues consist of (a) all revenues received by the District from the Series 2023 Special Assessments levied and collected on the assessable lands within Assessment Area One, [including], without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2023 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2023 Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Indenture, created and established with respect to or for the benefit of the Series 2023 Bonds; provided, however, that the Series 2023 Pledged Revenues shall not include (A) any moneys transferred to the Series 2023 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2023 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses of (A), (B) and (C) of this proviso). "Series 2023 Special Assessments" shall mean the

Special Assessments levied on the assessable lands within Assessment Area One of the District as a result of the District's acquisition and/or construction of the Assessment Area One Project, corresponding in amount to the debt service on the Series 2023 Bonds and designated as such in the methodology report relating thereto. The Assessment Methodology (as hereinafter defined), which describes the methodology for allocating the Series 2023 Special Assessments to the assessable lands within Assessment Area One of the District, is included as APPENDIX D attached hereto.

In the Master Indenture, the District will covenant that, if any Series 2023 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2023 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2023 Special Assessment when it might have done so, the District shall either (i) take all necessary steps to cause a new Series 2023 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement or (ii) in its sole discretion, make up the amount of such Series 2023 Special Assessment from any legally available moneys, which shall be deposited into the Series 2023 Revenue Account. In the case such second Series 2023 Special Assessment shall be annulled, the District shall obtain and make other Series 2023 Special Assessments until a valid Series 2023 Special Assessment shall be made.

Prepayment of Series 2023 Special Assessments

[The Assessment Proceedings provide that an owner of property subject to the Series 2023 Special Assessments may prepay the entire remaining balance of such Series 2023 Special Assessments at any time, or a portion of the remaining balance of such Series 2023 Special Assessment up to two times, if there is also paid, in addition to the prepaid principal balance of the Series 2023 Special Assessment, an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding interest payment date for the Series 2023 Bonds or, if prepaid during the forty-five (45) day period preceding such interest payment date, to the interest payment date following such next succeeding interest payment date. Prepayment of the Series 2023 Special Assessments does not entitle the property owner to any discounts for early payment.]

Pursuant to the Act and the Assessment Proceedings, an owner of property subject to the levy of Series 2023 Special Assessments may pay the entire balance of the Series 2023 Special Assessments remaining due, without interest, within thirty (30) days after the Assessment Area One Project has been completed, and the Board has adopted a resolution accepting the Assessment Area One Project pursuant to Chapter 170.09, Florida Statutes. [The Developers, as the sole owners of the assessable property within Assessment Area One of the District, will waive this right on behalf of themselves and their respective successors and assigns in connection with the issuance of the Series 2023 Bonds.] See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

The Series 2023 Bonds are subject to extraordinary mandatory redemption as indicated under "DESCRIPTION OF THE SERIES 2023 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional and required prepayments of Series 2023 Special Assessments by property owners.

Additional Bonds

Pursuant to the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2023 Special Assessments. In addition, the District will covenant not to issue any other Bonds or debt obligations for capital projects secured by Special Assessments on the assessable lands within the District that are subject to the Series 2023 Special Assessments, until the Series

2023 Special Assessments are Substantially Absorbed. "Substantially Absorbed" means the date at least [75%] of the principal portion of the Series 2023 Special Assessments has been assigned to residential units within Assessment Area One that have received certificates of occupancy. The District shall present the Trustee with a certification that the Series 2023 Special Assessments are Substantially Absorbed and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Series 2023 Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Series 2023 Special Assessments have not been Substantially Absorbed. Notwithstanding any of the foregoing, the District shall not be precluded from imposing Special Assessments or non-ad valorem assessments on lands within the District for the health, safety, and welfare of the District's residents or for purposes of remediating any natural disaster, catastrophic damage, or failure that has occurred with respect to any capital project or any component thereof.

The District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2023 Special Assessments without the consent of the Owners of the Series 2023 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2023 Special Assessments on the same lands upon which the Series 2023 Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising the Projects that are to be conveyed by the District to the City, the County, the State Department of Transportation or another governmental entity, as to which no assessments of the District will be imposed and (b) except as otherwise permitted in the Master Indenture, it will not sell, lease or otherwise dispose of or encumber any Projects or any part thereof. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" herein.

Acquisition and Construction Account

The Indenture establishes two separate accounts within the Acquisition and Construction Fund designated as the "Phase 1A Acquisition and Construction Account" and the "Phase 1B Acquisition and Construction Account." Net proceeds of the Series 2023 Bonds shall initially be deposited into the Phase 1A Acquisition and Construction Account in the amounts set forth in the First Supplemental Indenture, together with any moneys subsequently transferred or deposited thereto, including moneys transferred from the Series 2023 Reserve Account after satisfaction of either the Reserve Release Conditions #1 or Reserve Release Conditions #2 (each as defined under the heading "Series 2023 Reserve Account" herein) as certified in writing by the District Manager and upon which the Trustee may conclusively rely, and such moneys shall be applied as set forth in the Indenture, the Acquisition Agreements and the Engineer's Report. Funds on deposit in the Phase 1A Acquisition and Construction Account and the Phase 1B Acquisition and Construction Account shall only be requested by the District to be applied to the Costs Phase 1A and/or Phase 1B, respectively, of the Assessment Area One Project, subject to the provisions of the First Supplemental Indenture. Upon satisfaction of the Reserve Release Conditions #1 and Reserve Release Conditions #2, the amount on deposit in the Series 2023 Reserve Account in excess of the Series 2023 Reserve Requirement, as applicable and as calculated by the District, which District shall be responsible for certifying to the Trustee in writing that such Reserve Release Conditions #1 and Reserve Release Conditions #2 were satisfied, shall then be transferred to the Phase 1A Acquisition and Construction Account and/or the Phase 1B Acquisition and Construction Account, as applicable, pursuant to the First Supplemental Indenture, as directed in writing to the Trustee by the District Manager, upon the District Manager consulting with the Consulting Engineer, and applied as provided in the First Supplemental

Indenture. The Trustee shall have no duty to review if either the Reserve Release Conditions #1 or Reserve Release Conditions #2 has been satisfied.

[In the event the Completion Date for Phase 1A occurs prior to the Completion Date for Phase 1B, or vice versa, moneys remaining in the Phase 1A Acquisition and Construction Account after retaining costs to complete Phase 1A portion of the Assessment Area One Project shall be transferred to the Phase 1B Acquisition and Construction Account, or moneys remaining in the Phase 1B Acquisition and Construction Account after retaining costs to complete Phase 1B portion of the Assessment Area One Project shall be transferred to the Phase 1A Acquisition and Construction Account, as the case may be, as directed in writing to the Trustee by the District Manager, upon consultation with the Consulting Engineer.]

[Following the Completion Date for both Phase 1A and Phase 1B of the Assessment Area One Project, all moneys remaining in either or both of the Series 2023 Acquisition and Construction Accounts that have not been requisitioned within thirty (30) days after satisfaction of the Reserve Release Conditions #1 and #2, shall be transferred to the Series 2023 General Redemption Subaccount, as directed in writing by the District Manager on behalf of the District to the Trustee to be applied as set forth in the First Supplemental Indenture. Notwithstanding the foregoing, the Series 2023 Acquisition and Construction Accounts shall not be closed until the Reserve Release Conditions #2 shall have occurred and the excess funds from the Series 2023 Reserve Account shall have been transferred to the respective Series 2023 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, and applied in accordance with the First Supplemental Indenture.] The Trustee shall not be responsible for determining the amount in the Series 2023 Acquisition and Construction Account and subaccounts allocable to the Assessment Area One Project or any transfers made to such Accounts in accordance with direction from the District Manager. [this provision in STI needs to be fixed - The Trustee shall have no duty to review requisition or determine if a requested payments is for the proper or either of the Series 2023 Acquisition and Construction Accounts.]

The Trustee shall make no such transfers from the Series 2023 Acquisition and Construction Accounts to the Series 2023 General Redemption Subaccount if an Event of Default exists, with respect to the Series 2023 Bonds of which the Trustee has actual notice as described in the Master Indenture. Except as provided in the First Supplemental Indenture, only upon presentment to the Trustee of a properly signed requisition in substantially the form attached as an exhibit to the First Supplemental Indenture, shall the Trustee withdraw moneys from the Series 2023 Acquisition and Construction Account

Series 2023 Reserve Account

The Indenture establishes a Series 2023 Reserve Account within the Debt Service Reserve Fund solely for the benefit of the Series 2023 Bonds. Net proceeds of the Series 2023 Bonds shall be deposited into the Series 2023 Reserve Account in the amount of the Series 2023 Reserve Requirement, and such moneys, together with any other moneys deposited into the Series 2023 Reserve Account shall be applied for the purposes provided in the Indenture.

"Series 2023 Reserve Requirement" or "Reserve Requirement" shall be (i) initially, an amount equal to the maximum annual debt service on the Series 2023 Bonds as calculated from time to time; (ii) upon the occurrence of the Reserve Release Conditions #1, fifty percent (50%) of the maximum annual debt service on the Series 2023 Bonds as calculated from time to time; and (iii) upon the occurrence of the Reserve Release Conditions #2, ten percent (10%) of the maximum annual debt service on the Series 2023 Bonds as calculated from time to time. Upon satisfaction of the Reserve Release Conditions #1 or Reserve Release Conditions #2, as applicable, any resulting excess amount in the Series 2023 Reserve Account shall be released from the Series 2023 Reserve Account and transferred to either or both of the Series 2023 Acquisition and Construction Accounts in accordance with the provisions of the First Supplemental

Indenture. For the purpose of calculating the Series 2023 Reserve Requirement, maximum annual debt service, 50% of the maximum annual debt service, or 10% of the maximum annual debt service, as the case may be, shall be recalculated in connection with the extraordinary mandatory redemption described in the First Supplemental Indenture (but not upon the optional or mandatory sinking fund redemption thereof) and such excess amount shall be released from the Series 2023 Reserve Account and, other than as provided in the immediately preceding sentence, transferred to the Series 2023 General Redemption Subaccount or the Series 2023 Prepayment Subaccount, as applicable, in accordance with the provisions of the First Supplemental Indenture. Amounts on deposit in the Series 2023 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2023 Bonds be used to pay principal of and interest on the Series 2023 Bonds at that time. Initially, the Series 2023 Reserve Requirement shall be equal to \$_____.

"Reserve Release Conditions #1" shall mean collectively (i) all lots subject to the Series 2023 Special Assessments have been developed and platted and all lots within Phase 1B have been conveyed to homebuilders, as certified by the District Manager in writing and upon which the Trustee may conclusively rely, and (ii) there shall be no Events of Default under the Series 2023 Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

"Reserve Release Conditions #2" shall mean collectively (i) satisfaction of Reserve Release Conditions #1, (ii) all homes subject to the Series 2023 Special Assessments have been built and have received a certificate of occupancy, (iii) all of the principal portion of the Series 2023 Special Assessments has been assigned to such homes, and (iv) there shall be no Events of Default under the Series 2023 Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

Notwithstanding any provisions in the Master Indenture to the contrary, the District will covenant in the Indenture not to substitute the cash and Investment Securities on deposit in the Series 2023 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2023 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2023 Reserve Account resulting from investment earnings and transfer any excess therein above the Series 2023 Reserve Requirement to the Series 2023 Revenue Account in accordance with the provisions of the First Supplemental Indenture.

Subject to the provisions of the First Supplemental Indenture, on any date the District receives notice from the District Manager that a landowner wishes to prepay its Series 2023 Special Assessments relating to the benefited property of such landowner, or as a result of a mandatory true-up payment, the District shall, or shall cause the District Manager on behalf of the District, to calculate the principal amount of such Prepayment, taking into account a credit against the amount of the Series 2023 Prepayment Principal due by the amount of money in the Series 2023 Reserve Account that will exceed the Series 2023 Reserve Requirement for the Series 2023 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective landowner from the Series 2023 Reserve Account to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2023 Bonds in accordance with the Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Series 2023 Reserve Account shall be transferred by the Trustee, in the amounts

directed in writing by the Majority Holder of the Series 2023 Bonds, to the Series 2023 General Redemption Subaccount, if as a result of the application of the provisions of the Master Indenture with respect to Events of Default, the proceeds received from lands sold subject to the Series 2023 Special Assessments and applied to redeem a portion of the Series 2023 Bonds is less than the principal amount of Series 2023 Bonds indebtedness attributable to such lands.

Notwithstanding the foregoing, upon satisfaction of the Reserve Release Conditions #1 and #2, the Trustee shall deposit such excess as directed by the District Manager in writing on deposit in the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Accounts [on a pro rata basis based on the original deposits to such respective Series 2023 Acquisition and Construction Accounts pursuant to the provisions of the First Supplemental Indenture; provided, however, if the Completion Date has been previously declared for Phase 1A then all moneys are to be deposited in the Phase 1B Acquisition and Construction Account and vice versa] and pay such amount as designated in a requisition in the form attached as an exhibit to the First Supplemental Indenture to the District submitted by the respective Developer within thirty (30) days of such transfer which requisition shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the respective Developer can establish, to the satisfaction of the Consulting Engineer, Costs of the Assessment Area One Project that were not paid from moneys initially deposited in the Series 2023 Acquisition and Construction Account. In the event that there are no unreimbursed costs to pay to the respective Developer, such excess moneys transferred from the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Accounts shall be deposited into the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account upon direction to the Trustee by the District. If no completed requisition as provided in the First Supplemental Indenture is submitted to the Trustee within thirty (30) days of moneys having been transferred from the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Accounts as a result of the satisfaction of the Reserve Release Conditions #1 and #2, such excess moneys in the Series 2023 Acquisition and Construction Accounts shall then be transferred by the Trustee to the Series 2023 General Redemption Subaccount and applied to the redemption of Series 2023 Bonds as provided in the First Supplemental Indenture.

In addition, and together with the moneys transferred from the Series 2023 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2023 General Redemption Subaccount is not sufficient to redeem a principal amount of the Series 2023 Bonds in an Authorized Denomination, the Trustee is authorized upon the prior written direction of the District to withdraw amounts from the Series 2023 Revenue Account to round up the amount in the Series 2023 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2023 Revenue Account shall be made to pay interest on and/or principal of the Series 2023 Bonds for the redemption pursuant to the First Supplemental Indenture if as a result the deposits required under the First Supplemental Indenture cannot be made in full.

It shall be an event of default under the Indenture if at any time the amount in the Series 2023 Reserve Account is less than the Reserve Requirement therefor as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement for the Series 2023 Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

Deposit and Application of the Pledged Revenues

Pursuant to the Indenture, the Trustee shall establish a separate account with the Revenue Fund designated as the "Series 2023 Revenue Account." Series 2023 Special Assessments (except for Prepayments of Series 2023 Special Assessments which shall be identified as such by the District to the Trustee and deposited in the Series 2023 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2023 Revenue Account and applied as set forth in the Indenture. The Trustee shall transfer from

amounts on deposit in the Series 2023 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing November 1, 2023, to the Series 2023 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2023 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2023 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing _____ 1, 20____, to the Series 2023 Sinking Fund Account, an amount equal to the principal amount of Series 2023 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2023 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2023 Bonds remain Outstanding, to the Series 2023 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2023 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2023 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2023 Interest Account, the amount necessary to pay interest on the Series 2023 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2023 Costs of Issuance Account upon the written request of the Issuer to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2023 Bonds and next, any balance in the Series 2023 Revenue Account shall remain on deposit in such Series 2023 Revenue Account, unless needed for the purposes of rounding the principal amount of a Series 2023 Bond subject to extraordinary mandatory redemption pursuant to Section 4.01(i) of the First Supplemental Indenture to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2023 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Notwithstanding the foregoing, in the event of a redemption of Series 2023 Bonds from Prepayments on deposit in the Series 2023 Prepayment Subaccount, the Trustee is further authorized, upon written direction from the Issuer, to transfer from the Series 2023 Revenue Account to the Series 2023 General Redemption Subaccount sufficient funds to cause the redemption of the next closest Authorized Denomination of Series 2023 Bonds, as provided in Section 4.01(i) hereof.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund only in Investment Securities (as defined in the Master Indenture). The Trustee shall, as directed by the District in writing, invest moneys held in the Series 2023 Reserve Account of the Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Indenture. All securities securing investments under the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received

upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the Indenture, any interest and other income so received shall be deposited in the applicable Series Account of the Revenue Fund. Upon written request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the respective Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto.

Master Indenture Provisions Relating to Bankruptcy or Insolvency of a Developer

For purposes of the following, (a) the Series 2023 Bonds secured by and payable from Special Assessments levied against property owned by any Insolvent Taxpayer (defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Special Assessments levied against any Insolvent Taxpayer's property and pledged under a Supplemental Indenture as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments." The Master Indenture contains the following provisions which, pursuant to the Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (herein, an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District has agreed in the Master Indenture that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Master Indenture, the District will acknowledge and agree that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District has agreed in the Master Indenture that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) the District has agreed in the Master Indenture that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) the Trustee shall have the right, but is not obligated to, (i) to the extent permitted by law, vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf

of the District, including without limitation, motions seeking relief from the automatic stay, dismissal of the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District has agreed in the Master Indenture that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. See "BONDOWNERS' RISKS – Bankruptcy Risks" herein.

Events of Default and Remedies

The Master Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2023 Bonds:

(a) if payment of any installment of interest on any Series 2023 Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2023 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, as determined by a Majority Holder of the Series 2023 Bonds; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2023 Bond and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holder of the Outstanding Series 2023 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Debt Service Reserve Fund or any account therein is less than the Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2023 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) if, at any time after eighteen months following issuance of the Series 2023 Bonds, more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District lands upon which the Series 2023 Special Assessments are levied to secure the Series 2023 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Series 2023 Bonds shall be subject to acceleration. Upon occurrence and continuance of an Event of Default with respect to the Series 2023 Bonds, no optional redemption or extraordinary mandatory redemption of Series 2023 Bonds pursuant to the Indenture shall occur unless all of the Series 2023 Bonds will be redeemed or if 100% of the Holders of the Series 2023 Bonds agree to such redemption; provided, however, nothing in this paragraph shall prevent a pro rata default distribution pursuant to Section 10.12 of the Master Indenture.

If any Event of Default with respect to the Series 2023 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holder of the Outstanding Series 2023 Bonds and receipt of indemnity to its satisfaction shall, in its own name:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2023 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of the Series 2023 Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Series 2023 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2023 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2023 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2023 Bonds.

If any proceeding taken by the Trustee on account of any Event of Default with respect to the Series 2023 Bonds is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders of the Series 2023 Bonds shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

Subject to the provisions of the Indenture, the Majority Holder of the Outstanding Series 2023 Bonds then subject to remedial proceedings under the Master Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2023 Bonds is the collection of Series 2023 Special Assessments imposed on the District Lands in Assessment Area One specially benefited by the Assessment Area One Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" attached hereto.

The imposition, levy, and collection of Series 2023 Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Orange County Tax Collector ("Tax Collector") or the Orange County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2023 Special Assessments during any year. Such delays in the collection of Series 2023 Special Assessments, or complete inability to collect the Series 2023 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2023 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2023 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2023 Bonds.

For the Series 2023 Special Assessments to be valid, the Series 2023 Special Assessments must meet two requirements: (1) the benefit from the Assessment Area One Project to the lands subject to the Series 2023 Special Assessments must exceed or equal the amount of the Series 2023 Special Assessments, and (2) the Series 2023 Special Assessments must be fairly and reasonably allocated across all such benefitted properties. Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2023 Special Assessments through a variety of methods. See "BONDOWNERS' RISKS." Initially, with respect to any assessable lands which have not yet been platted or for platted lands for which the timing for using the Uniform Method will not yet allow for using of such method, the District will directly issue annual bills to landowners requiring payment of the Series 2023 Special Assessments and will enforce that bill through foreclosure proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" hereto. As lands are platted, the Series 2023 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes. See also "APPENDIX A: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto for more information on the use of the Uniform Method.

Direct Billing and Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2023 Special Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2023 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens.

Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2023 Special Assessments and the ability to foreclose the lien of such Series 2023 Special Assessments upon the failure to pay such Series 2023 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2023 Special Assessments. See "BONDHOLDER'S RISKS."

Uniform Method Procedure

Subject to certain conditions, the District may alternatively elect to collect the Series 2023 Special Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2023 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2023 Special Assessments will be collected together with City, County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Series 2023 Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2023 Special Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2023 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2023 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2023 Bonds.

Under the Uniform Method, if the Series 2023 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give

any assurance to the holders of the Series 2023 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2023 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2023 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2023 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2023 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2023 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2023 Special Assessments), interest, costs and charges on the real property described in the certificate.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2023 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2023 Special Assessments, which are the primary source of payment of the Series 2023 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDHOLDERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other sections of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2023 Bonds offered hereby and are set forth below. Prospective investors in the Series 2023 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2023 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2023 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2023 Bonds.

Concentration of Land Ownership

As of the date hereof, the Developers own [all] of the assessable lands within Assessment Area One, which are the lands that will be subject to the Series 2023 Special Assessments securing the Series 2023 Bonds. Payment of the Series 2023 Special Assessments is primarily dependent upon their timely payment by the Developers and the other future landowners in Assessment Area One. Non-payment of the Series 2023 Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Series 2023 Bonds. See "THE DEVELOPERS" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Developers or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2023 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Developers and any other landowner to pay the Series 2023 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2023 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2023 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2023 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2023 Bonds, including, without limitation, enforcement of the obligation to pay Series 2023 Special Assessments and the ability of the District to foreclose the lien of the Series 2023 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2023 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2023 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was

placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of a Developer" herein. The District cannot express any view whether such delegation would be enforceable.

Series 2023 Special Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2023 Bonds is the timely collection of the [related] Series 2023 Special Assessments. The Series 2023 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Developers or subsequent landowners will be able to pay the Series 2023 Special Assessments or that they will pay such Series 2023 Special Assessments even though financially able to do so. Neither the Developers nor any other subsequent landowners have any personal obligation to pay the Series 2023 Special Assessments. Neither the Developers nor any subsequent landowners are guarantors of payment of any Series 2023 Special Assessments, and the recourse for the failure of the Developers or any subsequent landowner to pay the Series 2023 Special Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2023 Special Assessments, as described herein. Therefore the likelihood of collection of the Series 2023 Special Assessments may ultimately depend on the market value of the land subject to the Series 2023 Special Assessments. While the ability of the Developers or subsequent landowners to pay the Series 2023 Special Assessments is a relevant factor, the willingness of the Developers or subsequent landowners to pay the Series 2023 Special Assessments, which may also be affected by the value of the land subject to the Series 2023 Special Assessments, is also an important factor in the collection of Series 2023 Special Assessments. The failure of the Developers or subsequent landowners to pay the Series 2023 Special Assessments could render the District unable to collect delinquent Series 2023 Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2023 Bonds.

Regulatory and Environmental Risks

The development of Assessment Area One is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area One and the likelihood of timely payment of principal and interest on the Series 2023 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2023 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided

solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2023 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area One.

The value of the lands subject to the Series 2023 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2023 Bonds. The Series 2023 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of Assessment Area One and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developers. Moreover, the Developers have the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2023 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2023 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2023 Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2023 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2023 Special Assessment, even though the landowner is not contesting the amount of the Series 2023 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must

pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2023 Bonds

The Series 2023 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2023 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2023 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2023 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2023 Bonds, depending on the progress of development of the Development and the lands within Assessment Area One, as applicable, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2023 Special Assessments, may not adversely affect the timely payment of debt service on the Series 2023 Bonds because of the Series 2023 Reserve Account. The ability of the Series 2023 Reserve Account to fund deficiencies caused by delinquencies in the Series 2023 Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2023 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in such Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2023 Special Assessments, the Series 2023 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Series 2023 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2023 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2023 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2023 Special Assessments in order to provide for the replenishment of the Series 2023 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Series 2023 Reserve Account" herein for more information about the Series 2023 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2023 Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2023 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as defined herein), there are limitations on the amounts of proceeds from the Series 2023 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its

lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the

District were elected by the landowners and none were elected by qualified electors. The Developers will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Developers does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2023 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2023 Bonds are advised that, if the IRS does audit the Series 2023 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2023 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2023 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds would adversely affect the availability of any secondary market for the Series 2023 Bonds. Should interest on the Series 2023 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2023 Bonds be required to pay income taxes on the interest received on such Series 2023 Bonds and related penalties, but because the interest rate on such Series 2023 Bonds will not be adequate to compensate Owners of the Series 2023 Bonds for the income taxes due on such interest, the value of the Series 2023 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2023 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2023 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2023 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2023 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2023 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

The Series 2023 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2023 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2023 Bonds would need to ensure that subsequent transfers of the Series 2023 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2023 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2023 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2023 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete Development

The cost to finish the Assessment Area One Project will exceed the net proceeds from the Series 2023 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Assessment Area One Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Assessment Area One Project and the development of Assessment Area One. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Additional Bonds" for more information.

[Although the respective Developers will agree to fund or cause to be funded the completion of their respective phases of the Assessment Area One Project regardless of the insufficiency of proceeds from the Series 2023 Bonds and will enter into completion agreements with the District as evidence thereof, there can be no assurance that the Developers will have sufficient resources to do so. Such obligation of the Developers are unsecured obligations[, and the Developers are special-purpose entities whose assets consist primarily of their respective interests in Assessment Area One]. See "THE DEVELOPERS" herein for more information.

There are no assurances that the Assessment Area One Project and any other remaining development work associated with the Assessment Area One will be completed. [Further, there is a possibility that, even if Assessment Area One is developed, the Builder[s] may not close on all or any of the lots therein, and such failure to close could negatively impact the construction and sale of homes in Assessment Area One. The Builder Contract[s] may also be terminated by the Builder[s] upon the occurrence or failure to occur of certain conditions set forth therein. See "THE DEVELOPMENT – [The Builder Contract[s] and the Builders]" herein for more information about the Builder[s] and the Builder Contract[s].] [Further, even if development of Assessment Area One is completed, there are no assurances that homes will be constructed and sold within Assessment Area One. See "THE DEVELOPERS" herein for more information.]

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developers, the timely and successful completion of the Development, [the purchase of lots therein by the Builder[s]] and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2023 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2023 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2023 Special Assessments by the Developers or subsequent owners of the property within Assessment Area One. Any such redemptions of the Series 2023 Bonds would be at the principal amount of such Series 2023 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2023 Bonds may not realize their anticipated rate of return on the Series 2023 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2023 Bonds. See "DESCRIPTION OF THE SERIES 2023 BONDS – Redemption Provisions," " – Purchase of Series 2023 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Prepayment of Series 2023 Special Assessments" herein for more information.

Payment of Series 2023 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit

Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2023 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General Information

The District was established by Ordinance No. 2924, enacted by the City Council of the City of Apopka, Florida (the "City") on April 6, 2022, effective May 18, 2022, under the provisions of the Act. The boundaries of the District include approximately [213.409][189.339] gross acres of land (the "District Lands") and is located within the City, generally located south of Ondich Road, east of Round Lake Road, north of West Kelly Park Road, and west of Effie Drive. The District Lands are planned to contain a 765-unit single-family residential community to be known as "Kelly Park" (the "Development"). See "THE DEVELOPMENT" herein for more information.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board of Supervisors the authority to, among other things, (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; (iv) conservation areas, mitigation areas, and wildlife habitat; (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District, and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2023 Bonds.

Board of Supervisors

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within ninety (90) days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within ninety (90) days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

Name	Title	Term Expires
[Seth Bennett*	Chairman	November 2026
Quint Noordstar*	Vice Chairman	November 2026
Taryn Galvin*	Assistant Secretary	November 2024
Lou Avelli*	Assistant Secretary	November 2024
Dan Edwards*	Assistant Secretary	November 2024]

* [Employee of, or affiliated with, the Developers.][above to be confirmed]

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, to serve as its district manager ("District Manager"). The District Manager's office is located at 2300 Glades Rd., Ste. #410W, Boca Raton, Florida 33431.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenberg Traurig, P.A., Tallahassee, Florida, as Bond Counsel; Poulos & Bennett, LLC, Orlando, Florida, as District Engineer; and Kutak Rock LLP, Tallahassee, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and to prepare the Assessment Methodology and to serve as Dissemination Agent for the Series 2023 Bonds.

No Outstanding Bond Indebtedness

The District has not previously issued any bonds or other similar debt obligations.

THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA ONE PROJECT

General

Poulos & Bennett, LLC (the "District Engineer") prepared an Engineer's Report, dated [July 6, 2022], as supplemented by the First Supplemental Engineer's Report for Kelly Park Community Development District, dated [July 25, 2023] (collectively, the "Engineer's Report"), which sets forth certain public infrastructure improvements associated with the development of the District Lands (the "Capital Improvement Plan"). In the Engineer's Report, the District Engineer estimates the total cost of the Capital Improvement Plan to be \$39,936,396, as more particularly set forth therein.

Land development for the District Lands is scheduled to occur in phases. Multiple assessment areas are anticipated to be created in order to facilitate the District's development and financing plans. Assessment Area One contains approximately [66.015] acres of land which are planned to contain 315 residential units at buildout ("Assessment Area One"). Assessment Area One consists of (i) a parcel of land owned by the Phase 1A Developer which is planned to contain 175 residential units at buildout ("Phase 1A") and (ii) a parcel of land owned by the Phase 1B Developer which is planned to contain 140 residential units at buildout ("Phase 1B"). The remaining approximately [123.324] acres of land which comprise the District are planned to contain 450 residential units at buildout and such units will be developed in the future.

The Engineer's Report sets forth certain costs necessary to develop the 315 lots planned for Assessment Area One, which costs are broken out between (i) certain master infrastructure improvements necessary to develop Assessment Area One (the "Master Improvements"), (ii) the parcel specific infrastructure improvements necessary to develop the 175 lots planned for Phase 1A (the "Phase 1A Neighborhood Improvements"), and (iii) the parcel specific infrastructure improvements necessary to develop the 140 lots planned for Phase 1B (the "Phase 1B Neighborhood Improvements" and collectively, the "Assessment Area One Project"). The Phase 1B Developer will be responsible for installing and funding the Master Improvements and the Phase 1B Neighborhood Improvements not funded with proceeds of the Series 2023 Bonds. The Phase 1A Developer will be responsible for installing and funding the Phase 1A Neighborhood Improvements not funded with proceeds of the Series 2023 Bonds. The Engineer's Report estimates the total cost of the Assessment Area One Project to be approximately \$[_____], as more particularly described below.

Installation of the Phase 1B Neighborhood Improvements [commenced in / is expected to commence in] [July 2023] with completion expected by [the first calendar quarter of 2023]. As of [_____], 2023, approximately \$[_____] has been spent to date toward land development associated with Assessment Area One, a portion of which includes the Assessment Area One Project.

The available net proceeds of the Series 2023 Bonds will finance construction and/or acquisition of the Assessment Area One Project from the Developers in the amount of approximately \$5.19 million* as follows: (i) approximately \$2.94 million* will be deposited to the Phase 1A Subaccount in order to finance a portion of the Phase 1A Neighborhood Improvements, and (ii) approximately \$2.25 million* will be deposited to the Phase 1B Subaccount in order to finance a portion of the Phase 1B Neighborhood Improvements. The Phase 1A Developer will enter into a completion agreement at closing on the Series 2023 Bonds whereby it will agree to fund the completion of the Phase 1A Neighborhood Improvements. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

The District anticipates issuing additional series of bonds in the future in order to finance a portion of the public infrastructure associated with the 450 lots planned for the remaining phases of land development within the District Lands. Such bonds will be secured by special assessments levied on lands which are separate and distinct from the land within Assessment Area One. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Additional Bonds" herein for more information.

The District Engineer has indicated that all engineering permits necessary to construct the Assessment Area One Project have been obtained or will be obtained in the ordinary course of business. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Development Approvals" for a more detailed description of the entitlement and permitting status of the Development.

See "APPENDIX C: ENGINEER'S REPORT" for more information regarding the Capital Improvement Plan, including the Assessment Area One Project.

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

The Master Special Assessment Methodology Report dated July 7, 2022 (the "Master Assessment Methodology"), as supplemented by the Preliminary First Supplemental Special Assessment Methodology Report dated [____], 2023 (the "Supplemental Assessment Methodology" and together with the Master Assessment Methodology, the "Assessment Methodology"), which allocates the Series 2023 Special Assessments to certain lands in the District, has been prepared by Wrathell, Hunt & Associates, LLC, Boca Raton, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2023 Bonds are determined, the Supplemental Methodology will be revised to reflect such final terms. Once levied and imposed, the Series 2023 Special Assessments will be first liens on the assessable lands within the District against which they are assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

As set forth in the Supplemental Assessment Methodology, the Series 2023 Special Assessments are initially levied on the approximately [66.02] gross acres of land which comprise Assessment Area One. As platting occurs, the Series 2023 Special Assessments will be assigned to the 315 lots planned for Assessment Area One on a first platted, first assigned basis. Assuming that all of the planned 315 residential units are developed and platted, then the Series 2023 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2023 Special Assessments Per Unit*/**</u>	<u>Series 2023 Bonds Par Debt Per Unit**</u>

Single-Family 52'	<u>177</u>	\$1,560	\$21,614

* When collected via the Uniform Method, annual assessment levels will be grossed up to include early payment discounts and County collection fees.

** Preliminary, subject to change.

The District will levy assessments to cover its [operation and maintenance] costs that will be approximately \$[163.40 admin only] per residential unit annually, including the residential units in the Development; which amount is subject to change. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for [2022] was approximately [____] mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2023 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Orange County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information, including applicable homeowners' association fees.

The information appearing below under the captions "THE DEVELOPMENT" and "THE DEVELOPERS" has been furnished by the Developers for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developers make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Developers as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Developers are not guaranteeing payment of the Series 2023 Bonds or the Series 2023 Special Assessments.

THE DEVELOPMENT

Overview

The District consists of approximately [213.409][189.339] gross acres (collectively, the "District Lands"), located in the City of Apopka (the "City") within Orange County, Florida (the "County"). The District Lands are being developed as a planned residential community under the name ["Kelly Park"] (the "Development"). The Development is located south of Ondich Road, east of Round Lake Road, north of West Kelly Park Road, and west of Effie Drive. The Development is located approximately 0.5 miles west of State Road 429, which provides access to Downtown Orlando approximately 20 miles to the southeast.

Land development for the District Lands is scheduled to occur in phases. Multiple assessment areas are anticipated to be created in order to facilitate the District's development and financing plans. Assessment Area One contains approximately [66.015] acres of land which are planned to contain 315 residential units

at buildout ("Assessment Area One"). Assessment Area One consists of (i) a parcel of land owned by DFC Kelly Park, LLC (the "Phase 1A Developer") which is planned to contain 175 residential units at buildout ("Phase 1A") and (ii) a parcel of land owned by Galvin-Harris Land Services, LLC (the "Phase 1B Developer" and, together with the Phase 1A Developer, the "Developers") which is planned to contain 140 residential units at buildout ("Phase 1B"). See "THE DEVELOPERS" herein for more information. The remaining approximately [123.324] acres of land which comprise the District are planned to contain 450 residential units at buildout and such units will be developed in the future.

The Engineer's Report sets forth certain costs necessary to develop the 315 lots planned for Assessment Area One, which costs are broken out between (i) certain master infrastructure improvements necessary to develop Assessment Area One (the "Master Improvements"), (ii) the parcel specific infrastructure improvements necessary to develop the 175 lots planned for Phase 1A (the "Phase 1A Neighborhood Improvements"), and (iii) the parcel specific infrastructure improvements necessary to develop the 140 lots planned for Phase 1B (the "Phase 1B Neighborhood Improvements" and collectively, the "Assessment Area One Project"). The Phase 1B Developer will be responsible for installing and funding the Master Improvements and the Phase 1B Neighborhood Improvements not funded with proceeds of the Series 2023 Bonds. The Phase 1A Developer will be responsible for installing and funding the Phase 1A Neighborhood Improvements not funded with proceeds of the Series 2023 Bonds.

The Series 2023 Bonds will be secured by the Series 2023 Special Assessments which will initially be levied on the approximately [66.015] acres which comprise Assessment Area One. As lots are platted, the Series 2023 Special Assessments will be assigned to the 315 lots planned for Assessment Area One on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto. See "APPENDIX D: ASSESSMENT METHODOLOGY" for more information.

The District anticipates issuing additional series of bonds in the future in order to finance a portion of the public infrastructure associated with the 450 lots planned for the remaining phases of land development within the District Lands. Such bonds will be secured by special assessments levied on lands which are separate and distinct from the land within Assessment Area One. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Additional Bonds" herein for more information.

[The Phase 1B Developer has entered into a lot purchase contract with D.R. Horton, Inc., a Delaware corporation (the "Phase 1B Builder") for the sale of all 140 lots planned for Phase 1B in a [single/series of] takedown[s] upon development completion (the "Phase 1B Builder Contract"). The Phase 1B Builder will subsequently market and construct homes for retail end-users. The Phase 1A Developer, an affiliate of Dream Finders Homes, will market and construct homes for retail end-users within Phase 1A. See "—The Builder Contract" herein for more information. The Phase 1B Builder and the Phase 1A Developer are sometimes collectively referred to herein as the "Builders."]

Assessment Area One is expected to single-family homes on both forty-foot wide lots and fifty-two foot wide lots. Homes within Assessment Area One are expected to range in size from approximately _____ square feet to approximately _____ square feet, with price points starting from approximately \$____,000 to approximately \$____,000. Target customers for homes within Assessment Area One are primarily first-time homebuyers and move-up buyers. See "—Residential Product Offerings" herein.

Land Acquisition and Development Finance Plan

The Phase 1B Developer acquired all of [Assessment Area One for approximately \$_____]. The Phase 1B Developer subsequently sold the land comprising Phase 1A to the Phase 1A Developer on _____, 202_ for an aggregate purchase price of \$_____. [please confirm no mortgages]

The Phase 1B Developer is responsible for installing and funding (i) the Master Improvements at an expected approximate cost of [\$7.5] million and (ii) the Phase 1B Neighborhood Improvements at an expected approximate cost of \$___ million. The Developers anticipates that approximately ___ homes within Assessment Area One will close with purchasers per annum until buildout, commencing in _____. These anticipated absorption rates are based upon estimates and assumptions made by the Developers that are inherently uncertain, though considered reasonable by the Developers, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developers. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

[The Phase 1B Builder and the Phase 1B Builder Contract]

The Phase 1B Developer has entered into a lot purchase contract with D.R. Horton, Inc., a Delaware corporation (the "Phase 1B Builder" or "Horton") for the sale of all 140 lots planned for Phase 1B in a [single/series of] takedown[s] upon development completion (the "Builder Contract"). Notwithstanding such Collateral Assignments, in the event the District forecloses on the lands subject to the Series 2023 Special Assessments as a result of a Developer's or subsequent landowners' failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the Assessment Area One Project or the development of the Assessment Area One.

Finally, each of the Developers will also enter into a True-Up Agreement in connection with their respective obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in their parcels of Assessment Area One increase above the maximum debt levels set forth in the Assessment Methodology. TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements that the District must continue to meet after the issuance of the Series 2023 Bonds in order that the interest on the Series 2023 Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Series 2023 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2023 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2023 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings, and court decisions, the interest on the Series 2023 Bonds is excludable from gross income of the holders thereof for federal income tax purposes; and, further, interest on the Series 2023 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2023 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2023 Bonds and the interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income, or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their own tax advisors as to the status of interest on the Series 2023 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2023 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developers, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2023 Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and

representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2023 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2023 Bonds, or the ownership or disposition of the Series 2023 Bonds. Prospective purchasers of Series 2023 Bonds should be aware that the ownership of Series 2023 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2023 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2023 Bonds, (iii) the inclusion of the interest on the Series 2023 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2023 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2023 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2023 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2023 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2023 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2023 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (*i.e.*, for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2023 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale, or other disposition of that Discount Bond.

Certain of the Series 2023 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain

Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity), or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced, or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2023 Bonds, or adversely affect the market price or marketability of the Series 2023 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

On August 16, 2022, President Biden signed the Inflation Reduction Act of 2022 (H.R. 5376) into law. For tax years beginning after 2022, this legislation will impose a minimum tax of 15 percent on the adjusted financial statement income of applicable corporations as defined in Section 59(k) of the Code (which is primarily designed to impose a minimum tax on certain large corporations). For this purpose, adjusted financial statement income is not reduced for interest earned on tax-exempt obligations. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential consequences of owning the Series 2023 Bonds.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2023 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2023 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2023 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2023 Bonds and proceeds from the sale of Series 2023 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2023 Bonds. This withholding generally applies if the owner of Series 2023 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement,

signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2023 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2023 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the Series 2023 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2023 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2023 Bonds. Investment in the Series 2023 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2023 Bonds upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2023 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2023 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District, threatened against the District and seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series

2023 Bonds, or in any way contesting or affecting (i) the validity of the Series 2023 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2023 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Developers

[The Developers have represented that there is no litigation of any nature now pending or, to the knowledge of the Developers, threatened against the Developers, which could reasonably be expected to have a material and adverse effect upon the completion of the Assessment Area One Project or the development of Assessment Area One as described herein, materially and adversely affect the ability of the Developers to pay the Series 2023 Special Assessments imposed against the land within Assessment Area One of the District owned by the Developers or materially and adversely affect the ability of the Developers to perform its various obligations described in this Limited Offering Memorandum.]

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the Consulting Engineer, the District Manager/Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (which has retained Trustee's counsel), with respect to the authorization, sale, execution and delivery of the Series 2023 Bonds. Except for the payment of certain fees to District Counsel, the Consulting Engineer and the District Manager, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2023 Bonds.

NO RATING

No application for a rating for the Series 2023 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2023 Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report attached as APPENDIX C to this Limited Offering Memorandum has been prepared by Poulos & Bennett, LLC, Orlando, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D attached hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2023 Bonds, both the District Engineer and the Methodology Consultant will consent to the inclusion of their reports in this Limited Offering Memorandum.

FINANCIAL INFORMATION

This District will covenant in the Disclosure Agreement (as hereinafter defined), the proposed form of which is set forth in APPENDIX E hereto, to provide its annual audited financial statements to the Municipal Securities Rulemaking Board's ("MSRB") Electronic Municipal Market Access ("EMMA") system as described in APPENDIX E, commencing with the audit for the District fiscal year ending September 30, 2023. The District does not have audited financial statements because the District has only recently been established. As of the date hereof, the District does not have any significant assets or liabilities and the District has not previously issued any debt obligations. The Series 2023 Bonds are not general obligation bonds of the District and are payable solely from the Series 2023 Pledged Revenues.

Beginning October 1, 2015, or by the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District is not and has never been in default as to principal or interest on its bonds or other debt obligations since December 31, 1975.

CONTINUING DISCLOSURE

The District and the Developers will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX F, for the benefit of the Series 2023 Bondholders (including owners of beneficial interests in such Series 2023 Bonds), to provide certain financial information and operating data relating to the District and the development of the Assessment Area One lands by certain dates prescribed in the Disclosure Agreement and to provide notice of certain enumerated material events (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Developers to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2023 Bondholders (including owners of beneficial interests in such Series 2023 Bonds), as applicable, to bring an action for specific performance.

The District has not previously issued any bonds and has not previously entered into any continuing disclosure obligations pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"). The District anticipates satisfying all future disclosure obligations required pursuant to its Disclosure Agreement and the Rule. The District will appoint the District Manager as the dissemination agent in the Disclosure Agreement.

[Under review: The Developers have previously entered into continuing disclosure undertakings pursuant to the Rule, with respect to bonds issued by other community development districts.][The Developers have not previously entered into any continuing disclosure obligations pursuant to the Rule.][A review of filings made pursuant to such prior undertakings indicates that the Developers have not materially failed to comply with the requirements thereunder within the last five years.][A review of filings made pursuant to such prior undertaking[s] indicates that certain filings required to be made by the Developers were not timely filed and that notice of such late filings was not provided.] The Developers anticipate satisfying all disclosure obligations required pursuant to the Disclosure Agreement and the Rule.

RESOLUTION 2023-08

**[SUPPLEMENTAL ASSESSMENT RESOLUTION
WITH DELEGATION OF AUTHORITY]**

[2023 BONDS / ASSESSMENT AREA ONE]

A RESOLUTION SETTING FORTH THE SPECIFIC TERMS OF THE DISTRICT'S SPECIAL ASSESSMENT BONDS, SERIES 2023 ("BONDS"); MAKING CERTAIN ADDITIONAL FINDINGS AND CONFIRMING AND/OR ADOPTING A SUPPLEMENTAL ENGINEER'S REPORT AND A SUPPLEMENTAL ASSESSMENT REPORT; DELEGATING AUTHORITY TO PREPARE FINAL REPORTS AND UPDATE THIS RESOLUTION; CONFIRMING THE MAXIMUM ASSESSMENT LIEN SECURING THE BONDS; ADDRESSING THE ALLOCATION AND COLLECTION OF THE ASSESSMENTS SECURING THE BONDS; ADDRESSING PREPAYMENTS; ADDRESSING TRUE-UP PAYMENTS; PROVIDING FOR THE SUPPLEMENTATION OF THE IMPROVEMENT LIEN BOOK; AND PROVIDING FOR CONFLICTS, SEVERABILITY AND AN EFFECTIVE DATE.

WHEREAS, the Kelly Park Community Development District ("**District**") has previously indicated its intention to undertake, install, establish, construct or acquire certain public improvements and to finance such public improvements through the issuance of bonds secured by the imposition of special assessments on benefited property within the District; and

WHEREAS, the District's Board of Supervisors ("**Board**") has previously adopted, after proper notice and public hearing, Resolution No. 2022-30 ("**Master Assessment Resolution**"), relating to the imposition, levy, collection and enforcement of such special assessments, and establishing a master lien over the property within the District, which lien remains inchoate until the District issues bonds, as provided in the Master Assessment Resolution; and

WHEREAS, the Master Assessment Resolution provides that as each series of bonds is issued to fund all or any portion of the District's improvements, a supplemental resolution may be adopted to set forth the specific terms of the bonds and certify the amount of the lien of the special assessments securing any portion of the bonds, including interest, costs of issuance, the number of payments due, and the application of receipt of any true-up proceeds; and

WHEREAS, on _____, and in order to finance all or a portion of what is known as the "Assessment Area One Project" a/k/a "2023 Project" ("**Project**"), the District adopted Resolution 2023-____ ("**Delegated Award Resolution**"), which authorized the District to enter into a *Bond Purchase Contract* and sell its Special Assessment Bonds, Series 2023 (Assessment Area One Project) ("**Bonds**") within certain parameters set forth in the Delegated Award Resolution; and

WHEREAS, the District intends to secure the Bonds by levying debt service special assessments (“**Assessments**”) pursuant to the terms of the Master Assessment Resolution, in accordance with the supplemental trust indenture applicable to the Bonds and associated financing documents; and

WHEREAS, pursuant to and consistent with the Master Assessment Resolution and Delegated Award Resolution, the District desires to authorize the finalization of its Assessments, among other actions.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE KELLY PARK COMMUNITY DEVELOPMENT DISTRICT AS FOLLOWS:

1. **INCORPORATION OF RECITALS.** All of the above representations, findings and determinations contained above are recognized as true and accurate and are expressly incorporated into this Resolution.

2. **AUTHORITY FOR THIS RESOLUTION.** This Resolution is adopted pursuant to the provisions of Florida law, including Chapters 170, 190 and 197, *Florida Statutes*, and the Master Assessment Resolution.

3. **ADDITIONAL FINDINGS; ADOPTION OF ENGINEER’S REPORT AND SUPPLEMENTAL ASSESSMENT REPORT.** The Board hereby finds and determines as follows:

- a. The *First Supplemental Engineer’s Report*, dated July 2023 as further amended and supplemented from time to time, attached to this Resolution as **Exhibit A (“Supplemental Engineer’s Report”)**, identifies and describes, among other things, the presently expected components and estimated costs of the Project. The District hereby confirms that the Project serves a proper, essential and valid public purpose. The Engineer’s Report is hereby approved, adopted, and confirmed in substantial form. The District authorizes and ratifies its use in connection with the sale of the Bonds, subject to any changes deemed necessary under Section 4.a herein.
- b. The *First Supplemental Special Assessment Methodology Report*, and attached to this Resolution as **Exhibit B (“Supplemental Assessment Report”)**, applies the *Master Special Assessment Methodology Report*, dated July 6, 2022 (“**Master Assessment Report**”) to the Project and the actual terms of the Bonds. The Supplemental Assessment Report is hereby approved, adopted and confirmed in substantial form. The District authorizes and ratifies its use in connection with the sale of the Bonds, subject to any changes deemed necessary under Section 4.a. herein.

- c. Generally speaking, and subject to the terms of **Exhibit A** and **Exhibit B**, the Project benefits all developable property within “Assessment Area One” a/k/a “2023 Project” of the District, as further described in **Exhibit C** attached hereto (“**Assessment Area**”). Moreover, the benefits from the Project funded by the Bonds equal or exceed the amount of the special assessments (“**Assessments**”), as described in **Exhibit B**, and such the Assessments are fairly and reasonably allocated across the Assessment Area. It is reasonable, proper, just and right to assess the portion of the costs of the Project to be financed with the Bonds to the specially benefited properties within the Assessment Area as set forth in Master Assessment Resolution and this Resolution.

4. **CONFIRMATION OF MAXIMUM ASSESSMENT LIEN SECURING THE BONDS; DELEGATION OF AUTHORITY FOR DISTRICT STAFF TO ISSUE FINAL REPORTS AND UPDATE THIS RESOLUTION.** As provided in the Master Assessment Resolution, this Resolution is intended to set forth the terms of the Bonds and the final amount of the lien of the Assessments. In connection with the closing on the sale of the Bonds, District Staff is authorized to:

- a. Prepare final versions of the Supplemental Engineer’s Report and Supplemental Assessment Report attached hereto as **Exhibit A** and **Exhibit B**, respectively, to incorporate final pricing terms and make such other revisions as may be deemed necessary, provided however that:
 - i. the Assessments shall be levied and imposed within the parameters of the Master Assessment Resolution and Delegated Award Resolution,
 - ii. the final versions shall be approved by the Chairperson or, in the Chairperson’s absence, the Vice Chairperson, and in the absence or unavailability of the Vice Chairman, any other member of the Board, which approval shall be conclusively evidenced by execution of the Bond Purchase Contract and closing on the Bonds, and
 - iii. the actual amounts financed, costs of issuance, expected costs of collection, and the total amount of assessments pledged to the issuance of the Bonds, which amount shall be consistent with the lien imposed by the Master Assessment Resolution, shall all be as set forth in the final Supplemental Assessment Report.
- b. After pricing, the District Manager is directed to attach a **Composite Exhibit D** to this Resolution showing: (i) Maturities and Coupon of Bonds, (ii) Sources and Uses of Funds for Bonds, and (iii) Annual Debt Service Payment Due on Bonds; and
- c. Upon closing on the District’s Bonds, the District’s Secretary is hereby authorized and directed to record a Notice of Assessments in the Official Records of the

County in which the District is located, or such other instrument evidencing the actions taken by the District. The lien of the Assessments shall be the principal amount due on the Bonds, together with interest and collection costs, and other pledged revenues as set forth in the applicable indenture(s), and shall cover all developable acreage within the Assessment Area, as further provided in the Assessment Roll included in the Supplemental Assessment Report, and as such land is ultimately defined and set forth in site plans or other designations of developable acreage. To the extent that land is added to the District and made subject to the master assessment lien described in the Master Assessment Report, the District may, by resolution, determine such land to be benefitted by the Series Project and reallocate the Assessments securing the Bonds in order to impose Assessments on the newly added and benefitted property.

5. **ALLOCATION AND COLLECTION OF THE ASSESSMENTS.**

- a. The Assessments shall be allocated in accordance with **Exhibit B** and the Master Assessment Report. The final Supplemental Assessment Report shall reflect the actual terms of the issuance of the Bonds. The Assessments shall be paid in not more than thirty (30) years of installments of principal and interest.
- b. The District hereby certifies the Assessments for collection and authorizes and directs District staff to take all actions necessary to meet the time and other deadlines imposed for collection by the County and other Florida law. The District's Board each year shall adopt a resolution addressing the manner in which the Assessments shall be collected for the upcoming fiscal year. The decision to collect Assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect the Assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

6. **IMPACT FEE CREDITS.** In lieu of receiving impact fee credits (if any) from any public improvements financed by the District, the District may elect to receive a contribution of infrastructure, reduce the cost of acquiring the improvements, or otherwise address the credits, as set forth in any applicable *Acquisition Agreement* between the District and the project developer unless otherwise provided for in the financing documents associated with the Bonds.

7. **PREPAYMENT OF ASSESSMENTS.** Any owner of property subject to the Assessments may, at its option, pre-pay the entire amount of the Assessments any time, or a portion of the amount of the Assessments up to two (2) times (or as otherwise provided by the Supplemental Indenture for the Bonds), plus any applicable interest (as provided for in the Supplemental Indenture for the Bonds or in the Master Assessment Resolution), attributable to the property subject to the Assessments owned by such owner. In connection with any prepayment of Assessments, the District may grant a discount equal to all or part of the payee's proportionate share of financing costs (e.g., reserves) to the extent such discounts are provided

for under the applicable trust indenture. Except as otherwise set forth herein, the terms of the Master Assessment Resolution addressing prepayment of assessments shall continue to apply in full force and effect.

8. **APPLICATION OF TRUE-UP PAYMENTS.** The terms of the Master Assessment Resolution addressing True-Up Payments, as defined therein, shall continue to apply in full force and effect.

9. **IMPROVEMENT LIEN BOOK.** Immediately following the closing on the District's Bonds, the Assessments as reflected herein shall be recorded by the Secretary of the Board in the District's Improvement Lien Book. The Assessments shall be and shall remain a legal, valid and binding first lien against all benefitted property as described in **Exhibit B** until paid and such lien shall be coequal with the lien of all state, county, district, municipal or other governmental taxes and superior in dignity to all other liens, titles, and claims.

10. **ADDITIONAL AUTHORIZATION.** The Chairman, the Secretary, and all other Supervisors, officers and staff of the District are hereby authorized and directed to take all actions necessary or desirable in connection with the issuance and delivery of the Bonds, and final levy of the Assessments, and the consummation of all transactions in connection therewith, including the execution of all certificates, documents, papers, notices, and agreements necessary to the undertaking and fulfillment of all transactions referred to in or contemplated by the this Resolution. The Vice Chairman is hereby authorized to act in the place of the Chairman in any undertaking authorized or required of the Chairman hereunder, and in the absence of the Chairman and Vice Chairman, any other member of the District's Board of Supervisors is so authorized, and any Assistant Secretary is hereby authorized to act in the place of the Secretary in any undertaking authorized or required of the Secretary hereunder.

11. **CONFLICTS.** This Resolution is intended to supplement the Master Assessment Resolution, which remains in full force and effect and is applicable to the Bonds except as modified herein. This Resolution and the Master Assessment Resolution shall be construed to the maximum extent possible to give full force and effect to the provisions of each resolution, provided however that to the extent of any conflict, this Resolution shall control. All District resolutions or parts thereof in actual conflict with this Resolution are, to the extent of such conflict, superseded and repealed.

12. **SEVERABILITY.** If any section or part of a section of this Resolution is declared invalid or unconstitutional, the validity, force and effect of any other section or part of a section of this Resolution shall not thereby be affected or impaired unless it clearly appears that such other section or part of a section of this Resolution is wholly or necessarily dependent upon the section or part of a section so held to be invalid or unconstitutional.

13. **EFFECTIVE DATE.** This Resolution shall become effective upon its adoption.

APPROVED and **ADOPTED** this ____ day of _____, 2023.

RECITALS

WHEREAS, the District was established by ordinance pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“**Act**”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purposes, among others, of planning, financing, constructing, and acquiring certain infrastructure, including roadways, stormwater management, utilities (water & sewer), offsite improvements, landscaping/lighting, and other infrastructure within or without the boundaries of the District; and

WHEREAS, the District proposes to issue its Special Assessment Bonds, Series 2023 (Assessment Area One Project) (“**Bonds**”) to finance certain public infrastructure for the District’s “Assessment Area One Project” a/k/a “2023 Project,” which includes certain “Assessment Area One DreamFinders Neighborhood Improvements” estimated to cost \$_____ (for purposes herein, the Assessment Area One DreamFinders Neighborhood Improvements are referred to as the “**Project**”); and

WHEREAS, the Project is described in that certain *First Supplemental Engineer’s Report*, dated July 2023 (“**Engineer’s Report**”); and

WHEREAS, the security for the repayment of the Bonds is the special assessments (“**Assessments**”) levied against benefitted lands within “Assessment Area One,” which includes certain lands owned by Developer and that are described in **Exhibit A (“Property”)**; and

WHEREAS, the Property is presently planned to include certain planned product types and units¹ (as used herein with respect to the planned units and/or the undeveloped lands within the Property that may be developed into the planned units and that will fully secure the Assessments, “**Lots**”); and

WHEREAS, “**Development Completion**” will occur when the Project is complete, all Lots have been developed, and all other infrastructure work necessary to support the Lots has been completed; and

WHEREAS, prior to Development Completion, there is an increased likelihood that adverse changes to local or national economic conditions may result in a default in the payment of the Assessments securing the Bonds; and

WHEREAS, in the event of default in the payment of the Assessments, the District has certain remedies – namely, if the Assessments are direct billed, the remedy available to the District would be an action in foreclosure, or if the Assessments are collected pursuant to Florida’s uniform method of collection, the remedy for non-payment of the Assessments is the sale of tax-certificates (collectively, “**Remedial Rights**”); and

WHEREAS, in the event the District exercises its Remedial Rights, the District will require the assignment of certain Development Rights (defined below) to complete development of the community; and

WHEREAS, the rights assigned to the District hereunder shall be exercised in a manner which will not materially affect the intended development of the Property.

NOW, THEREFORE, in consideration of the above recitals which the parties hereby agree are true and correct and are hereby incorporated by reference and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Developer and the District agree as follows:

1. **COLLATERAL ASSIGNMENT.**

Development Rights. The Developer hereby collaterally assigns to the District, to the extent assignable and to the extent that they are owned or controlled by the Developer at execution of this Agreement or subsequently acquired by the Developer, all of the Developer’s development rights relating to development of the Property and/or the Project (herein, collectively, “**Development Rights**”), as security for the Developer’s payment and performance and discharge of its obligation to pay the Assessments levied against the Property owned by the Developer from time to time. The Development Rights shall include the items listed in subsections (a) through (i) below as they pertain to development of the Property and/or the Project:

(a) Zoning approvals, density approvals and entitlements, concurrency and capacity certificates, and development agreements.

¹ The number and type of Lots may vary based on final development. Ultimately, and subject to true-up determinations, the Developer is obligated to develop sufficient residential units (i.e., presently planned for ___ residential units, or ___ EAUs) that would absorb the full allocation of Assessments securing the Bonds and related to the Property, where such Assessments are based on the assessment levels for each product type established in the *Final First Supplemental Special Assessment Methodology Report*, dated _____, 2023.

(b) Engineering and construction plans and specifications for grading, roadways, site drainage, stormwater drainage, signage, water distribution, wastewater collection, and other improvements.

(c) Preliminary and final site plans.

(d) Architectural plans and specifications for public buildings and other public improvements relating to the Property.

(e) Permits, approvals, resolutions, variances, licenses, and franchises granted by governmental authorities, or any of their respective agencies, for or affecting the development within the Property and construction of improvements thereon, or off-site to the extent such off-site improvements are necessary or required for Development Completion.

(f) Contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the construction of the development within the Property or the construction of improvements thereon.

(g) All declarant's rights under any homeowner's association or other similar governing entity with respect to the Property.

(h) All impact fee credits.

(i) All future creations, changes, extensions, revisions, modifications, substitutions, and replacements of any of the foregoing.

Exclusions. Notwithstanding the foregoing, the Development Rights shall not include any rights which relate solely to: (i) Platted Lots conveyed to unaffiliated homebuilders or end-users, or (ii) any property which has been conveyed to the District, any utility provider, or any governmental or quasi-governmental entity as may be required by applicable permits, approvals, plats, entitlements or regulations affecting the District, if any (items (i) and (ii) referred to herein as "**Permitted Transfer**").

Rights Inchoate. The assumption of rights under this Agreement shall be inchoate and shall only become an absolute assignment and assumption of the Development Rights, upon failure of the Developer to pay the Assessments levied against the Property; provided, however, that such assignment shall only be absolute to the extent that: (i) this Agreement has not been terminated earlier pursuant to the term of this Agreement, (ii) a Permitted Transfer has not already occurred with respect to the Development Rights, or (iii) a Lot is conveyed to an unaffiliated homebuilder or end-user, in which event such Lot shall be released automatically herefrom.

Rights Severable. To the extent that any Development Rights apply to the Property and additional lands, or to Property that is the subject of a Permitted Transfer, the Developer shall at the request of the District cooperate and take reasonable steps to separate such rights for the District's use.

2. **WARRANTIES BY DEVELOPER.** The Developer represents and warrants to the District that:

(a) Other than Permitted Transfers, the Developer has made no assignment of the Development Rights to any person other than District.

(b) The Developer is not prohibited under agreement with any other person or under any judgment or decree from the execution and delivery of this Agreement.

(c) No action has been brought or threatened which would in any way interfere with the right of the Developer to execute this Agreement and perform all of the Developer's obligations herein contained.

(d) Any transfer, conveyance or sale of the Property shall subject any and all affiliated entities or successors-in-interest of the Developer to the Agreement, except to the extent of a Permitted Transfer.

3. **COVENANTS.** The Developer covenants with District that during the Term (as defined herein):

(a) The Developer will use reasonable, good faith efforts to: (i) fulfill, perform, and observe each and every material condition and covenant of the Developer relating to the Development Rights and (ii) give notice to the District of any claim of default relating to the Development Rights given to or by the Developer, together with a complete copy of any such claim.

(b) The Developer agrees not to take any action that would decrease the development entitlements to a level below the amount necessary to support the then outstanding Assessments, other than satisfying any true-up obligations to the District; to take any action to modify, waive, release or terminate the Development Rights in a manner that would materially impair or impede Development Completion; or otherwise take any action that would materially impair or impede Development Completion.

4. **EVENTS OF DEFAULT.** Any breach of the Developer's warranties contained in Section 2 hereof or breach of covenants contained in Section 3 hereof shall, after the giving of written notice and an opportunity to cure (which cure period shall be not more than thirty (30) days), constitute an "Event of Default" under this Agreement. An Event of Default shall also include the transfer of title to Lots owned by Developer pursuant to a judgment of foreclosure entered by a court of competent jurisdiction in favor of District (or its designee) or a deed in lieu of foreclosure to District (or its designee), or the acquisition of title to such Lots through the sale of tax certificates.

5. **REMEDIES UPON DEFAULT.** Upon an Event of Default, the District or its designee may, as the District's sole and exclusive remedies, take any or all of the following actions, at the District's option:

(a) Perform any and all obligations of the Developer relating to the Development Rights and exercise any and all rights of the Developer therein as fully as the Developer could.

(b) Initiate, appear in, or defend any action arising out of or affecting the Development Rights.

(c) Further assign any and all of the Development Rights to a third party acquiring title to the Property or any portion thereof from the District or at a District foreclosure sale.

6. **AUTHORIZATION IN EVENT OF DEFAULT.** In the Event of Default, the Developer does hereby authorize and shall direct any party to any agreement relating to the Development Rights to tender performance thereunder to the District or its designee upon written notice and request from the District.

Any such performance in favor of the District or its designee shall constitute a full release and discharge to the extent of such performance as fully as though made directly to the Developer.

7. **SECURITY AGREEMENT.** This Agreement shall be a security agreement between the Developer, as the debtor, and the District, as the secured party, covering the Development Rights that constitute personal property governed by the Florida Uniform Commercial Code ("**Code**"), and the Developer grants to the District a security interest in such Development Rights. In addition to the District's other rights hereunder, and upon an Event of Default, the District shall have the right to file any and all financing statements that may be required by the District to establish and maintain the validity and priority of the District's security interest rights of a secured party under the Code.

8. **TERM; TERMINATION.** Unless the assignment of Development Rights becomes absolute, this Agreement shall automatically terminate upon the earliest to occur of the following: (i) payment of the Bonds in full; (ii) Development Completion; and (iii) upon occurrence of a Permitted Transfer, but only to the extent that such Development Rights are with respect to lands that are the subject of the Permitted Transfer (herein, the "**Term**").

9. **AMENDMENT.** This Agreement may be modified in writing only by the mutual agreement of all parties hereto, and only after satisfaction of the conditions set forth in Section 15.

10. **ASSIGNMENT.** This Agreement shall constitute a covenant running with title to the Property, binding upon the Developer and its successors and assigns as to the Property or portions thereof. Any transferee shall take title subject to the terms of this Agreement and with respect to the portion of the Property so transferred, provided however that this Agreement shall not apply to any portion of the Property that is the subject of a Permitted Transfer.

11. **ATTORNEYS' FEES AND COSTS.** In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

12. **AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law; and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

13. **NOTICES.** All notices, requests, consents and other communications under this Agreement ("**Notices**") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or overnight delivery service, to the parties, at the addresses first set forth above. Except as otherwise provided in this Agreement, any Notice shall be deemed received only upon actual delivery at the address set forth above. Notices delivered after 5:00 p.m. (at the place of delivery) or on a non-business day, shall be deemed received on the next business day. If any time for giving Notice contained in this Agreement would otherwise expire on a non-business day, the Notice period shall be extended to the next succeeding business day. Saturdays, Sundays, and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the District and counsel for the Developer may deliver Notice on behalf of the District and the Developer, respectively. Any party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name or address to which Notices shall be sent by providing the same on five (5) days written notice to the parties and addressees set forth herein.

14. **ARM'S LENGTH TRANSACTION.** This Agreement has been negotiated fully between the District and the Developer as an arm's length transaction. Both parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, both parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Developer.

15. **THIRD PARTY BENEFICIARIES.** Except as set forth in the following paragraph, this Agreement is solely for the benefit of the District and the Developer and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person other than the District and the Developer any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns.

Notwithstanding the foregoing, the Trustee, acting at the direction of the Majority Owners of the Bonds, shall have the right to directly enforce the provisions of this Agreement. The Trustee shall not be deemed to have assumed any obligations under this Agreement. This Agreement may not be materially amended, and the Project may not be materially amended, without the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds, which consent shall not be unreasonably withheld.

16. **APPLICABLE LAW AND VENUE.** This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each party consents that the venue for any litigation arising out of or related to this Agreement shall be in the County in which the District is located.

17. **PUBLIC RECORDS.** The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and treated as such in accordance with Florida law.

18. **SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

19. **LIMITATIONS ON GOVERNMENTAL LIABILITY.** Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other law, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred by sovereign immunity or by other operation of law.

20. **HEADINGS FOR CONVENIENCE ONLY.** The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

21. **COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

WHEREAS, the District was established by ordinance pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“**Act**”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purposes, among others, of planning, financing, constructing, and acquiring certain infrastructure, including roadways, stormwater management, utilities (water & sewer), offsite improvements, landscaping/lighting, and other infrastructure within or without the boundaries of the District; and

WHEREAS, the District proposes to issue its Special Assessment Bonds, Series 2023 (Assessment Area One Project) (“**Bonds**”) to finance certain public infrastructure for the District’s “Assessment Area One Project” a/k/a “2023 Project,” which includes certain “Master Improvements” estimated to cost \$_____ and “Assessment Area One Galvin-Harris Neighborhood Improvements” estimated to cost \$_____ (for purposes herein, the Master Improvements and Assessment Area One Galvin-Harris Neighborhood Improvements are referred to as the “**Project**”); and

WHEREAS, the Project is described in that certain *First Supplemental Engineer’s Report*, dated July 2023 (“**Engineer’s Report**”); and

WHEREAS, the security for the repayment of the Bonds is the special assessments (“**Assessments**”) levied against benefitted lands within “Assessment Area One,” which includes certain lands owned by Developer and that are described in **Exhibit A (“Property”)**; and

WHEREAS, the Property is presently planned to include certain planned product types and units¹ (as used herein with respect to the planned units and/or the undeveloped lands within the Property that may be developed into the planned units and that will fully secure the Assessments, “**Lots**”); and

WHEREAS, “**Development Completion**” will occur when the Project is complete, all Lots have been developed, and all other infrastructure work necessary to support the Lots has been completed; and

WHEREAS, prior to Development Completion, there is an increased likelihood that adverse changes to local or national economic conditions may result in a default in the payment of the Assessments securing the Bonds; and

WHEREAS, in the event of default in the payment of the Assessments, the District has certain remedies – namely, if the Assessments are direct billed, the remedy available to the District would be an action in foreclosure, or if the Assessments are collected pursuant to Florida’s uniform method of collection, the remedy for non-payment of the Assessments is the sale of tax-certificates (collectively, “**Remedial Rights**”); and

WHEREAS, in the event the District exercises its Remedial Rights, the District will require the assignment of certain Development Rights (defined below) to complete development of the community; and

WHEREAS, the rights assigned to the District hereunder shall be exercised in a manner which will not materially affect the intended development of the Property.

NOW, THEREFORE, in consideration of the above recitals which the parties hereby agree are true and correct and are hereby incorporated by reference and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Developer and the District agree as follows:

1. **COLLATERAL ASSIGNMENT.**

Development Rights. The Developer hereby collaterally assigns to the District, to the extent assignable and to the extent that they are owned or controlled by the Developer at execution of this Agreement or subsequently acquired by the Developer, all of the Developer’s development rights relating to development of the Property and/or the Project (herein, collectively, “**Development Rights**”), as security for the Developer’s payment and performance and discharge of its obligation to pay the Assessments levied against the Property owned by the Developer from time to time. The Development Rights shall include the items listed in subsections (a) through (i) below as they pertain to development of the Property and/or the Project:

(a) Zoning approvals, density approvals and entitlements, concurrency and capacity certificates, and development agreements.

¹ The number and type of Lots may vary based on final development. Ultimately, and subject to true-up determinations, the Developer is obligated to develop sufficient residential units (i.e., presently planned for ___ residential units, or ___ EAUs) that would absorb the full allocation of Assessments securing the Bonds and related to the Property, where such Assessments are based on the assessment levels for each product type established in the *Final First Supplemental Special Assessment Methodology Report*, dated _____, 2023.

(b) Engineering and construction plans and specifications for grading, roadways, site drainage, stormwater drainage, signage, water distribution, wastewater collection, and other improvements.

(c) Preliminary and final site plans.

(d) Architectural plans and specifications for public buildings and other public improvements relating to the Property.

(e) Permits, approvals, resolutions, variances, licenses, and franchises granted by governmental authorities, or any of their respective agencies, for or affecting the development within the Property and construction of improvements thereon, or off-site to the extent such off-site improvements are necessary or required for Development Completion.

(f) Contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the construction of the development within the Property or the construction of improvements thereon.

(g) All declarant's rights under any homeowner's association or other similar governing entity with respect to the Property.

(h) All impact fee credits.

(i) All future creations, changes, extensions, revisions, modifications, substitutions, and replacements of any of the foregoing.

Exclusions. Notwithstanding the foregoing, the Development Rights shall not include any rights which relate solely to: (i) Platted Lots conveyed to unaffiliated homebuilders or end-users, or (ii) any property which has been conveyed to the District, any utility provider, or any governmental or quasi-governmental entity as may be required by applicable permits, approvals, plats, entitlements or regulations affecting the District, if any (items (i) and (ii) referred to herein as "**Permitted Transfer**").

Rights Inchoate. The assumption of rights under this Agreement shall be inchoate and shall only become an absolute assignment and assumption of the Development Rights, upon failure of the Developer to pay the Assessments levied against the Property; provided, however, that such assignment shall only be absolute to the extent that: (i) this Agreement has not been terminated earlier pursuant to the term of this Agreement, (ii) a Permitted Transfer has not already occurred with respect to the Development Rights, or (iii) a Lot is conveyed to an unaffiliated homebuilder or end-user, in which event such Lot shall be released automatically herefrom.

Rights Severable. To the extent that any Development Rights apply to the Property and additional lands, or to Property that is the subject of a Permitted Transfer, the Developer shall at the request of the District cooperate and take reasonable steps to separate such rights for the District's use.

2. **WARRANTIES BY DEVELOPER.** The Developer represents and warrants to the District that:

(a) Other than Permitted Transfers, the Developer has made no assignment of the Development Rights to any person other than District.

(b) The Developer is not prohibited under agreement with any other person or under any judgment or decree from the execution and delivery of this Agreement.

(c) No action has been brought or threatened which would in any way interfere with the right of the Developer to execute this Agreement and perform all of the Developer's obligations herein contained.

(d) Any transfer, conveyance or sale of the Property shall subject any and all affiliated entities or successors-in-interest of the Developer to the Agreement, except to the extent of a Permitted Transfer.

3. **COVENANTS.** The Developer covenants with District that during the Term (as defined herein):

(a) The Developer will use reasonable, good faith efforts to: (i) fulfill, perform, and observe each and every material condition and covenant of the Developer relating to the Development Rights and (ii) give notice to the District of any claim of default relating to the Development Rights given to or by the Developer, together with a complete copy of any such claim.

(b) The Developer agrees not to take any action that would decrease the development entitlements to a level below the amount necessary to support the then outstanding Assessments, other than satisfying any true-up obligations to the District; to take any action to modify, waive, release or terminate the Development Rights in a manner that would materially impair or impede Development Completion; or otherwise take any action that would materially impair or impede Development Completion.

4. **EVENTS OF DEFAULT.** Any breach of the Developer's warranties contained in Section 2 hereof or breach of covenants contained in Section 3 hereof shall, after the giving of written notice and an opportunity to cure (which cure period shall be not more than thirty (30) days), constitute an "Event of Default" under this Agreement. An Event of Default shall also include the transfer of title to Lots owned by Developer pursuant to a judgment of foreclosure entered by a court of competent jurisdiction in favor of District (or its designee) or a deed in lieu of foreclosure to District (or its designee), or the acquisition of title to such Lots through the sale of tax certificates.

5. **REMEDIES UPON DEFAULT.** Upon an Event of Default, the District or its designee may, as the District's sole and exclusive remedies, take any or all of the following actions, at the District's option:

(a) Perform any and all obligations of the Developer relating to the Development Rights and exercise any and all rights of the Developer therein as fully as the Developer could.

(b) Initiate, appear in, or defend any action arising out of or affecting the Development Rights.

(c) Further assign any and all of the Development Rights to a third party acquiring title to the Property or any portion thereof from the District or at a District foreclosure sale.

6. **AUTHORIZATION IN EVENT OF DEFAULT.** In the Event of Default, the Developer does hereby authorize and shall direct any party to any agreement relating to the Development Rights to tender performance thereunder to the District or its designee upon written notice and request from the District.

Any such performance in favor of the District or its designee shall constitute a full release and discharge to the extent of such performance as fully as though made directly to the Developer.

7. **SECURITY AGREEMENT.** This Agreement shall be a security agreement between the Developer, as the debtor, and the District, as the secured party, covering the Development Rights that constitute personal property governed by the Florida Uniform Commercial Code ("**Code**"), and the Developer grants to the District a security interest in such Development Rights. In addition to the District's other rights hereunder, and upon an Event of Default, the District shall have the right to file any and all financing statements that may be required by the District to establish and maintain the validity and priority of the District's security interest rights of a secured party under the Code.

8. **TERM; TERMINATION.** Unless the assignment of Development Rights becomes absolute, this Agreement shall automatically terminate upon the earliest to occur of the following: (i) payment of the Bonds in full; (ii) Development Completion; and (iii) upon occurrence of a Permitted Transfer, but only to the extent that such Development Rights are with respect to lands that are the subject of the Permitted Transfer (herein, the "**Term**").

9. **AMENDMENT.** This Agreement may be modified in writing only by the mutual agreement of all parties hereto, and only after satisfaction of the conditions set forth in Section 15.

10. **ASSIGNMENT.** This Agreement shall constitute a covenant running with title to the Property, binding upon the Developer and its successors and assigns as to the Property or portions thereof. Any transferee shall take title subject to the terms of this Agreement and with respect to the portion of the Property so transferred, provided however that this Agreement shall not apply to any portion of the Property that is the subject of a Permitted Transfer.

11. **ATTORNEYS' FEES AND COSTS.** In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

12. **AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law; and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

13. **NOTICES.** All notices, requests, consents and other communications under this Agreement ("**Notices**") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or overnight delivery service, to the parties, at the addresses first set forth above. Except as otherwise provided in this Agreement, any Notice shall be deemed received only upon actual delivery at the address set forth above. Notices delivered after 5:00 p.m. (at the place of delivery) or on a non-business day, shall be deemed received on the next business day. If any time for giving Notice contained in this Agreement would otherwise expire on a non-business day, the Notice period shall be extended to the next succeeding business day. Saturdays, Sundays, and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the District and counsel for the Developer may deliver Notice on behalf of the District and the Developer, respectively. Any party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name or address to which Notices shall be sent by providing the same on five (5) days written notice to the parties and addressees set forth herein.

14. **ARM'S LENGTH TRANSACTION.** This Agreement has been negotiated fully between the District and the Developer as an arm's length transaction. Both parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, both parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Developer.

15. **THIRD PARTY BENEFICIARIES.** Except as set forth in the following paragraph, this Agreement is solely for the benefit of the District and the Developer and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person other than the District and the Developer any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns.

Notwithstanding the foregoing, the Trustee, acting at the direction of the Majority Owners of the Bonds, shall have the right to directly enforce the provisions of this Agreement. The Trustee shall not be deemed to have assumed any obligations under this Agreement. This Agreement may not be materially amended, and the Project may not be materially amended, without the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds, which consent shall not be unreasonably withheld.

16. **APPLICABLE LAW AND VENUE.** This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each party consents that the venue for any litigation arising out of or related to this Agreement shall be in the County in which the District is located.

17. **PUBLIC RECORDS.** The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and treated as such in accordance with Florida law.

18. **SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

19. **LIMITATIONS ON GOVERNMENTAL LIABILITY.** Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other law, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred by sovereign immunity or by other operation of law.

20. **HEADINGS FOR CONVENIENCE ONLY.** The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

21. **COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

(2023 BONDS / ASSESSMENT AREA ONE – DREAMFINDERS PROJECT AREA)**

THIS COMPLETION AGREEMENT (“Agreement”) is made and entered into, by and between:

RECITALS

WHEREAS, the District was established by ordinance pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“**Act**”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purposes, among others, of planning, financing, constructing, and acquiring certain infrastructure, roadways, stormwater management, utilities (water & sewer), offsite improvements, landscaping/lighting, and other infrastructure within or without the boundaries of the District; and

WHEREAS, the Developer is the developer of certain lands within the boundaries of the District; and

WHEREAS, the District presently intends to undertake the planning, design, acquisition, construction, and installation of certain public infrastructure improvements for what is known as the “2023 Project,” which includes certain “Assessment Area One DreamFinders Neighborhood Improvements” estimated to cost \$_____ (for purposes herein, the Assessment Area One DreamFinders Neighborhood Improvements are referred to as the “**Project**”); and

WHEREAS, the Project is described in that certain *First Supplemental Engineer’s Report*, dated July 2023 (“**Engineer’s Report**”), and is attached to this Agreement as **Exhibit A**; and

WHEREAS, the District intends to finance, among other things, a portion of the costs of the master improvements necessary for the development of the Project (as described in the Engineer’s Report) through the use of proceeds from the anticipated sale of its Special Assessment Bonds, Series 2023 (Assessment Area One Project) (“**Bonds**”); and

WHEREAS, the Developer and the District hereby agree that the District will only be obligated to issue the Bonds subject to the terms and conditions of this Agreement, and the Developer will make provision for any additional funds that may be needed for the Project.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which are hereby acknowledged, the District and the Developer agree as follows:

1. **INCORPORATION OF RECITALS.** The recitals stated above are true and correct and by this reference are incorporated herein as a material part of this Agreement.

2. **COMPLETION OF PROJECT.** The Developer hereby agrees to complete, cause to be completed, provide funds or cause funds to be provided to the District in an amount sufficient to allow the District to complete or cause to be completed, the Project including, but not limited to, all construction costs as well as all administrative, legal, warranty, engineering, permitting or other related work product and soft costs (together, "**Remaining Improvements**") whether pursuant to existing contracts, including change orders thereto, or future contracts.

- a. ***Subject to Existing Contract*** - When all or any portion of the Remaining Improvements are the subject of an existing District contract, the Developer shall provide funds or cause funds to be provided directly to the District in an amount sufficient to complete the Remaining Improvements pursuant to such contract, including change orders thereto.
- b. ***Not Subject to Existing Contract*** – When any portion of the Remaining Improvements is not the subject of an existing District contract, the Developer may choose to complete, cause to be completed, provide funds or cause funds to be provided to the District in an amount sufficient to allow the District to complete or cause to be completed, those Remaining Improvements.

3. OTHER CONDITIONS AND ACKNOWLEDGMENTS

- a. ***Material Changes to Project*** – The District and the Developer agree and acknowledge that the exact location, size, configuration and composition of the Project may change from that described in the Engineer’s Report, depending upon final design of the development, permitting or other regulatory requirements over time, or other factors. Material changes to the Project shall be made by a written amendment to the Engineer’s Report, which shall include an estimate of the cost of the changes, and shall require the consent of the Developer and the District, as well as the Trustee to the extent required by Section 9. Such consent is not necessary and the Developer must meet the completion obligations, or cause them to be met, when the scope, configuration, size and/or composition of the Project is materially changed in response to a requirement imposed by a regulatory agency.
- b. ***Conveyances*** – The District and Developer agree and acknowledge that any and all portions of the Remaining Improvements which are constructed, or caused to be constructed, by the Developer shall be conveyed to the District or such other appropriate unit of local government as is designated in the Engineer’s Report or required by governmental regulation or development approval. All conveyances to another governmental entity shall be in accordance with and in the same manner as provided in any agreement between the District and the appropriate unit of local government. Further, all such conveyances shall be done in a manner consistent with the Acquisition Agreement and, without intending to limit the same, shall include all necessary real

property interests for the District to own, operate and maintain the Remaining Improvements. Further, and in addition to any requirements under the Acquisition Agreement, such conveyances shall also include all right, title, interest, and benefit of the Developer, if any, in, to and under any and all contracts, guaranties, affidavits, warranties, bonds, insurance rights, indemnification, defense and hold harmless rights, enforcement rights, claims, lien waivers, and other rights of any kind, with respect to the creation of the Remaining Improvements.

4. **DEFAULT.** A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages and/or specific performance. Any default under the applicable trust indenture for the Bonds caused by the Developer and/or its affiliates shall be a default hereunder, and the District shall have no obligation to fund the Project with the proceeds of the Bonds in the event of such a default. Prior to commencing any action for a default hereunder, the party seeking to commence such action shall first provide written notice to the defaulting party of the default and an opportunity to cure such default within 30 days.

5. **ATTORNEYS' FEES AND COSTS.** In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

6. **AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law; and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

7. **NOTICES.** All notices, requests, consents, and other communications hereunder ("**Notices**") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or telecopied or hand delivered to the parties, at the addresses first set forth above. Except as otherwise provided herein, any Notice shall be deemed received only upon actual delivery at the address or telecopy number set forth herein. Notices hand delivered after 5:00 p.m. (at the place of delivery) or on a non-business day, shall be deemed received on the next business day. If any time for giving Notice contained in this Agreement would otherwise expire on a non-business day, the Notice period shall be extended to the next succeeding business day. Saturdays, Sundays, and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the parties may deliver Notice on behalf of the parties. Any party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name, address or telecopy number to which Notices shall be sent by providing the same on five (5) days written notice to the parties and addressees set forth herein.

8. **ARM'S LENGTH TRANSACTION.** This Agreement has been negotiated fully between the District and the Developer as an arm's length transaction. Both parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, both parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Developer.

9. **THIRD PARTY BENEFICIARIES.** Except as set forth below, this Agreement is solely for the benefit of the District and the Developer and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person other than the District and the Developer any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns.

Notwithstanding the foregoing, the Trustee, acting at the direction of the Majority Owners of the Bonds, shall have the right to directly enforce the provisions of this Agreement. The Trustee shall not be deemed to have assumed any obligations under this Agreement. This Agreement may not be assigned or materially amended, and the Project may not be materially amended, without the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds, which consent shall not be unreasonably withheld.

10. **ASSIGNMENT.** The District and the Developer may only assign this Agreement or any monies to become due hereunder with the prior written approval of the other, and only after satisfaction of the conditions set forth in Section 9 above.

11. **AMENDMENTS.** Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer, and only after satisfaction of the conditions set forth in Section 9 above.

12. **APPLICABLE LAW AND VENUE.** This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each party consents that the venue for any litigation arising out of or related to this Agreement shall be in the County in which the District is located.

13. **PUBLIC RECORDS.** The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and shall be treated as such in accordance with Florida law.

14. **SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

- a. ***Material Changes to Project*** – The District and the Developer agree and acknowledge that the exact location, size, configuration and composition of the Project may change from that described in the Engineer’s Report, depending upon final design of the development, permitting or other regulatory requirements over time, or other factors. Material changes to the Project shall be made by a written amendment to the Engineer’s Report, which shall include an estimate of the cost of the changes, and shall require the consent of the Developer and the District, as well as the Trustee to the extent required by Section 9. Such consent is not necessary and the Developer must meet the completion obligations, or cause them to be met, when the scope, configuration, size and/or composition of the Project is materially changed in response to a requirement imposed by a regulatory agency.
- b. ***Conveyances*** – The District and Developer agree and acknowledge that any and all portions of the Remaining Improvements which are constructed, or caused to be constructed, by the Developer shall be conveyed to the District or such other appropriate unit of local government as is designated in the Engineer’s Report or required by governmental regulation or development approval. All conveyances to another governmental entity shall be in accordance with and in the same manner as provided in any agreement between the District and the appropriate unit of local government. Further, all such conveyances shall be done in a manner consistent with the Acquisition Agreement and, without intending to limit the same, shall include all necessary real

property interests for the District to own, operate and maintain the Remaining Improvements. Further, and in addition to any requirements under the Acquisition Agreement, such conveyances shall also include all right, title, interest, and benefit of the Developer, if any, in, to and under any and all contracts, guaranties, affidavits, warranties, bonds, insurance rights, indemnification, defense and hold harmless rights, enforcement rights, claims, lien waivers, and other rights of any kind, with respect to the creation of the Remaining Improvements.

4. **DEFAULT.** A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages and/or specific performance. Any default under the applicable trust indenture for the Bonds caused by the Developer and/or its affiliates shall be a default hereunder, and the District shall have no obligation to fund the Project with the proceeds of the Bonds in the event of such a default. Prior to commencing any action for a default hereunder, the party seeking to commence such action shall first provide written notice to the defaulting party of the default and an opportunity to cure such default within 30 days.

5. **ATTORNEYS' FEES AND COSTS.** In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

6. **AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law; and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

7. **NOTICES.** All notices, requests, consents, and other communications hereunder ("**Notices**") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or telecopied or hand delivered to the parties, at the addresses first set forth above. Except as otherwise provided herein, any Notice shall be deemed received only upon actual delivery at the address or telecopy number set forth herein. If mailed as provided above, Notices shall be deemed delivered on the third business day unless actually received earlier. Notices hand delivered after 5:00 p.m. (at the place of delivery) or on a non-business day, shall be deemed received on the next business day. If any time for giving Notice contained in this Agreement would otherwise expire on a non-business day, the Notice period shall be extended to the next succeeding business day. Saturdays, Sundays, and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the parties may deliver Notice on behalf of the parties. Any party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name, address or telecopy number to which Notices shall be sent by providing the same on five (5) days written notice to the parties and addressees set forth herein.

8. **ARM'S LENGTH TRANSACTION.** This Agreement has been negotiated fully between the District and the Developer as an arm's length transaction. Both parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, both parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Developer.

9. **THIRD PARTY BENEFICIARIES.** Except as set forth below, this Agreement is solely for the benefit of the District and the Developer and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person other than the District and the Developer any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns.

Notwithstanding the foregoing, the Trustee, acting at the direction of the Majority Owners of the Bonds, shall have the right to directly enforce the provisions of this Agreement. The Trustee shall not be deemed to have assumed any obligations under this Agreement. This Agreement may not be assigned or materially amended, and the Project may not be materially amended, without the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds, which consent shall not be unreasonably withheld.

10. **ASSIGNMENT.** The District and the Developer may only assign this Agreement or any monies to become due hereunder with the prior written approval of the other, and only after satisfaction of the conditions set forth in Section 9 above.

11. **AMENDMENTS.** Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer, and only after satisfaction of the conditions set forth in Section 9 above.

12. **APPLICABLE LAW AND VENUE.** This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each party consents that the venue for any litigation arising out of or related to this Agreement shall be in the County in which the District is located.

13. **PUBLIC RECORDS.** The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and shall be treated as such in accordance with Florida law.

14. **SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

15. **LIMITATIONS ON GOVERNMENTAL LIABILITY.** Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other law, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred by sovereign immunity or by other operation of law.

16. **HEADINGS FOR CONVENIENCE ONLY.** The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

17. **COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

1. The Kelly Park Community Development District (“**District**”) is, and has been at all times, on and after its establishment date, a legally-created, duly organized, and validly existing community development district under the provisions of Chapter 190, *Florida Statutes*, as amended (“**Act**”). Without limiting the generality of the foregoing, the Landowner acknowledges that: (a) the petition filed with the City of Apopka, Florida (“**City**”), relating to the creation of the District contained all matters required by the Act to be contained therein and was filed in the manner and by the persons required by the Act; (b) City Ordinance No. 2924 passed and enacted on May 18, 2022 was duly and properly enacted by the City in compliance with all applicable requirements of law; (c) the members of the Board of Supervisors of the District were duly and properly designated pursuant to the Act to serve in their capacities, and had the authority and right to authorize, approve and undertake all actions of the District approved and undertaken from the date of establishment of the District, to and including the date of this Declaration; and (d) the Property is within the boundaries of the District and subject to the District’s jurisdiction and authority.

2. The Landowner understands and acknowledges that the District has adopted Resolution Nos. 2022-25, 2022-30 and 2023-___ (collectively, “**Assessment Resolutions**”) that levied and imposed debt service special assessment liens on the Property (together, “**Assessments**”). Such Assessments, which may include “true-up” payments pursuant to the terms of the Assessment Resolutions, are legal, valid and binding first liens upon the Property, coequal with the lien of all state, county, district and municipal taxes, and superior in dignity to all other liens, titles and claims, until paid.

3. The Landowner hereby expressly acknowledges, represents and agrees that: (i) the Assessments (including any “true-up” payments), the Assessment Resolutions, and the terms of the financing documents related to the District’s issuance of its Special Assessment Bonds, Series 2023 (Assessment Area One Project), or securing payment thereof (“**Financing Documents**”), are, to the extent of the Landowner’s obligations thereunder and with respect thereto, valid and binding obligations enforceable in accordance with their terms; (ii) the Landowner has no claims or offsets whatsoever against, or defenses or counterclaims whatsoever to, payments of the Assessments (including any “true-up” payments) and/or amounts due under the Financing Documents, and the Landowner expressly waives any such claims, offsets, defenses or counterclaims; (iii) the Landowner hereby waives any and all rights, remedies, and other actions now or hereafter contemplated to contest, challenge, or otherwise dispute or object to the Assessment Resolutions, the Assessments (including any “true-up” payments), the

Financing Documents, and all proceedings undertaken by the District in connection therewith; (iv) the Landowner expressly waives and relinquishes any argument, claim or defense that foreclosure proceedings cannot be commenced until one (1) year after the date of the Landowner's default and agrees that, immediate use of remedies in Chapter 170, *Florida Statutes*, is an appropriate and available remedy, notwithstanding the provisions of Section 190.026, *Florida Statutes*; and (v) to the extent Landowner fails to timely pay any special assessments collected by mailed notice of the District, such unpaid special assessments and future special assessments may be placed on the tax roll by the District for collection by the Tax Collector pursuant to section 197.3632, *Florida Statutes*, in any subsequent year. Notwithstanding anything to the contrary herein, nothing in this Declaration of Consent is intended to make the Assessments a personal obligation of the Developer.

4. The Landowner hereby waives the right granted in Section 170.09, *Florida Statutes*, to prepay the Assessments within thirty (30) days after the improvements are completed, without interest, in consideration of, among other things, rights granted by the District to prepay Assessments in full at any time, or in part up to two times, and in either case with interest, under the circumstances set forth in the resolutions of the District levying such Assessments.

5. Pursuant to Section 197.3632(4)(b), *Florida Statutes*, the Landowner hereby expressly waives any and all notice requirements for use of the Uniform Method of Collection.

6. Landowner further agrees that, as part of the Assessments, the Property is subject to the true-up provisions established under the District's Assessment Resolutions and set forth in the *Master Special Assessment Methodology Report*, dated July 6, 2022, and as supplemented by the *Final First Supplemental Special Assessment Methodology Report*, dated _____, 2023, and available at the offices of the District Manager as provided herein. The true-up mechanisms, which are incorporated herein by reference, are applicable to plats and re-plats.

7. This Declaration shall represent a lien of record for purposes of Florida law, including but not limited to Chapter 197, *Florida Statutes*, and Sections 197.552 and 197.573, *Florida Statutes*, among others. Other information regarding the Assessments is available from the District's Manager, c/o Wrathell Hunt & Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431.

**KELLY PARK COMMUNITY DEVELOPMENT DISTRICT
DISCLOSURE OF PUBLIC FINANCE
(2023 BONDS / ASSESSMENT AREA ONE)**

The Kelly Park Community Development District (“**District**”) is a unit of special-purpose local government created pursuant to and existing under the provisions of Chapter 190, *Florida Statutes*. Under Florida law, community development districts are required to take affirmative steps to provide for the full disclosure of information relating to the public financing and maintenance of improvements to real property undertaken by such districts.

WHAT IS THE DISTRICT AND HOW IS IT GOVERNED?

The District is an independent special taxing district, created pursuant to and existing under the provisions of Chapter 190, *Florida Statutes*, and established by Ordinance No. 2924, which was enacted by City of Apopka, Florida on May 18, 2022. The District is located entirely within the City of Apopka, Florida (“**City**”). The legal description of the lands encompassed within the District is attached hereto as **Exhibit A**. As a local unit of special-purpose government, the District provides an alternative means for planning, financing, constructing, operating and maintaining various public improvements and community facilities within its jurisdiction. The District is governed by a five-member Board of Supervisors (“**Board**”), the members of which must be residents of the State and citizens of the United States.

For more information about the District, please visit: <http://kellyparkcdd.net/>. Alternatively, please contact the District’s Manager, c/o Wrathell, Hunt & Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (“**District Office**”).

DESCRIPTION OF PROJECTS, BONDS & ASSESSMENTS

The District is authorized by Chapter 190, *Florida Statutes*, to finance, fund, plan, establish, acquire, install, equip, operate, extend, construct, or reconstruct roadways, stormwater management, utilities (water and sewer), offsite improvements, landscaping/lighting and other infrastructure projects, and services necessitated by the development of, and serving lands within, the District. To finance the construction of such projects, the District is authorized to issue bonds that are secured by special assessments levied against properties within the District that are benefitted by the projects.

2023 Bonds & Assessments

On _____, 2023, the District issued its \$_____ Special Assessment Bonds, Series 2023 (Assessment Area One Project) (“**Bonds**”) to finance a portion of its capital improvement plan known as the “2023 Project” (“**Project**”). The Project includes, among other things, drainage and surface water management infrastructure, water and sewer utilities, landscape buffers, irrigation, and soft costs. The

Project is estimated to cost approximately \$_____, and is described in more detail in the *First Supplemental Engineer's Report*, dated July 2023 ("**Engineer's Report**").

The Bonds are secured by special assessments ("**Assessments**") levied and imposed on the benefitted lands within the District. The Assessments are further described in the *Master Special Assessment Methodology Report*, dated July 6, 2022, and as supplemented by the *Final First Supplemental Special Assessment Methodology Report*, dated _____, 2023 (together, the "**Assessment Report**").

Operation and Maintenance Assessments

In addition to debt service assessments, the District may also impose on an annual basis operations and maintenance assessments ("**O&M Assessments**"), which are determined and calculated annually by the Board in order to fund the District's annual operations and maintenance budget. O&M Assessments are levied against all benefitted lands in the District, and may vary from year to year based on the amount of the District's budget. O&M Assessments may also be affected by the total number of units that ultimately are constructed within the District. The allocation of O&M Assessments is set forth in the resolutions imposing the assessments. Please contact the District Office for more information regarding the allocation of O&M Assessments.

Collection Methods

For any given fiscal year, the District may elect to collect any special assessment for any lot or parcel by any lawful means. Generally speaking, the District may elect to place a special assessment on that portion of the annual real estate tax bill, entitled "non-ad valorem assessments," which would then be collected by the County Tax Collector in the same manner as county ad valorem taxes. Alternatively, the District may elect to collect any special assessment by sending a direct bill to a given landowner. The District reserves the right to change collection methods from year to year.

A detailed description of all of the District's assessments, fees and charges, as well as copies of the Engineer's Report, Assessment Report, and other District records described herein, may be obtained from the registered agent of the District as designated to the Florida Department of Economic Opportunity in accordance with Section 189.014, *Florida Statutes*, or by contacting the District's Manager, c/o Wrathell, Hunt & Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431. Please note that changes to the District's capital improvement plans and financing plans may affect the information contained herein and all such information is subject to change at any time and without further notice.

**TRUE-UP AGREEMENT
(2023 BONDS / ASSESSMENT AREA ONE – DREAMFINDERS PROJECT AREA)**

THIS TRUE-UP AGREEMENT (“Agreement”) is made and entered into by and between:

Kelly Park Community Development District, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, and whose mailing address is c/o Wrathell, Hunt & Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (“**District**”); and

DFC Kelly Park, LLC, a Florida limited liability company, the owner and developer of certain lands within the boundary of the District, and whose mailing address is 13000 Sawgrass Village Circle, Building 5, Suite 24, Ponte Vedra Beach, Florida 32082 (“**Developer**”).

RECITALS

WHEREAS, the District was established pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“**Act**”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purpose, among others, of planning, financing, constructing, and acquiring certain infrastructure, roadways, stormwater management, utilities (water & sewer), offsite improvements, landscaping/lighting, and other infrastructure within or without the boundaries of the District; and

WHEREAS, the Developer is currently the owner and developer of certain lands (“**Property**”) within the District, as described in **Exhibit A** attached hereto; and

WHEREAS, for the benefit of the Property, the District presently intends to finance the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities, and services known as the “2023 Project” (“**Project**”) and as defined in the *First Supplemental Engineer’s Report*, dated July 2023 (“**Engineer’s Report**”); and

WHEREAS, the District intends to finance a portion of the Project through the use of proceeds from the anticipated sale of its Special Assessment Bonds, Series 2023 (Assessment Area One Project) (“**2023 Bonds**”); and

WHEREAS, pursuant to Resolution Nos. 2022-25, 2022-30 and 2023-___ (together, “**Assessment Resolutions**”), the District has taken certain steps necessary to impose debt service special assessment

lien(s) (“**Debt Assessments**”) on the Property pursuant to Chapters 170, 190 and 197, *Florida Statutes*, to secure repayment of the 2023 Bonds; and

WHEREAS, as part of the Assessment Resolutions, the District adopted the *Master Special Assessment Methodology Report*, dated July 6, 2022, and as supplemented by the *Final First Supplemental Special Assessment Methodology Report*, dated _____, 2023 (together, “**Assessment Report**”), which is on file with the District and expressly incorporated herein by this reference; and

WHEREAS, Developer agrees that the Property benefits from the timely design, construction, or acquisition of the Project; and

WHEREAS, Developer agrees that the Debt Assessments, which were imposed on the Property, have been validly imposed and constitute valid, legal, and binding liens upon the Property; and

WHEREAS, the Assessment Resolutions together with the Assessment Report provide that as the Property is platted, the allocation of the amounts assessed to and constituting a lien upon the Property would be calculated based upon certain density assumptions relating to the number of each type of residential unit to be constructed on the developable acres within the Property, which assumptions were provided by Developer; and

WHEREAS, Developer intends to plat and develop the Property based on then-existing market conditions, and the actual densities developed may be at some density less than the densities assumed in the Assessment Report; and

WHEREAS, as more fully described by the Assessment Resolutions, the Assessment Report anticipates a “true-up” mechanism by which the Developer shall make certain payments to the District in order to satisfy, in whole or in part, the assessments allocated and the liens imposed pursuant to the Assessment Resolutions, with the amount of such payments being determined generally by a calculation of the principal amount of assessments to be assigned under the Assessment Report as compared to the amount able to be assigned as a result of actual platting.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **RECITALS.** The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Agreement.

2. **VALIDITY OF ASSESSMENTS.** Developer agrees that the Assessment Resolutions have been duly adopted by the District. Developer further agrees that the Debt Assessments imposed as liens by the District are legal, valid, and binding liens on the land against which assessed until paid, coequal with the liens of all state, county, district, and municipal taxes, and superior in dignity to all other state liens, titles, and claims. Developer waives any defect in notice or publication or in the proceedings to levy, impose, and collect the Debt Assessments on the lands within the District, and further waives and relinquishes any rights it may have to challenge, object to or otherwise fail to pay such Debt Assessments. Developer further agrees that to the extent Developer fails to timely pay all Debt Assessments collected by mailed notice of the District, said unpaid Debt Assessments (including True-Up Payments) may be

placed on the tax roll by the District for collection by the County Tax Collector pursuant to Section 197.3632, *Florida Statutes*, in any subsequent year.

3. **WAIVER OF PREPAYMENT RIGHT.** Developer waives any rights it may have under Section 170.09, *Florida Statutes*, to prepay the Debt Assessments without interest within thirty (30) days of completion of the improvements.

4. **SPECIAL ASSESSMENT REALLOCATION; TRUE-UP PAYMENTS.** The Assessment Report identifies the amount of equivalent assessment units (and/or product types and unit counts) planned for the Property – specifically, ____ lots with ____ ERUs. At such time as lands are to be platted (or re-platted) or site plans are to be approved (or re-approved), and subject to the conditions set forth in the Assessment Report, the plat or site plan (either, herein, “**Proposed Plat**”) shall be presented to the District for review pursuant to the terms herein. Such review shall be limited solely to the function and the enforcement of the District’s assessment liens and/or this Agreement. If such Proposed Plat is consistent with the development plan as identified in the Assessment Report, the District shall allocate the Debt Assessments to the product types being platted and the remaining property in accordance with the Assessment Report, and cause the Debt Assessments to be recorded in the District’s Improvement Lien Book. If a change in development shows a net increase in the overall principal amount of Debt Assessments able to be assigned to the Property, then the District may undertake a pro rata reduction of Debt Assessments for all assessed properties within the Property, or may otherwise address such net increase as permitted by law.

However, if a change in development as reflected in a Proposed Plat results in a net decrease in the overall principal amount of Debt Assessments able to be assigned to the planned units described in the Assessment Report, and located within the Property, and using any applicable test(s) set forth in the Assessment Report (if any), then the District shall require the Developer(s) of the lands encompassed by the Proposed Plat and the remaining undeveloped lands (as applicable) to pay a “**True-Up Payment**” equal to the shortfall in Debt Assessments resulting from the reduction of planned units plus any applicable interest and/or collection fees. Any True-Up Payment shall become immediately due and payable prior to platting or re-platting by the Developer of the lands subject to the Proposed Plat, shall be separate from and not in lieu of the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the 2023 Bonds to the interest payment date that occurs at least 45 days after the True-Up Payment (or the second succeeding interest payment date if such True-Up Payment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indenture for the 2023 Bonds)).

All Debt Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until payment has been satisfactorily made. Further, upon the District’s review of the final plat for the developable acres, any unallocated Debt Assessments in the form of the herein described True-Up Payments shall become immediately due and payable. This true-up process applies for both plats and/or re-plats.

5. **ENFORCEMENT.** This Agreement is intended to be an additional method of enforcement of Developer’s obligations to pay the portion of the Debt Assessments which constitutes the True-Up Payment and to abide by the requirements of the reallocation of Debt Assessments, including the making of the True-Up Payment, as set forth in the Assessment Resolutions. A default by either party under this

Agreement shall entitle any other party to all remedies available at law or in equity, which shall include, but not be limited to, the right of damages, injunctive relief, and specific performance. Prior to commencing any action for a default hereunder, the party seeking to commence such action shall first provide notice to the defaulting party of the default and an opportunity to cure such default within 30 days.

6. **ASSIGNMENT.** This Agreement shall constitute a covenant running with title to the Property, binding upon Developer and its successors and assigns as to the Property or portions thereof, and any transferee of any portion of the Property as set forth in this Section. Developer shall not transfer any portion of the Property to any third party, without first satisfying any True-Up Payment that results from any true-up determinations made by the District. Regardless of whether the conditions of this subsection are met, any transferee shall take title subject to the terms of this Agreement, but only to the extent this Agreement applies to the portion of the Property so transferred. As a point of clarification, and provided that any True-Up Payment is first made (which may be confirmed from an estoppel letter issued by the District through its District Manager), any platted lot conveyed to an end user with a home that has received a certificate of occupancy is automatically and forever released from the terms and conditions of this Agreement. Also provided that any True-Up Payment is first made (which may be confirmed from an estoppel letter issued by the District through its District Manager), any platted lot that is restricted from re-platting and is conveyed to a homebuilder is automatically and forever released from the terms and conditions of this Agreement.

7. **ATTORNEYS' FEES AND COSTS.** In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

8. **AMENDMENTS.** Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer, but only after satisfaction of the conditions set forth in Section 12.

9. **AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law; and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

10. **NOTICE.** All notices, requests, consents, and other communications hereunder ("**Notices**") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or telecopied or hand delivered to the parties, at the addresses first set forth above. Except as otherwise provided herein, any Notice shall be deemed received only upon actual delivery at the address set forth herein. If mailed as provided above, Notices shall be deemed delivered on the third business day unless actually received earlier. Notices hand delivered after 5:00 p.m. (at the place of delivery) or on a non-business day, shall be deemed received on the next business day. If any time for giving Notice contained in this Agreement would otherwise expire on a non-business day, the Notice period shall be extended to the next succeeding business day. Saturdays, Sundays, and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the parties may deliver Notice on behalf of the parties. Any party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name, address to which Notices shall be sent by providing the same on five (5) days written notice to the parties and addressees set forth herein. Notwithstanding the

foregoing, to the extent Florida law requires notice to enforce the collection of assessments placed on property by the District, then the provision of such notice shall be in lieu of any additional notice required by this Agreement.

11. **ARM'S LENGTH TRANSACTION.** This Agreement has been negotiated fully between the District and the Developer as an arm's length transaction. Both parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, both parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Developer.

12. **THIRD PARTY BENEFICIARIES.** Except as set forth below, this Agreement is solely for the benefit of the District and the Developer and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the District and the Developer any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns.

Notwithstanding the foregoing, the Trustee, acting at the direction of the Majority Owners of the 2023 Bonds, shall have the right to directly enforce the provisions of this Agreement. The Trustee shall not be deemed to have assumed any obligations under this Agreement. This Agreement may not be materially amended, without the written consent of the Trustee, acting at the direction of the Majority Owners of the 2023 Bonds, which consent shall not be unreasonably withheld.

13. **APPLICABLE LAW AND VENUE.** This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each party consents that the venue for any litigation arising out of or related to this Agreement shall be in the County in which the District is located.

14. **PUBLIC RECORDS.** The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and treated as such in accordance with Florida law.

15. **SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

16. **LIMITATIONS ON GOVERNMENTAL LIABILITY.** Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other law, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred by sovereign immunity or by other operation of law.

17. **HEADINGS FOR CONVENIENCE ONLY.** The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

18. **COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

**TRUE-UP AGREEMENT
(2023 BONDS / ASSESSMENT AREA ONE – GALVIN-HARRIS PROJECT AREA)**

THIS TRUE-UP AGREEMENT (“Agreement”) is made and entered into by and between:

Kelly Park Community Development District, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, and whose mailing address is c/o Wrathell, Hunt & Associates, LLC 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (“**District**”); and

Galvin-Harris Land Services, LLC, a Florida limited liability company, the owner and developer of certain lands within the boundary of the District, and whose mailing address is 121 Snell Isle Blvd. NE, St. Petersburg, Florida 33704 (“**Developer**”).

RECITALS

WHEREAS, the District was established pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“**Act**”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purpose, among others, of planning, financing, constructing, and acquiring certain infrastructure, roadways, stormwater management, utilities (water & sewer), offsite improvements, landscaping/lighting, and other infrastructure within or without the boundaries of the District; and

WHEREAS, the Developer is currently the owner and developer of certain lands (“**Property**”) within the District, as described in **Exhibit A** attached hereto; and

WHEREAS, for the benefit of the Property, the District presently intends to finance the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities, and services known as the “2023 Project” (“**Project**”) and as defined in the *First Supplemental Engineer’s Report*, dated July 2023 (“**Engineer’s Report**”); and

WHEREAS, the District intends to finance a portion of the Project through the use of proceeds from the anticipated sale of its Special Assessment Bonds, Series 2023 (Assessment Area One Project) (“**2023 Bonds**”); and

WHEREAS, pursuant to Resolution Nos. 2022-25, 2022-30 and 2023-____ (together, “**Assessment Resolutions**”), the District has taken certain steps necessary to impose debt service special assessment lien(s) (“**Debt Assessments**”) on the Property pursuant to Chapters 170, 190 and 197, *Florida Statutes*, to secure repayment of the 2023 Bonds; and

WHEREAS, as part of the Assessment Resolutions, the District adopted the *Master Special Assessment Methodology Report*, dated July 6, 2022, and as supplemented by the *Final First Supplemental Special Assessment Methodology Report*, dated _____, 2023 (together, "**Assessment Report**"), which is on file with the District and expressly incorporated herein by this reference; and

WHEREAS, Developer agrees that the Property benefits from the timely design, construction, or acquisition of the Project; and

WHEREAS, Developer agrees that the Debt Assessments, which were imposed on the Property, have been validly imposed and constitute valid, legal, and binding liens upon the Property; and

WHEREAS, the Assessment Resolutions together with the Assessment Report provide that as the Property is platted, the allocation of the amounts assessed to and constituting a lien upon the Property would be calculated based upon certain density assumptions relating to the number of each type of residential unit to be constructed on the developable acres within the Property, which assumptions were provided by Developer; and

WHEREAS, Developer intends to plat and develop the Property based on then-existing market conditions, and the actual densities developed may be at some density less than the densities assumed in the Assessment Report; and

WHEREAS, as more fully described by the Assessment Resolutions, the Assessment Report anticipates a "true-up" mechanism by which the Developer shall make certain payments to the District in order to satisfy, in whole or in part, the assessments allocated and the liens imposed pursuant to the Assessment Resolutions, with the amount of such payments being determined generally by a calculation of the principal amount of assessments to be assigned under the Assessment Report as compared to the amount able to be assigned as a result of actual platting.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **RECITALS.** The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Agreement.

2. **VALIDITY OF ASSESSMENTS.** Developer agrees that the Assessment Resolutions have been duly adopted by the District. Developer further agrees that the Debt Assessments imposed as liens by the District are legal, valid, and binding liens on the land against which assessed until paid, coequal with the liens of all state, county, district, and municipal taxes, and superior in dignity to all other state liens, titles, and claims. Developer waives any defect in notice or publication or in the proceedings to levy, impose, and collect the Debt Assessments on the lands within the District, and further waives and relinquishes any rights it may have to challenge, object to or otherwise fail to pay such Debt Assessments. Developer further agrees that to the extent Developer fails to timely pay all Debt Assessments collected by mailed notice of the District, said unpaid Debt Assessments (including True-Up Payments) may be placed on the tax roll by the District for collection by the County Tax Collector pursuant to Section 197.3632, *Florida Statutes*, in any subsequent year.

3. **WAIVER OF PREPAYMENT RIGHT.** Developer waives any rights it may have under Section 170.09, *Florida Statutes*, to prepay the Debt Assessments without interest within thirty (30) days of completion of the improvements.

4. **SPECIAL ASSESSMENT REALLOCATION; TRUE-UP PAYMENTS.** The Assessment Report identifies the amount of equivalent assessment units (and/or product types and unit counts) planned for the Property – specifically, ____ lots with ____ ERUs. At such time as lands are to be platted (or re-platted) or site plans are to be approved (or re-approved), and subject to the conditions set forth in the Assessment Report, the plat or site plan (either, herein, “**Proposed Plat**”) shall be presented to the District for review pursuant to the terms herein. Such review shall be limited solely to the function and the enforcement of the District’s assessment liens and/or this Agreement. If such Proposed Plat is consistent with the development plan as identified in the Assessment Report, the District shall allocate the Debt Assessments to the product types being platted and the remaining property in accordance with the Assessment Report, and cause the Debt Assessments to be recorded in the District’s Improvement Lien Book. If a change in development shows a net increase in the overall principal amount of Debt Assessments able to be assigned to the Property, then the District may undertake a pro rata reduction of Debt Assessments for all assessed properties within the Property, or may otherwise address such net increase as permitted by law.

However, if a change in development as reflected in a Proposed Plat results in a net decrease in the overall principal amount of Debt Assessments able to be assigned to the planned units described in the Assessment Report, and located within the Property, and using any applicable test(s) set forth in the Assessment Report (if any), then the District shall require the Developer(s) of the lands encompassed by the Proposed Plat and the remaining undeveloped lands (as applicable) to pay a “**True-Up Payment**” equal to the shortfall in Debt Assessments resulting from the reduction of planned units plus any applicable interest and/or collection fees. Any True-Up Payment shall become immediately due and payable prior to platting or re-platting by the Developer of the lands subject to the Proposed Plat, shall be separate from and not in lieu of the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the 2023 Bonds to the interest payment date that occurs at least 45 days after the True-Up Payment (or the second succeeding interest payment date if such True-Up Payment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indenture for the 2023 Bonds)).

All Debt Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until payment has been satisfactorily made. Further, upon the District’s review of the final plat for the developable acres, any unallocated Debt Assessments in the form of the herein described True-Up Payments shall become immediately due and payable. This true-up process applies for both plats and/or re-plats.

5. **ENFORCEMENT.** This Agreement is intended to be an additional method of enforcement of Developer’s obligations to pay the portion of the Debt Assessments which constitutes the True-Up Payment and to abide by the requirements of the reallocation of Debt Assessments, including the making of the True-Up Payment, as set forth in the Assessment Resolutions. A default by either party under this Agreement shall entitle any other party to all remedies available at law or in equity, which shall include, but not be limited to, the right of damages, injunctive relief, and specific performance. Prior to commencing any action for a default hereunder, the party seeking to commence such action shall first

provide notice to the defaulting party of the default and an opportunity to cure such default within 30 days.

6. **ASSIGNMENT.** This Agreement shall constitute a covenant running with title to the Property, binding upon Developer and its successors and assigns as to the Property or portions thereof, and any transferee of any portion of the Property as set forth in this Section. Developer shall not transfer any portion of the Property to any third party, without first satisfying any True-Up Payment that results from any true-up determinations made by the District. 8. **AMENDMENTS.** Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer, but only after satisfaction of the conditions set forth in Section 12.

9. **AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law; and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

10. **NOTICE.** All notices, requests, consents, and other communications hereunder ("**Notices**") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or telecopied or hand delivered to the parties, at the addresses first set forth above. Notwithstanding the foregoing, to the extent Florida law requires notice to enforce the collection of assessments placed on property by the District, then the provision of such notice shall be in lieu of any additional notice required by this Agreement.

11. **ARM'S LENGTH TRANSACTION.** This Agreement has been negotiated fully between the District and the Developer as an arm's length transaction. **KELLY PARK COMMUNITY DEVELOPMENT DISTRICT
NOTICE OF SPECIAL ASSESSMENTS / GOVERNMENTAL LIEN OF RECORD
(2023 BONDS/ASSESSMENT AREA ONE)**

PLEASE TAKE NOTICE that the Board of Supervisors of the Kelly Park Community Development District (“**District**”) in accordance with Chapters 170, 190, and 197, *Florida Statutes*, previously adopted Resolution Nos. 2022-25, 2022-30 and 2023-___ (together, “**Assessment Resolutions**”). The Assessment Resolutions levy and impose one or more non-ad valorem, debt service special assessment lien(s) (“**Assessments**”), which are levied on the property known as “Assessment Area One” (“**Assessment Area**”) described in **Exhibit A**.

The Assessments secure the District’s repayment of debt service on the District’s \$_____ Special Assessment Bonds, Series 2023 (Assessment Area One Project) (“**Bonds**”). The Bonds are intended to finance a portion of the District’s “**Project**” (a/k/a “2023 Project”), which is described in the *First Supplemental Engineer’s Report*, dated July 2023 (“**Engineer’s Report**”). The Assessments are further described in the *Master Special Assessment Methodology Report*, dated July 6, 2022, and as supplemented by the *Final First Supplemental Special Assessment Methodology Report*, dated _____, 2023 (together, “**Assessment Report**”). A copy of the Engineer’s Report, Assessment Report and Assessment Resolutions may be obtained from the registered agent of the District as designated to the Florida Department of Economic Opportunity, or by contacting the District’s Manager, c/o Wrathell, Hunt & Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (561) 571-0010.

The Assessments were legally and validly determined and levied in accordance with all applicable requirements of Florida law, and constitute and will at all relevant times in the future constitute, legal, valid, and binding first liens on the land against which assessed until paid, coequal with the lien of all state, county, district, and municipal taxes, and superior in dignity to all other liens, titles, and claims. Please note that, as part of the Assessments, the Assessment Resolutions require that certain “True-Up Payments” be made in certain circumstances, and landowners should familiarize themselves with those requirements, as they constitute a requirement under the liens.

The District is a special purpose form of local government established pursuant to and governed by Chapter 190, *Florida Statutes*. This notice shall remain effective even if the District undergoes merger, boundary amendment, or name change. Further, this notice shall constitute a lien of record under Florida law, including but not limited to Chapter 197, *Florida Statutes*, and Sections 197.552 and 197.573, *Florida Statutes*, among others.

Pursuant to Section 190.048, *Florida Statutes*, you are hereby notified that: **THE KELLY PARK COMMUNITY DEVELOPMENT DISTRICT MAY IMPOSE AND LEVY TAXES OR ASSESSMENTS, OR BOTH TAXES AND ASSESSMENTS, ON THE ASSESSMENT AREA. THESE TAXES AND ASSESSMENTS PAY THE CONSTRUCTION, OPERATION, AND MAINTENANCE COSTS OF CERTAIN PUBLIC FACILITIES AND SERVICES OF THE DISTRICT AND ARE SET ANNUALLY BY THE GOVERNING**

BOARD OF THE DISTRICT. THESE TAXES AND ASSESSMENTS ARE IN ADDITION TO COUNTY AND OTHER LOCAL GOVERNMENTAL TAXES AND ASSESSMENTS AND ALL OTHER TAXES AND ASSESSMENTS PROVIDED FOR BY LAW.

IN WITNESS WHEREOF, this Notice has been executed to be effective as of the date of closing on the Bonds, and recorded in the Public Records of the County in which the District is located.
