RIGHT-OF-WAY MAINTENANCE AGREEMENT

THIS RIGHT-OF-WAY MAINTENANCE AGREEMENT (“Agreement”) is made and entered into this ____ day of _____, 2025, by and between the **CITY COUNCIL OF THE CITY OF AOPKA**, a political subdivision of the State of Florida, with a mailing address of _____ (**“City”**), and **KELLY PARK COMMUNITY DEVELOPMENT DISTRICT**, a local unit of special-purpose government formed pursuant to Chapter 190, *Florida Statutes*, with an address of 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (**“District,”** together with City **“Parties”**).

RECITALS

WHEREAS, the District is a special-purpose government established for the purpose of constructing, installing, acquiring, operating, maintaining, repairing and replacing public improvements, including but not limited to landscape and irrigation improvements, for the Kelly Park development; and

WHEREAS, certain rights-of-way (**“ROW”**), which are identified in **Exhibit A**, include landscape and irrigation improvements (together, **“CDD Improvements”**) that the Parties desire for the District to maintain; and

WHEREAS, the District has determined that maintenance of the CDD Improvements will provide a special benefit to the owners of real estate located within the District, and will ensure that the CDD Improvements are maintained in accordance with an upgraded aesthetic design consistent with community standards; and

WHEREAS, the District and County desire to enter into an agreement to provide for the District to maintain the CDD Improvements located in the ROW.

NOW, THEREFORE, in consideration of the promises and the mutual covenants herein contained, the parties hereto do mutually agree as follows:

1. **Recitals**. The above recitals are true and correct and are hereby incorporated herein by this reference.
2. **District Maintenance**. The District is permitted, in appropriate coordination with the City, to perform all activities necessary for the installation, operation, maintenance, repair, and replacement of the CDD Improvements and within the ROW identified in **Exhibit A**. The CDD Improvements within the ROW are the sole responsibility of the District.
3. **City Maintenance**. The City shall continue to be responsible for maintenance of street improvements within the ROW, including but not limited to the roadway asphalt and bed, inlets, curbs, sidewalks, signage, striping, etc. (i.e., everything except for the CDD Improvements).
4. **Emergency Repairs**. In the event City first discovers the existence of any emergency deficiencies, the City shall have the right, but not the obligation, to remediate such emergency deficiencies without first notifying the District.

5. **Permissive Use.** It is hereby agreed by the Parties that this Agreement creates a permissive use only and all CDD Improvements located on the City's ROW resulting from this Agreement shall remain property of the City. Neither the granting of the permission to use the City ROW nor the placing of facilities upon the City property shall operate to create or vest any property right to or in the District, except as may otherwise be provided in separate agreements. District shall not acquire any right, title, interest or estate in City ROW, of any nature or kind whatsoever, by virtue of the execution, operation, effect, or performance of this Agreement including, but not limited to, District's use or maintenance of City ROW. The provisions of this paragraph shall survive the expiration or earlier termination of this Agreement, in accordance with the laws of the State of Florida.

6. **Standards.** District shall exercise the rights granted herein and shall otherwise perform this Agreement with reasonable care, in accordance with the terms and provisions of this Agreement and all applicable federal, state, local, administrative, regulatory, and safety laws, codes, rules, regulations, policies, procedures, guidelines, standards, and permits, as the same may be constituted and amended from time to time, including, but not limited to, those of the Florida Department of Transportation ("FDOT") and local governmental entities.

7. **Insurance.** District, and/or its subcontractors working in the City ROW, shall possess insurance coverage, naming City as additional insured and insuring City against any and all claims for injury or damage to persons and property and for the loss of life or property that may occur (directly or indirectly) by reason of District or its subcontractors, as the case may be, accessing City's ROW and such party's performance within the City ROW. Prior to commencement of maintenance under this Agreement, and on such other occasions as City may reasonably require, District shall provide City with certificates documenting that the required insurance coverage with District and/or subcontractors is in place and effective.

8. **Indemnification.** District, and its contractors, shall indemnify and hold harmless City and its officers and employees from liability, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of District, or its contractors and other persons employed or utilized by District in the performance of this Agreement. Nothing provided for herein shall inure to the benefit of any third party for any purpose, which might allow claims otherwise barred by sovereign immunity or operation of law. The Parties shall notify each other in writing immediately upon becoming aware of such liabilities. The insurance coverage and limits required in this Agreement may or may not be adequate to protect the City and such insurance coverage shall not be deemed a limitation of the indemnities to the City set forth in this Agreement. The provisions of this paragraph shall survive the expiration or earlier termination of this Agreement, in accordance with the laws of the State of Florida.

STATEWIDE MUTUAL AID AGREEMENT - 2023

This Agreement is an acknowledgment of receipt by the Florida Division of Emergency Management ("the Division") and the local government ("Participating Party") signing this Agreement. Execution of this agreement replaces all previous iterations and is active until a new agreement is drafted and requested by The Division.

This Agreement is based on the existence of the following conditions:

- A. The State of Florida is vulnerable to a wide range of emergencies and disasters that are likely to cause the disruption of essential services and the destruction of the infrastructure needed to deliver those services.
- B. Such emergencies and disasters often exceed the emergency response and recovery capabilities of any one county or local government.
- C. Such incidents may also give rise to unusual and unanticipated physical and technical needs which a local government cannot meet with existing resources, but that other local governments within the State of Florida may be able to provide.
- D. The Emergency Management Act, chapter 252, *Florida Statutes*, provides each local government of the state the authority to develop and enter into mutual aid agreements within the state for reciprocal emergency aid in case of emergencies too extensive to be dealt with unassisted, and through such agreements ensure the timely reimbursement of costs incurred by the local governments which render such assistance.
- E. Pursuant to chapter 252.32, *Florida Statutes*, the Division renders mutual aid among the political subdivisions of the state to carry out emergency management functions and responsibilities.
- F. Pursuant to chapter 252, *Florida Statutes*, the Division has the authority to coordinate and direct emergency management assistance between local governments and concentrate available resources where needed.

Based on the existence of the foregoing conditions, the Parties agree to the following articles:

WHEREAS, the District is a local unit of special-purpose government established pursuant to and governed by Chapter 190 of the *Florida Statutes*; and

WHEREAS, the District owns, operates and maintains certain landscaping as identified in **Exhibit A ("Landscape Areas")**; and

WHEREAS, the District desires to enter into an agreement with an independent contractor to provide landscape maintenance services for the Landscape Areas, as outlined in **Exhibit B ("Services")**; and

WHEREAS, Contractor represents and warrants that it is qualified to provide such Services and desires to enter into an agreement with the District to provide the Services in accordance with the terms and specifications in this Agreement and **Exhibit A**.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **RECITALS.** The recitals stated above are true and correct and by this reference are incorporated herein as a material part of this Agreement.

2. **SERVICES.** The Contractor agrees to provide the Services outlined in **Exhibit A**. Contractor hereby covenants to the District that it shall perform the services: (i) using its best skill and judgment and in accordance with generally accepted professional standards, and (ii) in compliance with all applicable federal, state, county, municipal, building and zoning, land use, environmental, public safety, non-discrimination and disability accessibility laws, codes, ordinances, rules and regulations, permits and approvals (including any permits and approvals relating to water rights), including, without limitation, all professional registration (both corporate and individual) for all required basic disciplines that it shall perform. While providing the Services, the Contractor shall assign such staff as may be required, and such staff shall be responsible for coordinating, expediting, and controlling all aspects to assure completion of

¹ This *Agreement for Landscape Maintenance Services Agreement* supersedes any previous agreements entered into for the services and areas included in **Exhibit A and Exhibit B** attached hereto.

the Services. Contractor represents that the Services are sufficient to ensure that the Landscape Areas are being operated in a manner consistent with applicable permits and approvals, if any. Contractor shall solely be responsible for the means, manner and methods by which its duties, obligations and responsibilities are met to the satisfaction of the District. This Agreement grants to Contractor the right to enter the District property that is the subject of this Agreement, and for those purposes described in this Agreement.

Additional Work. The Contractor agrees that the District shall not be liable for the payment of any additional work and/or services unless the District first authorizes the Contractor to perform such additional work and/or services through an authorized and fully executed change order. Nothing herein shall be construed to require the District to use the Contractor for any such additional work and/or services, and the District reserves the right to retain a different contractor to perform any additional work and/or services.

3. TERM. Contractor shall provide the Services beginning upon the full execution of this Agreement, and continue through September 30 of the year in which this Agreement becomes effective, unless terminated earlier pursuant to its terms. This Agreement shall automatically renew for one-year periods beginning October 1 (i.e., based on the District's fiscal year), unless terminated pursuant to the terms herein.

4. COMPENSATION; PAYMENT. As compensation for the Services described in this Agreement, the District agrees to pay the Contractor the amounts set forth in **Exhibit A**. The Contractor shall maintain records conforming to usual accounting practices. Further, the Contractor agrees to render monthly invoices to the District, in writing, which shall be delivered or mailed to the District by the fifth (5th) day of the next succeeding month. Each monthly invoice shall contain, at a minimum, the District's name, the Contractor's name, the invoice date, an invoice number, an itemized listing of all costs billed on the invoice with a description of each sufficient for the District to approve each cost, the time frame within which the services were provided, and the address or bank information to which payment is to be remitted. Consistent with Florida's Prompt Payment Act, Section 218.70 et al. of the Florida Statutes, these monthly invoices are due and payable within forty-five (45) days of receipt by the District.

5. CARE OF DISTRICT PROPERTY. Contractor shall use all due care to protect the property of the District, its patrons, landowners and authorized guests from damage by Contractor or its employees or agents. Contractor agrees to repair any damage resulting from the Services within twenty-four (24) hours. Any such repairs shall be at Contractor's sole expense, unless otherwise agreed, in writing, by the District.

6. COMPLIANCE WITH LAW. In providing the Services, Contractor shall comply with all applicable laws, rules, and regulations, including but not limited to all orders or requirements affecting the District property placed thereon by any governmental authority having jurisdiction.

7. PERMITS AND LICENSES. All other permits or licenses necessary for the Contractor to perform under this Agreement shall be obtained and paid for by the Contractor.

8. WARRANTY AND COVENANT. The Contractor warrants to the District that all materials furnished under this Agreement shall be new, and that all services and materials shall be of good quality, free from faults and defects. The Contractor hereby warrants any materials and services for a period of one (1) year after acceptance by the District or longer as required under Florida law. With respect to any

and all plant material provided pursuant to this Agreement or any separate work authorization issued hereunder, all plant material shall be guaranteed to be in a satisfactory growing condition and to live for a period of one (1) year from planting except for annuals, which will be replaced seasonally. All plants that fail to survive under the guarantee shall be replaced as they fail with the same type and size as originally specified. Contractor further warrants to the District those warranties which Contractor otherwise warrants to others and the duration of such warranties is as provided by Florida law unless longer guarantees or warranties are provided for elsewhere in the Agreement (in which case the longer periods of time shall prevail). Contractor shall replace or repair warranted items to the District's satisfaction and in the District's discretion. Neither final acceptance of the services, nor monthly or final payment therefore, nor any provision of the Agreement shall relieve Contractor of responsibility for defective or deficient materials or services. If any of the services or materials are found to be defective, deficient or not in accordance with the Agreement, Contractor shall correct remove and replace it promptly after receipt of a written notice from the District and correct and pay for any other damage resulting therefrom to District property or the property of landowners within the District. Contractor hereby certifies it is receiving the property in its as-is condition and has thoroughly inspected the property and addressed any present deficiencies, if any, with the District. Contractor shall be responsible for maintaining and warranting all plant material maintained by Contractor as of the first date of the services.

9. ACCIDENTS/CLAIMS. Contractor shall promptly and in no event within more than seventy-two (72) hours provide a written report as to all accidents, injuries or claims for damage relating to the Amenity Landscape Areas or related to the Services, including any damage or destruction of property, and shall cooperate and make any and all reports required by any insurance company, law enforcement agency or the District in connection therewith, unless the District's Board of Supervisors ("**Board**") expressly directs Contractor otherwise, in writing.

10. INDEPENDENT CONTRACTOR. In all matters relating to this Agreement, Contractor shall be acting as an independent contractor. Neither Contractor nor employees of Contractor are employees of the District under the meaning or application of any Federal or State Unemployment or Insurance Laws or otherwise. Contractor agrees to assume all liabilities or obligations imposed by any one or more of such laws with respect to employees of Contractor, if any, in the performance of this Agreement. Contractor shall not have any authority to assume or create any obligation, express or implied, on behalf of the District and Contractor shall have no authority to represent the District as an agent, employee, or in any other capacity, unless otherwise set forth in this Agreement.

11. TERMINATION. The District shall have the right to terminate this Agreement immediately upon written notice for cause, or upon thirty (30) days' written notice without cause. Contractor shall have the right to terminate this Agreement upon sixty (60) days' written notice to the District. In the event either party terminates this Agreement, Contractor's sole remedy shall be to recover the balance of money due and owing to it at the effective date of termination for the work actually performed up to that date, subject to any off-sets the District might have against Contractor.

12. INSURANCE. Contractor shall maintain throughout the term of this Agreement the insurance listed in **Exhibit C**. The District, its staff, consultants and supervisors shall be named as additional insured. The Contractor shall furnish the District with the Certificate of Insurance evidencing compliance with this requirement. No certificate shall be acceptable to the District unless it provides that any change or termination within the policy periods of the insurance coverage, as certified, shall not be effective within thirty (30) days of prior written notice to the District. Insurance coverage shall be from a reputable insurance carrier, licensed to conduct business in the State of Florida.

13. INDEMNIFICATION. Contractor agrees to defend, indemnify, and hold harmless the District and its officers, agents, employees, successors, assigns, members, affiliates, or representatives from any and all liability, claims, actions, suits, liens, demands, costs, interest, expenses, damages, penalties, fines, judgments against the District, or loss or damage, whether monetary or otherwise, arising out of, wholly or in part by, or in connection with the Services to be performed by Contractor, its subcontractors, its employees and agents in connection with this Agreement, including litigation, mediation, arbitration, appellate, or settlement proceedings with respect thereto. Additionally, nothing in this Agreement requires Contractor to indemnify the District for the District's percentage of fault if the District is adjudged to be more than 50% at fault for any claims against the District and Contractor as jointly liable parties; however, Contractor shall indemnify the District for any and all percentages of fault attributable to Contractor for claims against the District, regardless of whether the District is adjudged to be more or less than 50% at fault. Contractor further agrees that nothing herein shall constitute or be construed as a waiver of the District's limitations on liability contained in Section 768.28, *Florida Statutes*, or other statute. Obligations under this section shall include the payment of all settlements, judgments, damages, liquidated damages, penalties, fines, forfeitures, back pay awards, court costs, arbitration and/or mediation costs, litigation expenses, attorneys' fees, paralegal fees (incurred in court, out of court, on appeal, or in bankruptcy proceedings), any interest accrued against the District, all as actually incurred. The indemnification rights herein contained shall be cumulative of, and in addition to, any and all rights, remedies and recourse to which the District shall be entitled, whether pursuant to some other provision of this Agreement, at law, or in equity. The provisions of this Section shall survive the termination or expiration of this Agreement.

14. DEFAULT; THIRD-PARTY INTERFERENCE. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages, injunctive relief, and/or specific performance. The District shall be solely responsible for enforcing its rights under this Agreement against any interfering third-party. Nothing contained herein shall limit or impair the District's right to protect its rights from interference by a third-party to this Agreement.

15. ATTORNEY'S FEES. In the event that either the District or Contractor is required to enforce this Agreement by court proceedings or otherwise, then the prevailing party shall be entitled to recover all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

16. ENTIRE AGREEMENT. This instrument shall constitute the final and complete expression of the agreement between the parties hereto relating to the subject matter of this Agreement.

17. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both parties hereto.

18. NOTICES. All notices, requests, consents, and other communications under this Agreement ("**Notices**") shall be in writing and shall be delivered, mailed by Overnight Delivery or First Class Mail, postage prepaid, to the parties, at the addresses first listed above. Except as otherwise provided in this Agreement, any Notice shall be deemed received only upon actual delivery at the address set forth above. Notices delivered after 5:00 p.m. (at the place of delivery) or on a non-business day, shall be deemed received on the next business day. If any time for giving Notice contained in this Agreement would otherwise expire on a non-business day, the Notice period shall be extended to the next succeeding

business day. Saturdays, Sundays, and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the District and counsel for Contractor may deliver Notice on behalf of the District and Contractor. Any party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name or address to which Notices shall be sent by providing the same on five (5) days' written notice to the parties and addressees set forth herein.

19. THIRD-PARTY BENEFICIARIES. This Agreement is solely for the benefit of the District and Contractor and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third-party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the District and Contractor any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and Contractor and their respective representatives, successors, and assigns.

20. ASSIGNMENT. Neither the District nor Contractor may assign this Agreement or any monies to become due hereunder without the prior written approval of the other. Any purported assignment without such written approval shall be void.

21. CONTROLLING LAW; VENUE. This Agreement and the provisions contained in this Agreement shall be construed, interpreted, and controlled according to the laws of the State of Florida. The parties agree that venue for any action arising hereunder shall be in a court of appropriate jurisdiction in the County in which the District is located.

22. PUBLIC RECORDS. Contractor understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records, and, accordingly, Contractor agrees to comply with all applicable provisions of Florida law in handling such records, including but not limited to section 119.0701, *Florida Statutes*. Contractor acknowledges that the designated public records custodian for the District is the District's Manager ("**Public Records Custodian**"). Among other requirements and to the extent applicable by law, Contractor shall 1) keep and maintain public records required by the District to perform the service; 2) upon request by the Public Records Custodian, provide the District with the requested public records or allow the records to be inspected or copied within a reasonable time period at a cost that does not exceed the cost provided in Chapter 119, *Florida Statutes*; 3) ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except as authorized by law for the duration of the contract term and following the contract term if Contractor does not transfer the records to the Public Records Custodian of the District; and 4) upon completion of the contract, transfer to the District, at no cost, all public records in Contractor's possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to Florida laws. 23. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement or any part of this Agreement not held to be invalid or unenforceable.

24. HEADINGS. The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

25. NEGOTIATIONS AT ARM'S LENGTH. This Agreement has been negotiated fully between the parties as an arm's length transaction. We are a member of the Florida Institute of Certified Public Accountants and the American Institute of Certified Public Accountants. The firm was formed from the merger of Edwards, Berger, Harris & Company (originated in 1972) and McAlpin, Curtis & Associates (originated in 1949). J. W. Gaines and Associates (originated in 1979) merged with the firm in 2004. Our tremendous growth rate experienced over the last 69 years is directly attributable to the firm's unrelenting dedication to providing the highest quality, responsive professional services attainable to its clients.

We are a member of the Private Companies Practice Section (PCPS) of the American Institute of Certified Public Accountants (AICPA) to assure we meet the highest standards. Membership in this practice section requires that our firm meet more stringent standards than standard AICPA membership. These rigorous requirements include the requirement of a triennial peer review of our firm's auditing and accounting practice and annual Continuing Professional Education (CPE) for all accounting staff (whether CPA or non-CPA). For standard AICPA membership, only a quality review is required and only CPAs must meet CPE requirements.

We are also a member of the Government Audit Quality Center ("the Center") of the American Institute of Certified Public Accountants to assure the quality of our government audits. Membership in the Center, which is voluntary, requires our firm to comply with additional standards to promote the quality of government audits.

Our substantial experience over the years makes us uniquely qualified to provide accounting, auditing, and consulting services to these clients. Independence – Independence of the public accounting firm, with respect to the audit client, is the foundation from which the public gains its trust in the opinion issued by the public accounting firm at the end of the audit process. This independence must be in appearance as well as in fact. The public must perceive that the accounting firm is independent of the audit entity to ensure that nothing would compromise the opinion issued by the public accounting firm. **Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL** is independent of Kelly Park Community Development District, including its elected officials and related parties, at the date of this proposal, as defined by the following rules, regulations, and standards:

In addition, our field laptop computers carry the same data and can be used in the event of emergency with virtually no delay in completing the required services.

ADDITIONAL SERVICES PROVIDED

Arbitrage Rebate Services

Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL also provides arbitrage rebate compliance and related services to governmental issuers. The Tax Reform Act of 1986 requires issuers of most tax-exempt obligations to pay (i.e., “rebate”) to the United States government any arbitrage profits. Arbitrage profits are earnings on the investment of bond proceeds and certain other monies in excess of what would have been earned had such monies been invested at a yield equal to the yield on the bonds.

Federal tax law requires that interim rebate calculations and payments are due at the end of every fifth bond year. Final payment is required upon redemption of the bonds. More frequent calculations may be deemed advisable by an issuer’s auditor, trustee or bond counsel or to assure that accurate and current records are available. These more frequent requirements are usually contained in the Arbitrage or Rebate Certificate with respect to the bonds.

Our firm performs a comprehensive rebate analysis and includes the following:

- Verifying that the issue is subject to rebate;
- Calculating the bond yield;
- Identifying, and separately accounting for, all “Gross Proceeds” (as that term is defined in the Code) of the bond issue, including those requiring analysis due to “transferred proceeds” and/or “commingled funds” circumstances;
- Determining what general and/or elective options are available to Gross proceeds of the issue;
- Calculating the issue’s excess investment earning (rebate liability), if any;
- Delivering appropriate documentation to support all calculations;
- Providing an executive summary identifying the methodology employed, major assumptions, conclusions, and any other recommendations for changes in recordkeeping and investment policies;
- Assisting as necessary in the event of an Internal Revenue Service inquiry; and,
- Consulting with issue staff, as necessary, regarding arbitrage related matters.

GOVERNMENTAL AUDITING EXPERIENCE

Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL has been practicing public accounting in Florida for 69 years. Our success over the years has been the result of a strong commitment to providing personalized quality service to our clients.

The current members of our firm have performed audits of over 1,100 community development districts, and over 2,100 audits of municipalities, counties and other governmental entities such as the City of Fort Pierce and St. Lucie County.

In addition, our firm is in compliance with the applicable provisions of the Florida Statutes that require CPA's to have met certain CPE requirements prior to proposing on governmental audit engagements.

GOVERNMENTAL AUDITING EXPERIENCE (CONTINUED)

The audit team has extensive experience in performing governmental audits and is exposed to intensive and continuing concentration on these types of audits. Due to the total number of governmental audits our team performs, each member of our governmental staff must understand and be able to perform several types of governmental audits. It is our objective to provide each professional employee fifty hours or more of comprehensive continuing professional education each year. This is accomplished through attending seminars throughout Florida and is reinforced through in-house training.

Our firm has made a steadfast commitment to professional education. Our active attendance and participation in continuing professional education is a major part of our objective to obtain the most recent knowledge on issues which are of importance to our clients. We are growing on the reputation for work that our firm is providing today.

Quality Control Program

Quality control requires continuing commitment to professional excellence. **Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL** is formally dedicated to that commitment.

To ensure maintaining the standards of working excellence required by our firm, we joined the Private Companies Practice Section (PCPS) of the American Institute of Certified Public Accountants (AICPA). To be a participating member firm of this practice section, a firm must obtain an independent Peer Review of its quality control policies and procedures to ascertain the firm's compliance with existing auditing standards on the applicable engagements.

The scope of the Peer Review is comprehensive in that it specifically reviews the following quality control policies and procedures of the participating firm:

- Professional, economic, and administrative independence;
- Assignment of professional personnel to engagements;
- Consultation on technical matters;
- Supervision of engagement personnel;
- Hiring and employment of personnel;
- Professional development;
- Advancement;
- Acceptance and continuation of clients; and,
- Inspection and review system.

We believe that our commitment to the program is rewarding not only to our firm, but primarily to our clients.

The external independent Peer Review of the elements of our quality control policies and procedures performed by an independent certified public accountant, approved by the PCPS of the AICPA, provides you with the assurance that we continue to conform to standards of the profession in the conduct of our accounting and auditing practice.

GOVERNMENTAL AUDITING EXPERIENCE (CONTINUED)

Our firm is also a member of Governmental Audit Quality Center (GAQC), a voluntary membership center for CPA firms that perform governmental audits. This center promotes the quality of governmental audits.

Our firm has completed successive Peer Reviews. These reviews included a representative sample of our firm's local governmental auditing engagements. As a result of these reviews, our firm obtained an unqualified opinion on our quality control program and work procedures. On page 31 is a copy of our most recent Peer Review report. It should be noted that we received a pass rating.

Our firm has never had any disciplinary actions by state regulatory bodies or professional organizations.

As our firm performs approximately one hundred audits each year that are reviewed by federal, state or local entities, we are constantly dealing with questions from these entities about our audits. We are pleased to say that any questions that have been raised were minor issues and were easily resolved without re-issuing any reports.

Certificate of Achievement for Excellence in Financial Reporting (CAFR)

We are proud and honored to have been involved with the City of Fort Pierce and the Fort Pierce Utilities Authority when they received their first Certificates of Achievement for Excellence in Financial Reporting for the fiscal years ended September 30, 1988 and 1994, respectively. We were also instrumental in the City of Stuart receiving the award, in our first year of performing their audit, for the year ended September 30, 1999.

We also assisted St. Lucie County, Florida for the year ended September 30, 2003, in preparing their first Comprehensive Annual Financial Report, and St. Lucie County has received their Certificate of Achievement for Excellence in Financial Reporting every year since.

As continued commitment to insuring that we are providing the highest level of experience, we have had at least one employee of our firm serve on the GFOA – Special Review Committee since the mid-1980s. This committee is made up of selective Certified Public Accountants throughout the United States who have demonstrated their high level of knowledge and expertise in governmental accounting. Each committee member attends a special review meeting at the Annual GFOA Conference. At this meeting, the committee reports on the Certificate of Achievement Program's most recent results, future goals, and common reporting deficiencies.

We feel that our previous experience in assisting the City of Fort Pierce, the Fort Pierce Utilities Authority and St. Lucie County obtain their first CAFRs, and the City of Stuart in continuing to receive a CAFR and our firm's continued involvement with the GFOA, and the CAFR review committee make us a valued asset for any client in the field of governmental financial reporting.

FEE SCHEDULE

We propose the fee for our audit services described below to be \$4,750 for the year ended September 30, 2024. In addition, if a bond issuance occurs in the fiscal year ended September 30, 2024, the fee for our audit services will be \$1,350. The fee is contingent upon the financial records and accounting systems of Kelly Park Community Development District being “audit ready” and the financial activity for the District is not materially increased. If we discover that additional preparation work or subsidiary schedules are needed, we will consult with your authorized representative. We can assist with this additional work at our standard rates should you desire.

SCOPE OF WORK TO BE PERFORMED

If selected as the District's auditors, we will perform a financial and compliance audit in accordance with Section 11.45, Florida Statutes, in order to express an opinion on an annual basis on the financial statements of Kelly Park Community Development District as of September 30, 2024. The audits will be performed to the extent necessary to express an opinion on the fairness in all material respects with which the financial statements present the financial position, results of operations and changes in financial position in conformity with generally accepted accounting principles and to determine whether, for selected transactions, operations are properly conducted in accordance with legal and regulatory requirements. Reportable conditions that are also material weaknesses shall be identified as such in the Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters. Other (non-reportable) conditions discovered during the course of the audit will be reported in a separate letter to management, which will be referred to in the Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters.

Our audit will be performed in accordance with standards for financial and compliance audits contained in *Government Auditing Standards*, as well as in compliance with rules and regulations of audits of special districts as set forth by the State Auditor General in Chapter 10.550, Local Governmental Entity Audits, and other relevant federal, state and county orders, statutes, ordinances, charter, resolutions, bond covenants, Administrative Code and procedures, or rules and regulations which may pertain to the work required in the engagement.

The primary purpose of our audit will be to express an opinion on the financial statements discussed above. It should be noted that such audits are subject to the inherent risk that errors or irregularities may not be detected. However, if conditions are discovered which lead to the belief that material errors, defalcations or other irregularities may exist or if other circumstances are encountered that require extended services, we will promptly notify the appropriate individual.

Specific Audit Approach

Grau & Associates
CERTIFIED PUBLIC ACCOUNTANTS

AUDIT APPROACH

Grau's Understanding of Work Product / Scope of Services:

We recognize the District is an important entity and we are confident our firm is eminently qualified to meet the challenges of this engagement and deliver quality audit services. ***You would be a valued client of our firm and we pledge to commit all firm resources to provide the level and quality of services (as described below) which not only meet the requirements set forth in the RFP but will exceed those expectations.*** Grau & Associates fully understands the scope of professional services and work products requested. Our audit will follow the Auditing Standards of the AICPA, *Generally Accepted Government Auditing Standards*, issued by the Comptroller General of the United States, and the Rules of the Auditor General of the State of Florida and any other applicable Federal, State or Local regulations. **We will deliver our reports in accordance with your requirements.**

Proposed segmentation of the engagement

Our approach to the audit engagement is a risk-based approach which integrates the best of traditional auditing techniques and a total systems concept to enable the team to conduct a more efficient and effective audit. The audit will be conducted in three phases, which are as follows:

Phase I - Preliminary Planning

A thorough understanding of your organization, service objectives and operating environment is essential for the development of an audit plan and for an efficient, cost-effective audit. During this phase, we will meet with appropriate personnel to obtain and document our understanding of your operations and service objectives and, at the same time, give you the opportunity to express your expectations with respect to the services that we will provide. Our work effort will be coordinated so that there will be minimal disruption to your staff.

During this phase we will perform the following activities:

- » Review the regulatory, statutory and compliance requirements. This will include a review of applicable federal and state statutes, resolutions, bond documents, contracts, and other agreements;
- » Read minutes of meetings;
- » Review major sources of information such as budgets, organization charts, procedures, manuals, financial systems, and management information systems;
- » Obtain an understanding of fraud detection and prevention systems;
- » Obtain and document an understanding of internal control, including knowledge about the design of relevant policies, procedures, and records, and whether they have been placed in operation;
- » Assess risk and determine what controls we are to rely upon and what tests we are going to perform and perform test of controls;
- » Develop audit programs to incorporate the consideration of financial statement assertions, specific audit objectives, and appropriate audit procedures to achieve the specified objectives;
- » Discuss and resolve any accounting, auditing and reporting matters which have been identified.

Phase II – Execution of Audit Plan

The audit team will complete a major portion of transaction testing and audit requirements during this phase. The procedures performed during this period will enable us to identify any matter that may impact the completion of our work or require the attention of management. Tasks to be performed in Phase II include, but are not limited to the following:

- » Apply analytical procedures to further assist in the determination of the nature, timing, and extent of auditing procedures used to obtain evidential matter for specific account balances or classes of transactions;
- » Perform tests of account balances and transactions through sampling, vouching, confirmation and other analytical procedures; and
- » Perform tests of compliance.

Phase III - Completion and Delivery

In this phase of the audit, we will complete the tasks related to year-end balances and financial reporting. All reports will be reviewed with management before issuance, and the partners will be available to meet and discuss our report and address any questions. Tasks to be performed in Phase III include, but are not limited to the following:

- » Perform final analytical procedures;
- » Review information and make inquiries for subsequent events; and
- » Meeting with Management to discuss preparation of draft financial statements and any potential findings or recommendations.

You should expect more from your accounting firm than a signature in your annual financial report. Our concept of truly responsive professional service emphasizes taking an active interest in the issues of concern to our clients and serving as an effective resource in dealing with those issues. In following this approach, we not only audit financial information with hindsight but also consider the foresight you apply in managing operations.

Application of this approach in developing our management letter is particularly important given the increasing financial pressures and public scrutiny facing today's public officials. We will prepare the management letter at the completion of our final procedures.

In preparing this management letter, we will initially review any draft comments or recommendations with management. In addition, we will take necessary steps to ensure that matters are communicated to those charged with governance.

In addition to communicating any recommendations, we will also communicate the following, if any:

- » Significant audit adjustments;
- » Significant deficiencies or material weaknesses;
- » Disagreements with management; and
- » Difficulties encountered in performing the audit.

Our findings will contain a statement of condition describing the situation and the area that needs strengthening, what should be corrected and why. Our suggestions will withstand the basic tests of corrective action:

Is the recommendation cost effective?

Is the recommendation the simplest to effectuate in order to correct a problem?

Is the recommendation at the heart of the problem and not just correcting a symptomatic matter?

Is the corrective action taking into account why the deficiency occurred?

To assure full agreement with facts and circumstances, we will fully discuss each item with Management prior to the final exit conference. This policy means there will be no “surprises” in the management letter and fosters a professional, cooperative atmosphere.

Communications

We emphasize a continuous, year-round dialogue between the District and our management team. We regularly communicate through personal telephone calls and electronic mail throughout the audit and on a regular basis.

Our clients have the ability to transmit information to us on our secure client portal with the ability to assign different staff with separate log on and viewing capability. This further facilitates efficiency as all assigned users receive electronic mail notification as soon as new information has been posted into the portal.

Cost of Services

Grau & Associates
CERTIFIED PUBLIC ACCOUNTANTS

Our proposed all-inclusive fees for the financial audit for the fiscal years ended September 30, 2024-2028 are as follows:

Year Ended September 30,	Fee
2024	\$3,600
2025	\$3,700
2026	\$3,800
2027	\$3,900
2028	<u>\$4,000</u>
TOTAL (2024-2028)	<u>\$19,000</u>

The above fees are based on the assumption that the District maintains its current level of operations. Should conditions change or Bonds are issued the fees would be adjusted accordingly upon approval from all parties concerned. If Bonds are issued the fee would increase by \$1,500. The fee for subsequent annual renewals would be agreed upon separately.
